Sub-paragraph A (g) of paragraph (1) of section 46 of the Principal Ordinance, which it is proposed to delete —

46 The commanding officer shall, upon an investigation being had of a charge made against a person subject to this Ordinance of having committed an offence under this Ordinance, dismiss the charge, if he in his discretion thinks that it ought not to be proceeded with, but where he thinks the charge ought to be proceeded with, he may take steps for bringing the offender to a court-martial or in the case of a soldier or a follower he may deal with the case summarily

Where he deals with the case summarily—

Colony and Protectorate of Kenya

GOVERNMENT NOTICE No 169

His Excellency the Governor in Council has approved of the following Bill being introduced into the Legislative Council

R W BAKER-BEALL,
Acting Clerk to the Legislative Council

A Bill to Amend the King's African Rifles Ordinance, 1932

BE IT ENACTED by the Governor of the Colony of Kenya, with the advice and consent of the Legislative Council thereof, as follows —

1 This Ordinance may be cited as the King's African Rifles (Amendment) Ordinance, 1938, and shall be read as one with the King's African Rifles Ordinance, 1932, hereinafter referred to as the Principal Ordinance, and shall come into force on such date as the Governor may by notice in the Gazette appoint

Short title and commencement

No 48 of 1932

2 Section 46 of the Principal Ordinance is hereby amended by deleting therefrom sub-paragraph A (g) of paragraph (1) thereof

Amendment of section 46 of the Principal Ordinance

inhabitants of the country, and provided further that each case in which corporal punishment is awarded shall be reported at the time by the Brigade Commander to the Governor with a statement of the circumstances.

Sub-section (1) of section 81 of the Principal Ordinance which it is proposed to amend —

Discharge when
unfit for service
or on being
dismissed

81 (1) A locally enlisted British warrant or non-commissioned officer may be discharged by his commanding officer at any time during the currency of any term of engagement—

- (a) when pronounced by the medical officer mentally or physically unfit for further service,
- (b) when sentenced to be dismissed the regiment for misconduct,
- (c) on reduction of establishment

- 3** Sub-section (1) of section 81 of the Principal Ordinance is hereby amended—
- (a) by substituting the words “the Brigade Commander” for the words “his commanding officer” which occur in the second line thereof,
 - (b) by substituting a semi-colon for the full stop which occurs at the end of paragraph (c) thereof, and
 - (c) by adding, immediately after paragraph (c) thereof, the following new paragraph —
“(d) for inefficiency ”

Amendment of
section 81 (1) of
the Principal
Ordinance

- 4** The Principal Ordinance is hereby amended by inserting therein, immediately after section 85 thereof, the following new section —

Amendment of
the Principal
Ordinance

“85A Where a soldier who has been awarded a medal for long service and good conduct is discharged, he shall be granted a gratuity of five pounds, and in the event of the death of any such soldier while still serving, such gratuity shall be paid to, or for the benefit of, the widow or widows, or child or children, or any next-of-kin of the soldier, on such conditions, and, if to or for the benefit of more than one person, in such proportions, as to the Governor shall seem fit ”

Gratuity to
holder of long
service and good
conduct medal

OBJECTS AND REASONS

Clause 2 of this Bill deletes the provision which empowers Commanding Officers to award corporal punishment to African soldiers, as it is considered advisable that this power shall, in future, be confined to courts martial

Clause 3 transfers to the Brigade Commander the power of discharging a locally enlisted British warrant or non-commissioned officer which is at present vested in the Commanding Officer, and includes inefficiency as one of the grounds on which such British warrant or non-commissioned officer may be discharged

Clause 4 transfers from the King's African Rifles Regulations to the Ordinance authority for payment of gratuities to soldiers who have been awarded the long service and good conduct medal

No expenditure of public moneys will be involved if the provisions of this Bill become law

Section 5 of the Principal Ordinance which it is proposed to amend —

New tables and instructions not to apply to pensions payable before 1st July, 1936

5 This Ordinance shall have effect as from the first day of July, 1936, and shall apply to any pension payable in respect of a contributor dying on or after that date, but not to any pension payable in respect of a contributor dying before that date in which case the Tables and Instructions repealed and replaced by this Ordinance shall continue to apply

GOVERNMENT NOTICE No 170

His Excellency the Governor in Council has approved of the following Bill being introduced into the Legislative Council

R W BAKER-BEALL,
Acting Clerk to the Legislative Council

**A Bill to Amend the Widows' and Orphans' Pension
(Amendment) Ordinance, 1937**

BE IT ENACTED by the Governor of the Colony of Kenya, with the advice and consent of the Legislative Council thereof, as follows —

1 This Ordinance may be cited as the Widows' and Orphans' Pension (Amendment) Ordinance, 1938, and shall be read as one with the Widows' and Orphans' Pension (Amendment) Ordinance, 1937, hereinafter referred to as the Principal Ordinance

Short title

No 3 of 1937

2. Section 5 of the Principal Ordinance is hereby amended by substituting a colon for the full stop which appears at the end thereof, and by adding, immediately after such colon, the following proviso —

Amendment of
section 5
of the
Principal
Ordinance

“Provided that where the operation of the Tables included in this Ordinance would have the effect of reducing the amount of any pension payable in respect of an officer who is a contributor at, and who married before the 1st day of July, 1936, the Tables repealed and replaced by this Ordinance shall continue to apply as if this Ordinance had not been enacted”

OBJECTS AND REASONS

It has been found that the application of the new tables introduced in Ordinance No III of 1937 to some officers who joined the scheme as bachelors and married after reaching the age of 49 is prejudicial to them and that it would be to their advantage if the position had remained as it was before the enactment of the Ordinance referred to

The proviso now proposed is intended to safeguard the position of those officers. The expenditure of public money which will be involved if the provisions of this Ordinance become law will be negligible
