## GOVERNMENT NOTICE No. 932

His Excellency the Governor in Council has approved of the following Bill being introduced into the Legislative Council.

R. P. ARMITAGE,  
*Acting Clerk to the Legislative Council.*

### A Bill to Provide for the Control of Grass Fires

BE IT ENACTED by the Governor of the Colony of Kenya, with the advice and consent of the Legislative Council thereof, as follows:—

Short title and commencement.

1. This Ordinance may be cited as the Control of Grass Fires Ordinance, 1941, and shall come into operation on such date as the Governor may, by notice in the Gazette, appoint.

Interpretation.

2. In this Ordinance, unless the context otherwise requires—

“Director” means the Director of Agriculture or any person deputed by him to act in his stead;

“firebreak” means a strip of land not less than 30 feet on either side of a boundary, whether under trees or not, which has been cleared of inflammable matter to prevent the spread of fire;

“local authority” means—

(a) in the case of any municipality established under the jurisdiction of a Municipal Council or Board, the Municipal Council or Board of such Municipality as constituted under the provisions of the Local Government (Municipalities) Ordinance, 1928;

No. 19 of 1928.

(b) in the case of any area under the jurisdiction of a District Council established under the provisions of the Local Government (District Councils) Ordinance, 1928, the District Council;

No. 21 of 1928.

(c) in the case of any area in which a Local Native Council has been established under the provisions of the Native Authority Ordinance, 1937, such Local Native Council;

No. 2 of 1937.

(d) in the case of any township established under the Townships Ordinance, 1930, the District Commissioner;

No. 62 of 1930

(e) in the case of any other area, the District Commissioner or such person, body of persons or authority as the Governor may by notice in the Gazette appoint to be the local authority for the purposes of this Ordinance;

“native areas” means native lands, native reserves, temporary native reserves and native leasehold areas as defined in section 3 of the Native Lands Trust Ordinance, 1938;

No. 28 of 1938

“owner or occupier” in relation to any land includes any person who is for the time being managing a farm on such land;

“vegetation” includes any tree and any part thereof, any bush, shrub, brushwood, undergrowth, grass, crops, stubble and any other vegetation.

Burning of vegetation without authority.

3. (1) No person shall set fire to any vegetation which is not his property unless he has lawful authority so to do.

(2) No person shall wilfully or negligently kindle any fire which by spreading may damage or destroy the property of any other person.

4. (1) Save in native areas, every person, before proceeding to burn vegetation upon his own land or upon land on which he is permitted or authorized to burn vegetation, shall give at least two days' notice in writing of his intention to do  
 5 so to all owners or occupiers of adjoining land which is within half a mile of the land on which the burning is to take place. Such notice shall be delivered by hand and shall be deemed to commence from the time when it is received by the person to whom it is addressed, or any servant or agent of his, and  
 10 shall state as nearly as possible the time at which the burning will take place:

Notice to be given before burning vegetation.

Provided that in the case of native areas no person shall burn growing or standing vegetation within half a mile of any land situate in any non-native area unless such person  
 15 shall give two days' notice to the owner or occupier of such land in the non-native area, which notice need not be in writing.

(2) If a fire lawfully kindled after notice given in terms of the preceding sub-section spreads to adjoining land, the  
 20 fact that such notice was given—

(a) shall to the person who kindled or was responsible for kindling such fire be a sufficient defence to any charge of contravening the provisions of section 3 of this Ordinance, unless it is proved that he wilfully  
 25 or by the negligence of himself, his servants or agents, caused or permitted such fire to spread across his boundaries to such adjoining land; but

(b) shall not affect the right of any person aggrieved to receive damages for any loss sustained by him as  
 30 the result of such fire.

5. (1) The Director may by order prohibit the burning of vegetation, except between the hours of 5 p.m. and 5 a.m.

Power to prohibit burning of vegetation.

(2) Any such order shall specify the place or area within which, and the purposes for which, such prohibition is to  
 35 remain in force and shall be published in the Gazette and one newspaper circulating in such place or area at least fourteen days prior to the commencement of such prohibition.

6. (1) No servant of the owner or occupier of any land shall burn any vegetation thereon except with the consent  
 40 and under the personal direction of such owner or occupier or such person as may be authorized by such owner or occupier.

