Plans of the plots may be seen at the Public Map Office attached to the Survey and Registration Division, Nairobi, and at the Land Office, Mombasa, or may be had on application to the Director of Surveys, P.O. Box 89, Nairobi, on payment of Sh 3, post free.

The right to withdraw any plot from the auction is reserved to the Commissioner of Lands.

CONDITIONS OF SALE

(a) Auction

1 Plots 60, 61, 64 and 65 will be auctioned separately and plots 62 and 63 as one block together with the building erected and standing thereon.

2 The amount of the advance of each bid will be regulated by the auctioneer and no bidding shall be retracted.

3 The highest bidder will be the purchaser, but if any dispute arise as to any bid, the plot will be reoffered at the last undisputed bid.

4 Each purchaser shall pay to the auctioneer immediately on the fall of the hammer, a deposit of 25 per cent of the purchase money. In default of such payment the plot may be immediately reoffered for sale, and any subsequent bid by the person who has made default may be ignored or refused.

5 Each purchaser shall on paying the deposit inform the auctioneer of the name or names of the person or persons on whose behalf the plot is purchased, the grant will be issued in accordance with this information.

6 The balance of the purchase money, together with the rent due to the 31st December, 1938, and the survey fees (Sh 70 per plot) shall be paid to the District Surveyor, P.O. Box 95, Mombasa.

The fees payable for the preparation and registration of the grant (Sh 120) and the stamp duty payable in respect of the grant (approximately 2 per cent on the purchase price and on the rent), and all other expenses, if any, shall be paid to the Registrar of Titles, Mombasa.

All these amounts shall be paid within seven days of a demand being made therefor.

Upon such payments being duly made, the purchaser shall, subject to the provisions of the Crown Lands Ordinance (Chapter 140, Revised Edition), and to the Conditions of Sale having been complied with, be entitled to a grant of the plot, which grant shall be presented to him duly executed as soon as conveniently may be.

Provided that the balance of the purchase money shall not be payable within the time stated or thereafter, unless and until the Commissioner of Lands can present to the purchaser the grant duly executed.

7 Subject to the proviso contained in Condition No 6, if the amounts therein mentioned are not paid as therein laid down within seven days of a demand being made therefor, the Commissioner of Lands may order

the deposit made by the purchaser to be forfeited, and the purchaser shall have no further claim to the grant of the plot.

(b) General

1 The Government or such person or authority as may be appointed for the purpose shall have the right to enter upon any plot and lay and have access to water mains, service pipes, telegraph or telephone wires, and electric mains of all descriptions, whether overhead or underground, and the grantees shall not erect any building in such a way as to cover or interfere with any existing routes, main or service pipes or the telegraph or telephone wires and electric mains aforementioned.

2 No building shall be erected on any plot unless plans (including block plans showing the position of the buildings), drawings, elevations and specifications thereof shall have been previously approved by the Municipal Board of Mombasa and by the Commissioner of Lands or such other person as he may appoint. Such plans, etc., shall be submitted in triplicate to the Municipal Engineer, Mombasa, for necessary action.

3 Grants will be made subject to the Crown Lands Ordinance (Cap 140), and titles will be issued under the Registration of Titles Ordinance. The term of the grants will be 99 years from the 1st day of July, 1938.

4 The grantee of plots 61, 62, 63 and 64 may at any time during the currency of the grant redeem up to three-quarters of the rent of the plot as shown in the Schedule on the basis of twenty years purchase. The grantee of plots 60 and 65 may similarly redeem up to one-half of the rent.

5 The grantee shall not at any time subdivide the plot or assign, sublet or otherwise dispose of any portion of the plot without the previous written consent of the Governor.

6 Any building erected shall conform to a building line decided upon by the Municipal Board.

7 Roads and drains will be provided without extra charge to the plot-holder when in the opinion of the Municipal Board construction is required.

8 Under the provisions of section 60 (b) of the Crown Lands Ordinance, the grantee will be required to pay Municipal rates upon the whole of the rateable interest and Government's contribution in lieu of rates assessed on the plot. A clause will therefore be embodied in the grant providing for the necessary adjustment between the grantee and Government.

(c) Special

1 Each purchaser of a plot shall erect within two years of the commencement of his grant a building of approved design constructed of stone, burnt brick or concrete, on proper foundations.

2 No building shall at any time during the term of the grant be used for any other purpose than a dwelling-house.
