CONDITIONS OF SALE

(a) Auction

1. Each plot will be auctioned separately.
2. The amount of the advance of each bid will be regulated by the auctioneer, and no bidding shall be retracted.
3. The highest bidder will be the purchaser, but if any dispute arise as to any bid, the plot will be re-offered at the last undisputed bid.
4. Each purchaser shall pay to the auctioneer immediately on the fall of the hammer, a deposit of 25 per cent of the purchase money. In default of such payment, the plot may be immediately reoffered for sale, and any subsequent bid by the person who has made default may be ignored or refused.
5. Each purchaser shall on paying the deposit inform the auctioneer of the name or names of the person or persons on whose behalf the plot is purchased; the grant will be issued in accordance with this information.
6. The balance of the purchase money and the roads and drains contribution, together with the rent due to the 31st December, 1941, the survey fees, the fees payable for the preparation and registration of the grant (Sh. 120) and the stamp duty payable in respect of the grant (approximately 2 per cent on the purchase price and on the rent) and all other expenses, if any, shall be paid to the Commissioner of Lands, Nairobi.

All these amounts shall be paid within seven days of a demand being made therefor.

Upon such payments being duly made, the purchaser shall, subject to the provisions of the Crown Lands Ordinance (Chapter 140, Revised Edition), and to the Conditions of Sale having been complied with, be entitled to a grant of the plot, which grant shall be presented to him duly executed as soon as conveniently may be.

Provided that the balance of the purchase money shall not be payable within the time stated or thereafter, unless and until the Commissioner of Lands can present to the purchaser the grant duly executed.

7. Subject to the proviso contained in Condition No. 6, if the amounts therein mentioned are not paid as therein laid down within seven days of a demand being made therefor, the Commissioner of Lands may order the deposit made by the purchaser to be forfeited, and the purchaser shall have no further claim to the grant of the plot.

(b) General

2. No building shall be erected on any plot unless plans (including block plans showing the position of the buildings), drawings, elevations and specifications thereof shall have been previously approved by the Authority, and by the Commissioner of Lands, or such other person as he may appoint. 4. The grantee may at any time during the currency of the grant redeem up to three-quarters of the rent of the plot as shown on the Schedule on the basis of twenty years' purchase.

At no time during the term of the grant shall any plot in Schedules 3, 4, 5 and 6 or any portion thereof, or any building erected on the plot be used for the purpose of carrying on any trade or business which has been or may be declared to be dangerous or offensive by notice in the Official Gazette.

10. Verandahs may be erected on plots in Schedules Nos. 3, 4, 5 and 6 within a road reserve with the previous consent of the Authority and must conform to a building line decided upon by such Authority.

11. In no case shall the area of any plot specified in Schedules Nos. 3, 4, 5 and 6 used solely for business purposes required to remain unbuilt on be less than

300 square feet or 10 per cent of the area whichever is the greater, and the said area shall be free from any erection thereon above the level of the ground except latrine accommodation constructed in accordance with all laws and by-laws in force relating thereto, and in accordance with a design approved by the Authority.

Such open space shall be at the rear of the building, and shall extend along the entire width of the building, or for a distance of not less than 30 feet whichever shall be the less, and the distance across such open space from every part of the building to the rear boundary of the plot shall be not less than 10 feet.

12. Each purchaser of a plot in Schedules Nos. 1, 2, 3 and 4 shall erect within two years of the commencement of his grant a building of approved design constructed of stone, burnt brick or concrete on proper foundations.

Under the provisions of section 60(b) of the Crown Lands Ordinance grantees of all the plots will be required to pay municipal rates upon the whole of the rateable interest assessed on these plots. A clause will, therefore, be embodied in each grant providing for the necessary adjustment between the grantee and Government.