Burning of vegetation by servants.

(2) Any person who contravenes the provisions of the preceding sub-section shall be guilty of an offence against  
 45 this Ordinance.

(3) For the purpose of this section "servant" includes a resident labourer as defined in the Resident Labourers Ordinance, 1937, and all the members of the family of such resident labourer.

No. 30 of 1937.

7. (1) (a) Any owner or occupier of land, and, in the case of native areas, the appropriate native authority, who desires to guard against fires spreading beyond the boundaries of such land may call upon the owner or occupier of any adjoining land and, in the case of native areas, the appropriate  
 55 native authority, on the boundaries of which sufficient firebreaks have not been provided and maintained, to construct and maintain half the firebreak on his side of the common boundary or to contribute one half of the labour or cost necessary to provide and maintain sufficient firebreaks on their common boundaries or at such other points as shall  
 60 be mutually agreed upon for the protection of the property.

Firebreaks.

(b) Any person so called upon may appeal to the Director on the ground that it is unnecessary to provide and maintain such firebreaks, and the decision of the Director on such appeal shall be final.

(2) Subject to the provisions of paragraph (b) of the preceding sub-section, if any person so called upon refuses or neglects to contribute as required by the provisions of the preceding sub-section, the person so calling upon him shall be entitled to—

(a) enter upon the land of such first-mentioned person, without being answerable or chargeable with any act of trespass, and may construct and maintain such firebreak; and

(b) recover from such first-mentioned person half the cost of such construction and maintenance.

(3) (a) If any firebreak is of the width required by the definition of "firebreak" in section 2, but its sufficiency for the purposes of this section is disputed on the ground that such firebreak is not so cleared of inflammable matter as to prevent the spread of fire, the dispute shall be referred to the Director, and his decision thereon shall be final.

(b) If the decision of the Director is that any such firebreak has not been so cleared of inflammable matter as to prevent the spread of fire, he may give such written directions to the person in default as, in the opinion of the Director, are necessary, and any such person failing to carry out such directions shall be liable to a fine of twenty shillings for every day during which such default continues.

Restrictions as to removal of bees and honey from land.

8. No person shall take or remove honey or bees from or place beehives on the land of another without the consent of the owner or occupier thereof:

Provided that the provisions of this section shall not be deemed to apply to the Turkana or Northern Frontier Extra Provincial Districts.

Engagement of fire rangers.

9. A local authority, for the purpose of controlling grass fires within the area under its jurisdiction, may engage such number of fire rangers as the local authority may think fit, who shall be remunerated out of the revenue of the local authority.

State of danger.

10. (1) The Governor may proclaim a state of danger in respect of any area.

(2) Upon a state of danger being proclaimed the local authority having jurisdiction in such area shall be empowered to prohibit by order the burning of vegetation within the whole or any part of such area for such period as it may think fit during the continuance of the state of danger.

Refusal to assist in putting out fire.

11. (1) Any owner or occupier on whose land a fire is burning, and who has good reason to believe that such fire may become dangerous to life or property, may require any person present at or in the vicinity of such fire to render assistance, or to do any act or perform any service as may reasonably be considered necessary or expedient to control or extinguish or prevent the spread of such fire; and any person who fails to comply with such requirement shall be guilty of an offence.

(2) Any person acting in good faith may either alone or with persons under his control enter upon any land for the purpose of extinguishing a fire which he has good reason to believe is not under control or may become dangerous to life or property.

Protection of life, person or property by counter-firing.

12. Nothing in this Ordinance contained shall be deemed to prohibit any person, when his life, person or property is in danger of loss or injury from an approaching

fire, from setting alight to and burning vegetation, in the manner commonly known as counter-firing, in order to prevent such loss or injury:

Provided that he shall take reasonable care that the fire  
5 so kindled does not spread beyond the limits necessary to secure him from such loss or injury.

13. If any servant, when acting under the direction or command of his employer, by any act or omission contravenes any of the provisions of this Ordinance, or of any order  
10 made thereunder, such employer and such servant may both or either of them be prosecuted, and, if convicted, punished under this Ordinance. Liability of a servant.

