KENYA PROCLAMATIONS, RULES AND REGULATIONS
(No 2)

Section 15 of the Principal Ordinance which it is proposed to amend —

Caveat may be entered against issue of certificate

15 Any person whose consent to a marriage is hereby required, or who may know of any just cause why the marriage should not take place, may enter a caveat against the issue of the registrar's certificate, by writing at any time before the issue thereof the word "forbidden", opposite to the entry of the notice in the marriage book, and appending thereto his name and place of abode, and the grounds upon or by reason of which he claims to forbid the issue of the certificate, and the registrar shall not issue his certificate until such caveat shall be removed as hereinafter provided

Colony and Protectorate of Kenya

GOVERNMENT NOTICE No 18

His Excellency the Governor in Council has approved of the following Bill being introduced into the Legislative Council

R W BAKER-BEALL,
Acting Clerk to the Legislative Council

A Bill to Amend the Marriage Ordinance

BE IT ENACTED by the Governor of the Colony of Kenya, with the advice and consent of the Legislative Council thereof, as follows —

1 This Ordinance may be cited as the Marriage (Amendment) Ordinance, 1938, and shall be read as one with the Marriage Ordinance (Chapter 167 of the Revised Edition), hereinafter referred to as the Principal Ordinance

Short title

Cap 167

2 Section 15 of the Principal Ordinance is hereby amended by deleting therefrom the words “whose consent to a marriage is hereby required, or” which appear in the first and second lines thereof

Amendment of section 15 of the Principal Ordinance

3 The Principal Ordinance is hereby amended by inserting therein immediately after section 21 thereof the following new section —

Amendment of the Principal Ordinance

“21A If any person whose consent to a marriage is hereby required refuses his consent, the Supreme Court may, on application being made, consent to the marriage, and the consent of the Court so given shall have the same effect as if it had been given by the person whose consent is so required ”

OBJECTS AND REASONS

Under the Marriage Ordinance, any person whose consent to a marriage is required may enter a caveat against the issue of a Registrar’s Certificate Where such a caveat has been entered, the matter is referred to the Supreme Court which, after hearing the parties to the intended marriage and the person who has entered the caveat, may remove the caveat The Registrar may then issue the certificate and the marriage may proceed

There is, however, no provision for reference to the Court where a person, whose consent is required but who has not entered a caveat, refuses his consent to the marriage of a minor

This is a serious deficiency in the law, and it is therefore proposed to amend the Marriage Ordinance so as to permit a minor, consent to whose marriage has been refused by the person empowered to give such consent, to apply to the Supreme Court for consent The amendment is based on section 9 of the English Guardianship of Infants Act, 1925

No expenditure of public moneys will be involved if the provisions of this Bill become law

- 5 Each purchaser shall on paying the deposit inform the auctioneer of the name or names of the person or persons on whose behalf the plot is purchased. The grant will be issued in accordance with this information.
- 6 The balance of the purchase money shall be paid to the District Commissioner, Nairobi, within seven days of the sale.
Provided that the balance of the purchase money shall not be payable within the period stated or thereafter unless and until the Commissioner of Lands can present to the purchaser the grant of the plot duly executed.
And further provided that, if the purchaser so elects, the balance of the purchase money may be paid in three equal instalments, subject to interest at the rate of 5 per cent per annum on the outstanding balance, the first of such instalments to be paid, together with the interest that shall have accrued due, on the 1st January, 1939, and thereafter instalments and interest to be paid on the 1st January in each year.

Upon these payments being duly made, the purchaser shall, subject to the provisions of the Crown Lands Ordinance (Chapter 140, Revised Edition), and to the

conditions of sale having been complied with, be entitled to a grant of the plot which grant shall be presented to him as soon as conveniently may be.

10 Within four years of the commencement of his grant, the grantee shall submit to the Town Clerk, Nairobi, a plan of the building it is proposed to erect, and shall state in writing the period within which the proposed building shall be completely erected, such period to be within a maximum of five years from the commencement of the grant.

11 The Commissioner of Lands, or such other person as he may appoint for the purpose, shall within one month of the approval of the plan by the Nairobi Municipal Council, notify the grantee of his approval or otherwise of the plans, and shall also notify the date by which such buildings shall be erected.

Provided that if the grantee shall receive no intimation from the Commissioner within one month of the date on which the plans have been approved by the Nairobi Municipal Council, he may proceed with the erection of the building in accordance with the plans submitted, and the Commissioner shall not have the power to cause to be made any alteration or variation in the plan or the date.

12 Subject to the proviso contained in Clause 11 hereof, no building shall be erected on the plot unless plans (including a block plan showing the position of the buildings), drawings, elevations and specifications thereof shall have been previously approved by the Commissioner of Lands or such other person as he may appoint. Such plans, etc., shall be submitted in triplicate to the Town Clerk, Nairobi, for necessary action.

13 The grantee shall not at any time subdivide the plot or assign any such subdivision without the consent in writing of the Governor.

14 At no time during the term of the grant shall the plot or any portion thereof or any building erected on the plot be used for the purpose of carrying on any trade or business which has been or may be declared to be dangerous or offensive by notice in the Official Gazette.

15 Verandas may be erected within a road reserve with the previous consent of the Municipal Council and must conform to a building line decided upon by the said Council.

16 The cost of the construction of tar-grouted macadam roads, appurtenant drains, murrum sidewalks, and main sewers to the Municipal Council's specification is included in the upset prices of those plots that are not served by constructed roads, and these will be constructed without additional charge to the grantees, when in the opinion of the Municipal Council necessity exists.
