We have audited the Accounts as kept by the Supply Board Meat Control for the six months ended 30th June, 1941. Messrs. Dalgety & Company, Limited, carried out a monthly check, and we have taken advantage of their work and have accepted their certificate in respect of the work carried out by them.

It should be noted that the Fixed Assets—Buildings, Furniture and Fittings, Camp Equipment, Slaughter Equipment, Officers' Mess Furniture and Fittings, and Vehicles have all been written off the books.

In our opinion, the Balance Sheet sets out a true position of the Supply Board Meat Control, according to the best of our information and the explanations given to us and as shown by the books.