14. (1) Any person found committing an offence against any of the provisions of this Ordinance may, if there are  
15 reasonable grounds for believing that he will abscond or if his name and address are unknown and cannot be ascertained, be apprehended by the owner or occupier of the land on which the offence is committed or by the servant of such owner or occupier, and such person, when so apprehended,  
20 shall be handed over to the nearest police officer without unnecessary delay. Arrest.

(2) Any offence under this Ordinance shall be cognizable to the police.

15. If any person contravenes or fails to comply  
25 with any of the provisions of this Ordinance, or of any order made thereunder, he shall be guilty of an offence against this Ordinance and shall be liable on conviction to a fine not exceeding one hundred pounds or to imprisonment for a term not exceeding six months or to both such fine and  
30 imprisonment. Penalties.

16. Nothing in this Ordinance contained shall be deemed to affect the right of any person aggrieved to receive damages by civil action for any loss sustained by him. Civil remedy preserved.

17. The Careless Use of Fire Prevention Ordinance (Chapter 76 of the Revised Edition) is hereby repealed. Repeal.

#### OBJECTS AND REASONS

This Bill repeals the Careless Use of Fire Prevention Ordinance (Chapter 76) which is out of date.

The principal changes in the law are—

(a) Clause 4, which provides for notice to be given to owners or occupiers of adjoining lands before growing or standing vegetation is burned;

(b) Clause 6, which makes it a special offence for servants, including resident labourers and members of their families, to set fire to vegetation on the land of their employers except under supervision;

(c) Clause 7, which provides that any owner or occupier of land may call upon the owner or occupier of adjoining land to contribute one-half of the labour or cost necessary to provide and maintain firebreaks on their common boundary;

(d) Clause 9, which empowers a local authority to engage fire rangers;

(e) Clause 10, which empowers a local authority to prohibit the burning of vegetation within any area in respect of which the Governor has proclaimed a state of danger;

(f) Clause 11, which makes it an offence for any person who is in the vicinity of a fire to refuse assistance if called upon to do so by the owner or occupier on whose land the fire is burning.

It is not possible to estimate what expenditure of public moneys will be involved if the provisions of this Bill become law.

## GOVERNMENT NOTICE No. 933

His Excellency the Governor in Council has approved of the following Bill being introduced into the Legislative Council.

R. P. ARMITAGE,  
*Acting Clerk to the Legislative Council.*

**A Bill to Amend the Kenya and Uganda Railway Ordinance, 1927**

BE IT ENACTED by the Governor of the Colony of Kenya, with the advice and consent of the Legislative Council thereof, as follows:—

Short title.

1. This Ordinance may be cited as the Kenya and Uganda Railway (Amendment) Ordinance, 1941, and shall be read as one with the Kenya and Uganda Railway Ordinance, 1927, hereinafter referred to as the Principal Ordinance.

No. 15 of 1927.

Substitution of new definition of "firebreak" in section 2 of the Principal Ordinance.

2. Section 2 of the Principal Ordinance is hereby amended by the deletion of the definition of "firebreak" and the substitution of the following therefor:— 5

"'Firebreak' means a strip of land not less than 30 feet on either side of a boundary, whether under trees or not, which has been cleared of inflammable matter to prevent the spread of fire." 10

Repeal and replacement of section 70 of the Principal Ordinance.

3. Section 70 of the Principal Ordinance is hereby repealed and the following section is substituted therefor:—

Liability of High Commissioner for compensation for fires caused by sparks from locomotives.

"70. (1) No compensation shall be payable by the High Commissioner to any owner or occupier of any land contiguous to railway land adjoining a railway in respect of fires caused by sparks from locomotives to the land of such owner or occupier or to any property thereon, unless— 15

(a) he shall within fourteen days of such fire give notice to the High Commissioner of his intention to make a claim in respect thereof; and 20

(b) he shall prove that in the case of any building and any property therein damaged or destroyed by fire, such building was not within a distance of 200 feet from the railway. 25

(2) Notwithstanding anything contained in sub-section (1) of this section, when damage is caused to land contiguous to railway land or to any property thereon, other than buildings and property in such buildings within 200 feet of such railway land, by fire arising from sparks or cinders emitted from any locomotive used on a railway, the High Commissioner shall be liable, without proof of negligence, in an action for such damage brought by the owner or occupier of land contiguous to railway land, if such owner or occupier can prove that— 30 35

