GENERAL NOTICE No. 909

THE TRANSPORT LICENSING ORDINANCE, 1937

IT is hereby notified for general information that His Excellency the Governor in Council has decided, on the recommendation of the Transport Licensing Board, to postpone the coming into force of section 4 of the Transport Licensing Ordinance, 1937, from 1st July, 1938, to 1st January, 1939.

The effect of this postponement will be that the obligation to have vehicles and ships licensed under this Ordinance will not now arise until 1st January, 1939.

The postponement has been necessitated by the unexpectedly large number of objections which have been received. In order to investigate such objections fully, and also to give the applicants who are affected an opportunity of replying thereto, it will be necessary for the Board to hold lengthy sessions, possibly in several different parts of the Colony, and it will consequently be impossible for the Board to complete the task of adjudication in sufficient time for all licences to be issued by 1st July, 1938.

In view of the fact, therefore, that some postponement is inevitable, and since inconvenience and hardship might be caused to members of the public if they were required to obtain licences for the last few months of 1938 and immediately afterwards to submit fresh applications for 1939, it has seemed best to postpone the application of section 4 until the beginning of 1939.

Communications will be sent in due course to all existing applicants, informing them that their applications for 1938 will, if desired, be treated as applications for 1939.

With regard to the comparatively small number of cases in which fees have already been paid for "C" licences for 1938, the licensees will be given the option of having their money refunded to them immediately, or of leaving it on deposit pending the result of their applications for 1939.

It is proposed to fix 15th August, 1938, as the latest date for submitting any further applications for 1939.

A. PHILLIPS,
*for Chairman,
Transport Licensing Board.*
