GOVERNMENT NOTICE No. 684

His Excellency the Governor in Council has approved of the following Bill being introduced into the Legislative Council.

R. P. ARMITAGE,
Acting Clerk to the Legislative Council.

A Bill to Amend the Stock and Produce Theft (Levy of Fines) Ordinance, 1933

BE IT ENACTED by the Governor of the Colony of Kenya, with the advice and consent of the Legislative Council thereof, as follows:—

Short title.

1. This Ordinance may be cited as the Stock and Produce Theft (Levy of Fines) (Amendment) Ordinance, 1941, and shall be read as one with the Stock and Produce Theft (Levy of Fines) Ordinance, 1933, hereinafter referred to as the Principal Ordinance.

No. 18 of 1933.

5

Amendment of
section 10 of the
Principal
Ordinance.

2. The Principal Ordinance is hereby amended—

(a) by renumbering section 10 thereof as section 10 (1);
and

(b) by adding to section 10 thereof the following new sub-section:—

10

No. 11 of 1930.

“(2) A subordinate court of the first class may, subject to the provisions of section 7 of the Criminal Procedure Code, try offences under this section.”

OBJECTS AND REASONS

The unintended effect of the Criminal Procedure Code (Amendment) Ordinance, 1939, which came into force on the 1st June, 1941, is that magistrates have no jurisdiction to deal with offences under section 10 of the Stock and Produce Theft (Levy of Fines) Ordinance, 1933. That section reads as follows:—

“If any stock is found in the possession or on the premises of any person in a proclaimed district in circumstances which may reasonably lead to the belief that such stock has been stolen, such person shall be deemed to have stolen the same and shall, unless he proves affirmatively (the onus being on him) that the possession was lawful, be liable to the penalties prescribed for theft.”

The object of this Bill is to restore to first class magistrates the power to try offences brought under that section.

No expenditure of public moneys will be involved if the provisions of this Bill become law.

Conditions of Sale and Grant

1. Sealed tenders marked "Tender for Molo Plot" must be deposited with the undersigned before noon on Saturday, the 23rd August, 1941.

2. No tender of less than the reserve price as shown in the Schedule will be considered. The lowest or any tender will not necessarily be accepted.

3. The successful tenderer shall pay to the Commissioner of Lands within seven days of the acceptance of his tender 25 per cent of the purchase money, by way of a deposit, together with the rent due to the 31st December, 1941. In default of such payment the sale may be cancelled.

4. The balance of the purchase money, the roads and drains contribution, the survey fees (Sh. 80), the fees payable for the preparation and registration of the grant (Sh. 120), the stamp duty payable in respect of the grant (approximately 2 per cent on the purchase price and on the rent) and all other expenses (if any) shall be paid to the Commissioner of Lands within seven days of a demand for payment being made. If these amounts be not paid within the time stated the Commissioner of Lands may order the deposit to be forfeited and the successful tenderer shall have no further claim to a grant of the plot.

5. The grant will be made under the Crown Lands Ordinance and the title will be issued under the Registration of Titles Ordinance. The term of the grant will be 25 years from the 1st September, 1941, provided that if at any time during the term of the grant a main building of approved design constructed of stone, burnt brick or concrete on proper foundations be erected on the plot, the grantee shall be entitled to an extension of the term of the grant to 99 years from the 1st September, 1941.

6. No building erected on the plot shall at any time during the term of the grant be used for any other purpose than a dwelling-house.

7. At no time during the term of the grant shall more than one dwelling-house with the necessary offices and outbuildings be erected on the plot without the consent of the Governor.

8. The grantee shall not at any time during the term of the grant erect any building or buildings so as to cover more than one half of the area of the plot.

9. The grantee shall erect within two years of the commencement of his grant a building of approved design constructed of stone, burnt brick, concrete or wood and iron on proper foundations.

10. All outbuildings, offices, etc., shall be properly sited and screened from view to the satisfaction of the Authority or such other person as may be appointed and shall be kept so screened during the term of the grant.

11. No building shall be erected on the plot unless plans (including block plans showing the position of the buildings), drawings, elevations and specifications thereof shall have been previously approved by the Authority, and by the Commissioner of Lands or such other person as he may appoint. Such plans, etc., shall be submitted in triplicate to the District Commissioner, Nakuru, for necessary action.

12. The Government or such person or authority as may be appointed for the purpose shall have the right to enter upon the plot and lay and have access to water mains, service pipes, telegraph or telephone wires, and electric mains of all descriptions, whether overhead or underground, and the grantee shall not erect any building in such a way as to cover or interfere with any existing routes, main or service pipes or the telegraph or telephone wires and electric mains aforementioned.

13. The grantee may at any time during the currency of the grant redeem up to three-quarters of the rent of the plot as shown in the Schedule on the basis of twenty years purchase.

14. The grantee shall not at any time sub-divide the plot, or assign, sub-let or otherwise dispose of any portion of the plot without the previous written consent of the Governor.

15. Any building erected shall conform to a building line decided upon by the Authority.

16. The grantee of the plot will be required to pay municipal rates upon the whole of the rateable interest and Government's contribution in lieu of rates assessed on the plot. A clause will, therefore, be embodied in the grant providing for the necessary adjustment between the grantee and Government.