(a) prior to such fire he had on his land a firebreak contiguous to railway land adjoining a railway; and

(b) at the time such fire originated he had such firebreak in good condition; and 40

(c) not less than two months prior to such fire there was a similar firebreak on railway land and contiguous to his firebreak; or

- (d) not less than two months prior to such fire he had notified the High Commissioner to construct a similar firebreak on railway land and contiguous to his firebreak:
- 5        Provided that—
- (A) the liability of the High Commissioner under this sub-section shall not exceed £200;
- (B) this sub-section shall not apply unless—
- 10        (i) notice in writing of the fire having occurred and of intention to claim shall have been sent to the High Commissioner within fourteen days of the occurrence of the damage; and
- 15        (ii) particulars in writing of the damage, showing the amount of the claim in money not exceeding the said sum of £200, shall have been sent to the High Commissioner within twenty-one days of the damage;
- 20        (c) no compensation shall be payable under this section except to the owner or occupier of the land contiguous to the railway land on which the fire started."

#### OBJECTS AND REASONS

Clause 2 of this Bill brings the definition of "firebreak" into line with the definition contained in the Control of Grass Fires Bill, 1941.

2. The object of clause 3 is to provide that an owner or occupier of land which is contiguous to railway land, who has co-operated with the High Commissioner in maintaining a firebreak, shall be entitled to recover up to £200 without proof of negligence in respect of damage caused by fire due to sparks from a locomotive. This absolute liability on the part of the High Commissioner is limited by sub-section (2) to £200. If the damage caused exceeds £200, the owner or occupier can claim for the excess under sub-section (1), but in respect of the excess he will have to prove negligence. This absolute liability on the part of the High Commissioner is further limited to damage caused on the land contiguous to the railway land on which the fire started. If the fire spreads to adjoining land, even though it also is contiguous to the railway, the owner or occupier of such adjoining land must claim under sub-section (1) and prove negligence in the ordinary way.

3. The provision requiring notice of a claim, and the exemption from liability in respect of damage caused to buildings within 200 feet of the railway, which are contained in the existing section 70, are preserved.

4. No expenditure of public moneys will be involved if the provisions of this Bill become law.

## GOVERNMENT NOTICE No. 934

His Excellency the Governor in Council has approved of the following Bill being introduced into the Legislative Council.

R. P. ARMITAGE,

*Acting Clerk to the Legislative Council.*

**A Bill to Amend the Matrimonial Causes Ordinance, 1939**

BE IT ENACTED by the Governor of the Colony of Kenya, with the advice and consent of the Legislative Council thereof, as follows:—

Short title.

1. This Ordinance may be cited as the Matrimonial Causes (Amendment) Ordinance, 1941, and shall be read as one with the Matrimonial Causes Ordinance, 1939, hereinafter referred to as the Principal Ordinance.

No. 33 of 1939.

Amendment of section 15 of the Principal Ordinance.

2. Section 15 of the Principal Ordinance is hereby amended— 5

(a) by deleting therefrom the brackets and figure “(1)” which appear in the first line thereof; and

(b) by deleting therefrom sub-sections (2) and (3) thereof.

Amendment of section 20(2) of the Principal Ordinance.

3. Sub-section (2) of section 20 of the Principal Ordinance is hereby amended by substituting a full stop for the comma which appears in the third line thereof and by deleting therefrom the words— 10

“and for that purpose may direct that it shall be referred to one of the advocates of the Court to settle and approve a proper deed or instrument to be executed by all necessary parties.” 15

Amendment of section 23 of the Principal Ordinance.

4. Section 23 of the Principal Ordinance is hereby amended by substituting a comma for the semi-colon which appears in the seventh line thereof and by inserting immediately after such comma the word “or”. 20

Amendment of section 24(2) of the Principal Ordinance.

5. Sub-section (2) of section 24 of the Principal Ordinance is hereby amended by substituting a full stop for the comma which appears after the word “reasonable” in the seventh line thereof and by deleting therefrom the words— 25

“and the Court may for that purpose order that it shall be referred to one of the advocates of the Court to settle and approve a proper deed or instrument, to be executed by all necessary parties, and may, if it thinks fit, suspend the pronouncing of the decree until the deed or instrument has been duly executed.” 30

Amendment of section 28(3) of the Principal Ordinance.

