GOVERNMENT NOTICE No. 22

His Excellency the Governor in Council has approved of the following Bill being introduced into the Legislative Council.

R. P. ARMITAGE,

Acting Clerk to the Legislative Council.

A Bill to Amend the Non-European Officers' Pensions Ordinance, 1932

BE IT ENACTED by the Governor of the Colony of Kenya, with the advice and consent of the Legislative Council thereof, as follows:—

Short title.

No. 53 of 1932.

War service to count for pension purposes.

1. This Ordinance may be cited as the Non-European Officers' Pensions (War Service) Ordinance, 1941, and shall be read as one with the Non-European Officers' Pensions Ordinance, 1932, hereinafter referred to as the Principal Ordinance.

2. Where a non-European officer shall have served with His Majesty's Forces in time of war, with the approval of the Governor of the territory in the service of which he was last employed before so serving or of the Secretary of State, the following provisions shall have effect:—

- (1) during the period of such service in His Majesty's Forces, including any period after the termination of the war (in this section referred to as "military service"), he shall be deemed, for the purposes of the Principal Ordinance, to have been on leave on full salary from the public service in which he was last employed, and to have held the substantive office last held by him in that service, prior to military service; 10
- (2) during any period between his leaving the public service for the purpose of serving in His Majesty's Forces and the date of his commencing military service, he shall, for the purposes of the Principal Ordinance, be deemed to be on leave without pay, not granted on grounds of public policy, from the public service in which he was last employed and to have held the substantive office last held by him in that service, prior to military service; and during any period between the termination of his military service and the date of his re-entering the public service he shall, for the said purposes, be deemed to be on leave as aforesaid from the service, and to have held the substantive office, in which he is re-employed: 20 25 30

Provided that—

- (a) this section shall not apply when either period mentioned in paragraph (2) of this section exceeds three months, or such longer period as the Governor, with the 35

5 approval of the Secretary of State, may in
any special case determine; or if the officer
fails, after serving with His Majesty's
Forces, to re-enter the public service other-
wise than in circumstances in which he
would be permitted, under the law applic-
able to the public service in which he is
last employed prior to military service, to
10 retire on pension or gratuity, such circum-
stances arising not later than the expiration
of three months, or such longer period as
may be determined as aforesaid after the
termination of his military service;

15 (b) if during any period mentioned in paragraph
(1) of this section the officer shall have
qualified for pension, or received emolu-
ments in lieu of pension rights, actually in
respect of military service, paragraph (1)
of this section shall, as respects that period,
20 have effect as if the words "leave without
salary not granted on grounds of public
policy" were substituted for the words
"leave on full salary";

25 (c) if during his military service the officer shall
be injured or killed he shall not, for the
purposes of section 18 of the Principal
Ordinance and Regulation 10 of the Regu-
lations contained in the Schedule to the
Principal Ordinance, be deemed to have
30 been injured or killed in the discharge of
his duty;

(d) the provisions of this section which require
that the officer shall be deemed to have held
a specified office and to have been on leave
35 from a specified service shall not apply in
respect of any period during which he shall
actually have held any other substantive
office and have been on leave from any
public service;

40 (e) save where in any particular case the
Governor otherwise directs, this section
shall not apply where the office in the
public service last held by the officer prior
to military service was not a pensionable
office.

OBJECTS AND REASONS

This Bill provides that the time spent by non-European officers on war service will count as service on full pay for the purposes of pension.

No additional expenditure of public moneys will be involved if the provisions of this Bill become law.
