- (m) in the case of missions, for the regular attendance of the children of the family at school for the purpose of education within the meaning of section 20 of this Ordinance.

(3) Any contract under this section may, with the consent of the parties thereto, relate to a group of farms in the same district or in contiguous districts, provided all the farms in the group are in the same ownership or occupation, and provided a magistrate certifies that he is satisfied that proper control can be exercised over the resident labourers resident on such farms as are not in the personal occupation of a European.

(4) The original of every contract made under this section shall be filed in the office of the district commissioner in which the parties reside and one copy of the contract shall be handed to the occupier and one copy to the head of the contracting native family.

(5) A magistrate or attesting officer may refuse to attest any contract which does not provide for a fair remuneration in money, having regard to the local rates of wages, or any contract which, in his opinion, is likely to lead to a breach of the provisions of this Ordinance.

(6) A magistrate or attesting officer may, in his discretion, refuse to attest any contract entered into by a native or Somali whom he considers to be an undesirable.

(7) A magistrate may for any good and sufficient reason order the removal of a native or Somali, or of a resident labourer, and/or his stock from any farm, forest area, Railway land or unalienated Crown land; and such magistrate may after inquiry assess the costs of such removal and determine by whom such costs shall be paid.

(9) When notice of termination of a contract has been given by either party thereto the occupier shall forthwith notify the district commissioner accordingly.

(3) It shall be the duty of the resident labourer, on the termination of the contract, to request the occupier to make such endorsement, but failure on the part of the resident labourer to make the request shall not relieve the occupier of the responsibility for making such endorsement.

(4) In the event of the occupier refusing or omitting to make such endorsement, the resident labourer shall forthwith report to the district commissioner in whose office the contract is filed; and such district commissioner may, if he is satisfied from the information at his disposal that the endorsement has been omitted through ignorance or mistake or wilfully by the occupier and through no fault of the resident labourer, after inquiry complete in blue or blue-black ink such endorsement on the registration certificate affixing such date for the date of discharge as may appear to him to be consistent with the circumstances.

(5) Any occupier who refuses or omits to endorse a registration certificate in accordance with the provisions of this section shall be deemed to have committed a breach of the provisions of this Ordinance.

8. (1) Every male native, other than a Somali, who is a party to a contract made under the provisions of the Resident Native Labourers Ordinance, 1925, shall, within one month after the date of the application of this Ordinance to the area in which he is residing under such contract, produce his registration certificate to the occupier.

(7) It shall be the duty of an occupier to maintain his brand on every head of cattle in a legible condition.

(8) Any occupier who commits a breach of sub-sections (6) or (7) of this section or who suffers any stock to be kept on his farm in contravention of the provisions of this Ordinance shall be guilty of an offence.

(b) If, at the time of the termination of any contract made under section 5 of this Ordinance or under the Resident Native Labourers Ordinance, 1925, or of any agreement or engagement between an occupier and a native or a Somali under the law for the time being in force in the Colony relating to master and servant, any such restrictions are in force prohibiting the movement of stock from such farm, such stock shall remain on the farm without charge, and the owner of

such stock may also remain on such farm until such restrictions are removed or unless other arrangements are made for the care or disposal of such stock to the satisfaction of the parties and of a magistrate; and in any such case any such contract shall be deemed to remain in force until such restrictions are removed or until such other arrangements are made, as the case may be.

(10) (a) No cattle over the age of six months owned by a native or a Somali and kept on a farm in accordance with the provisions of this Ordinance shall be removed from a farm unless the owner has first produced them to the occupier who shall, at his own expense, cause such cattle to be re-branded with his own brand reversed.

(b) Any owner of cattle who moves from a farm any such cattle which have not been so re-branded, and any occupier who on request refuses or fails so to re-brand any cattle, shall be guilty of an offence.

(11) Where the owner of any stock has committed a breach of the provisions of this section, or where a person in possession of any stock has, with the connivance and consent of the owner of the stock, committed a breach of the provisions of this section, a magistrate may, in addition to imposing any other penalty provided in this Ordinance, order that the stock in respect of which the offence has been committed be confiscated.

(12) All stock kept on a farm by a native or a Somali shall be deemed for all purposes to be the personal property of such native or Somali.

17. (1) A magistrate, or a veterinary officer authorized in writing by the Chief Veterinary Officer, or a police officer of or above the rank of assistant sub-inspector, or any person duly authorized by a magistrate in that behalf may—

Removal of
resident
labourers from
undeveloped
farms.

18. A magistrate may by notice served upon the occupier or, if the occupier has no address in the Colony or if such address is unknown, by notice published in the Gazette, require the occupier of a farm, which is not being developed, and which is not, in his opinion, under such occupation as to ensure the observance of the provisions of this Ordinance, to remove any native or Somali, found residing on such farm, within twenty-eight days from the date of the service of such notice or from the date of the publication of the notice in the Gazette, as the case may be; and if such native or Somali is not so removed then a magistrate, or such other person as he may authorize in that behalf, shall remove such native or Somali and send him to a native reserve or to such other place as the magistrate may determine: Provided that, when the magistrate is satisfied that such native or Somali, although residing on a farm that is not being developed, is employed by the occupier of such farm on another farm in the same occupation or ownership under a contract of service or under a resident labourer's contract, he shall allow such native or Somali to remain on such farm.

Prohibition
against
payment by
natives or
Somalis.

19. (1) (a) No payment in money or in kind shall be demanded or taken from any native or Somali lawfully residing on a farm for the right to reside on or to cultivate any land or to graze any stock, or for the use of salt-licks, fuel or water on such farm.

(b) No occupier shall enter into a contract with a native or Somali lawfully residing on his farm whereby the occupier shares any profit derived by such native or Somali from his cultivation or from the increase or produce of his stock on the farm of such occupier.

(2) Manure produced on a farm by a resident labourer's stock shall be the property of the resident labourer during the period of his contract: Provided that, if such manure is not reasonably required for the purposes of the resident labourer's cultivation on such farm, the occupier may use such manure for the purpose of his own cultivation free of cost other than the cost of transporting the manure from one place on the farm to another.

(3) Nothing in this section contained shall be deemed to render illegal the purchase by an occupier at a reasonable price of the stock of a resident labourer or the produce of a resident labourer's stock or cultivation.

20. Natives or Somalis employed on farms in the occupation of missions and engaged in receiving or imparting industrial or technical instruction with or without literary or theological instruction or training for not less than one hundred and eighty days in each year shall be exempt from the provisions of section 4 of this Ordinance if such instruction or training is under proper and responsible control to the satisfaction of a magistrate.

Natives or
Somalis

- (d) prescribe the number of days in a year on which a resident labourer shall work and for which he shall receive wages: Provided that such number of days shall in no case be less than one hundred and eighty, and provided further that no resident labourer shall be required to work for more than two hundred and seventy days in any year unless he so desires.

(2) In making any order as aforesaid the local authority shall have regard—