6. Sub-section (3) of section 28 of the Principal Ordinance is hereby amended—

(a) by substituting a colon for the comma which appears after the word “reasonable” in the sixth line thereof; 35

(b) by deleting therefrom the words—

“and the Court may for that purpose order that it shall be referred to one of the advocates of the Court to settle and approve a proper deed or instrument to be executed by all necessary parties.”; and 40

(c) by adding thereto after such colon the following proviso:—

“Provided that the term for which any sum of money is secured for the benefit of a child shall not extend beyond the date when the child— 45

(i) if a male native, Arab, Abyssinian (Amhara, Tigre and Shoa), Somali, Baluchi born in

5 Africa, Malagasy or Comoro Islander, attains the age of sixteen years, or if a female native, Arab, Abyssinian (Amhara, Tigre and Shoa), Somali, Baluchi born in Africa, Malagasy or Comoro Islander, attains the age of thirteen years;

10 (ii) if a child other than a child referred to in paragraph (i) of this proviso, attains the age of majority or marries, whichever date is the earlier."

7. Section 34 of the Principal Ordinance is hereby amended by deleting therefrom the words "and compellable" which appear in the fourth line thereof.

Amendment of section 34 of the Principal Ordinance.

15 8. Section 35 of the Principal Ordinance is hereby amended by deleting therefrom the last five lines thereof and substituting therefor the following:—

Amendment of section 35 of the Principal Ordinance.

20 "And provided that no appeal in any proceedings under this Ordinance shall lie from the Court of Appeal for Eastern Africa to His Majesty in Council, except with the leave of the Court of Appeal for Eastern Africa."

### OBJECTS AND REASONS

Sub-sections (2) and (3) of section 15 of the Matrimonial Causes Ordinance are a reproduction of similar provisions in the repealed Divorce Ordinance (Cap. 170). The Secretary of State has, however, pointed out that provisions of this nature are only necessary where the church is established. It is therefore proposed to delete these two sub-sections.

*Clauses 3, 5 and 6(b).*—The Principal Ordinance was taken from the Matrimonial Causes Act in England, where conveyancing counsel are available for drafting deeds and other instruments. No regular conveyancing counsel exist in this country and it has therefore been thought advisable to delete from the Principal Ordinance those provisions which empower the Court to direct that an order providing for alimony and other payments by the husband to the wife shall be referred to an advocate of the Court for settling the necessary deed or other instrument.

*Clause 4.*—This amendment is purely verbal in order to make it clear that paragraphs (a) and (b) of the proviso to section 23 of the Principal Ordinance are alternatives.

*Clause 6.*—It has been suggested that, although the Court has power to order certain sums to be secured for the benefit of the children, there is no limitation on the period during which this sum may be secured. The intention is that the child's interest should determine as soon as the child reaches such an age as no longer to be a child as defined in section 2 of the Principal Ordinance. This amendment makes this point clear.

*Clause 7.*—The words "and compellable" are redundant.

*Clause 8.*—The object of section 35 of the Principal Ordinance was to provide that an appeal from the Court of Appeal for Eastern Africa would lie to His Majesty in Council in any case where an appeal would lie in England from the Court of Appeal to the House of Lords. Recent legislation in England, however, makes it incumbent for an appellant to obtain leave to appeal either from the Court of Appeal or from the House of Lords itself. It is proposed, therefore, to preclude any appeal from the Court of Appeal for Eastern Africa to His Majesty in Council, except with the leave of that Court.

No expenditure of public moneys will be involved if the provisions of this Bill become law.

## GOVERNMENT NOTICE No. 936

His Excellency the Governor in Council has approved of the following Bill being introduced into the Legislative Council.

