Short title
No 46 of 1934

2 Section 3 of the Principal Ordinance is hereby amended by substituting the words "three thousand and eight hundred" for the words "one thousand" which appear in the last line of sub-section (3) thereof

section 15 of the
Principal
Ordinance

OBJECTS AND REASONS

In view of the continuance of the International Tea Restriction Scheme for a further five year period ending the 31st March, 1943, it is necessary to make provision for the grant of licences to plant tea to the extent of the additional acreage available to Kenya for this period

Section 3 of the Principal Ordinance provides that the total area of land in the Colony for which licences to plant may be issued shall not exceed one thousand acres. Licences for this area were granted during the first restriction period. So far as can be determined at the present time, the extension acreage available for Kenya during the second restriction period will not exceed two thousand eight hundred acres. Clause 2 of the Bill is designed to permit the grant of licences in respect of such acreage as may be finally determined for Kenya within this maximum for the second restriction period.

No expenditure of public moneys will be involved if the provisions of this Bill become law

Section 3 of the Principal Ordinance which it is proposed to amend —

When the Governor in Council proposes to nominate a person to the Licensing Authority he shall, before making the nomination, require such person to declare whether he has any, and if so what, financial interest in any transport undertaking operating in the Colony

(2) Any person who obstructs any police officer or duly authorized person in the exercise of the powers conferred on such police officer or such authorized person by this section, or fails to comply with any lawful order given by such police officer or such authorized person or refuses to give any information when requested so to do by such police officer or such authorized person shall be guilty of an offence under this Ordinance

- (c) by deleting therefrom the words "or duly authorized person" which appear in the first and second lines of sub-section (2) thereof

OBJECTS AND REASONS

The object of this Bill is to make the following amendments to the Transport Licensing Ordinance, 1937

Clause 2—The Principal Ordinance provides that the Attorney General shall be chairman of the Board. It is considered preferable to exclude any reference to the Attorney

General in the Ordinance and to provide that the Governor in Council may appoint any person to be chairman

The other amendments proposed in this Clause, except paragraph (i) which is designed to make provision for the appointment of a substitute member when a member is temporarily absent from the Colony, are consequential

Clause 3 —Section 12 of the Principal Ordinance gives certain protection to existing interests so far as vehicles requiring A or B licences and ships requiring Inland Water Transport licences, are concerned, but no such protection is afforded to passenger-carrying vehicles which, under the provisions of the Ordinance, are required to have a road service licence. The Secretary of State is of the opinion that such passenger-carrying vehicles should in this respect be treated on an equal footing with goods-carrying vehicles, and the Transport Licensing Board, to which body the matter was referred, is of the same opinion. This Clause is therefore designed to bring passenger-carrying vehicles within the protection afforded to existing interests by section 12 of the Principal Ordinance. The amendment to section 12 (3) is merely to give effect to the decision to defer the introduction of section 4 of the Ordinance until 1st January, 1939

Clause 4 —This amendment rectifies a drafting omission in the Principal Ordinance

Clause 5 —The object of this amendment is to limit the power of stopping vehicles to police officers in uniform. Both the Secretary of State and the Transport Licensing Board are of the opinion that this power should be limited to such police officers, since otherwise the driver of a vehicle when signalled to stop would not be in a position to know whether he was required by law to stop or, indeed, whether it would be prudent for him to do so

No expenditure of public moneys will be involved if the provisions of this Bill become law