R. P. ARMITAGE,  
*Acting Clerk to the Legislative Council.*

**A Bill to Amend the War Risks Insurance Ordinance, 1940**

BE IT ENACTED by the Governor of the Colony of Kenya, with the advice and consent of the Legislative Council thereof, as follows:—

1. This Ordinance may be cited as the War Risks Insurance (Amendment, No. 2) Ordinance, 1941, and shall be read as one with the War Risks Insurance Ordinance, 1940, hereinafter referred to as the Principal Ordinance. Short title.  
No. 41 of 1940.
- 5     2. The definition of "supplier of goods" in section 2 of the Principal Ordinance is hereby amended by substituting a comma for the full stop which appears at the end thereof and adding thereto immediately after such comma the words— Amendment of definition of "supplier of goods" in section 2 of the Principal Ordinance.
  - 10         "and includes a person who is in possession of goods as a supplying or forwarding agent."
3. Sub-section (1) of section 6 of the Principal Ordinance is hereby amended as follows:— Amendment of section 6 (1) of the Principal Ordinance.
  - (a) by substituting the word "or" for the comma which appears in line 6 thereof;
  - 15     (b) by deleting therefrom the words "or the Tanganyika Territory" which appear in lines 6 and 7 thereof; and
  - 20     (c) by substituting a colon for the full stop which appears immediately after the word "Ordinance" in line 13 thereof, and inserting therein immediately after such colon the following proviso—
    - "Provided that goods situate in the Tanganyika Territory, the value of which exceeds £1,000, shall be insurable voluntarily under this Ordinance."

**OBJECTS AND REASONS**

Certain firms carrying on business in the Colony or the Protectorate of Uganda (hereinafter called the "Agents") purchase goods on the instructions of firms carrying on business outside the Colony and Protectorate of Uganda (hereinafter called the "Principals"), and subsequently ship the goods to a destination abroad on instructions received from the Principals. The goods are purchased from funds supplied by the Principals, and are the property of the Principals while in the possession of the Agents before shipment, and the Agents are not entitled to sell the goods nor do they fall within the existing definition of "suppliers of goods." The Agents have three functions, viz., to purchase, to store, and to ship, on the instructions of the Principals.

2. Under proviso (ii) of section 9(1) of the Principal Ordinance, the Agents cannot be deemed to be the owners of the goods, and the goods are therefore not insurable. The object of Clause 2 of this Bill is to make the goods insurable while they are in the possession of the Agents between purchase and shipment.

3. Clause 3 of the Bill exempts goods in Tanganyika Territory, the value of which exceeds £1,000, from compulsory insurance, but provides that such goods may be insured voluntarily.

4. No expenditure of public moneys will be involved if the provisions of this Bill become law.

2. No tender of less than the reserve price as shown in the Schedule will be considered.

3. The successful tenderer shall pay to the Commissioner of Lands within seven days of the acceptance of his tender, 25 per cent of the purchase money, by way of a deposit, together with the rent due to the 31st December, 1942. In default of such payment the sale may be cancelled.

All these amounts shall be paid within seven days of a demand being made therefor.

Upon such payments being duly made, the purchaser shall subject to the provisions of the Crown Lands Ordinance (Chapter 140 of the Revised Edition) and to the conditions of sale having been complied with, be entitled to a grant of the plot, which grant shall be presented to him duly executed as soon as conveniently may be.

Provided that the balance of the purchase money shall not be payable within the time stated or thereafter, unless and until the Commissioner of Lands can present to the purchaser the grant duly executed.

5. Subject to the proviso contained in Condition No. 4, if the amounts therein mentioned are not paid as therein laid down within seven days of a demand being made therefor, the Commissioner of Lands may order the deposit made by the purchaser to be forfeited, and the purchaser shall have no further claim to the grant of the plot.

7. The plot and the buildings erected thereon shall be used for business purposes only or for the combined purposes of business and residence.

Provided that in the event of the plot being used for the said combined purposes, then not more than one-half of the area thereof shall be built upon; otherwise not more than ninety per cent of the area thereof shall be built upon.

8. The purchaser of the plot shall erect within two years of the commencement of his grant a building of approved design constructed of stone, burnt brick or concrete on proper foundations.

9. In no case shall the area of the plot used solely for business purposes required to remain unbuilt on be less than 300 square feet or 10 per cent of the area, whichever shall be the greater, and the said area shall be free from any erection thereon above the level of the ground except latrine accommodation constructed in accordance with all laws and by-laws in force relating thereto, and in accordance with a design approved by the authority.

Such open space shall be at the rear of the building, and shall extend along the entire width of the building, or for a distance of not less than 30 feet whichever shall be the less, and the distance across such open space from every part of the building to the rear boundary of the plot shall be not less than 10 feet.
