(Chapter 140 of the Revised Edition)

ELDORET TOWNSHIP PLOTS

NOTICE

NOTICE is hereby given that grants in respect of the plots at Eldoret specified in the Schedule hereto will be sold by auction at the office of the District Commissioner, Eldoret on Monday the 5th January, 1942, commencing at 10 a.m.

Plans of the plots may be seen at the office of the Department of Lands and Settlement, Government Road, Nairobi, and at the office of the District Commissioner, Eldoret, or may be had on application to the Department of Lands and Settlement, P.O. Box 89, Nairobi, on payment of Sh. 2, post free.

The right to withdraw any plot from the auction is reserved to the Commissioner of Lands.

In the following Conditions of Sale the term "Authority" means the Municipal Board, Eldoret, or such other municipal authority as may be hereafter established by law.

Conditions of Sale and Grant

1. The usual conditions of auction in respect of Government plots will apply.

2. Grants will be made under the Crown Lands Ordinance and title will be issued under the Registration of Titles Ordinance. The term of the grants will be 25 years from the 1st day of February, 1942, subject to extension to 99 years if at any time during the term of the grant a main building of approved design constructed of stone, burnt brick or concrete on proper foundations be erected on the plot.

3. The plots shall be used for residential purposes and no buildings erected thereon shall at any time during the term of the grant be used for any other purpose than a dwelling-house or an appurtenance thereof.

4. Each purchaser of a plot shall erect within two years of the commencement of his grant a building of approved design constructed of stone, burnt brick, concrete or wood and iron on proper foundations.

5. All outbuildings, offices, etc., shall be properly sited and screened from view to the satisfaction of the authority or such other person as may be appointed, and shall be kept so screened during the term of the grant.

6. At no time during the term of the grant shall more than one dwelling-house with the necessary offices and outbuildings be erected on any plot without the consent of the Governor.

7. The grantee shall not at any time during the term of the grant erect any building or buildings so as to cover more than one-half of the area of the plot.

8. No building shall be erected on any plot unless plans (including block plans showing the position of the buildings), drawings, elevations and specifications thereof shall have been previously approved by the authority, and by the Commissioner of Lands or such other person as he may appoint. Such plans, etc., shall be submitted in triplicate to the District Commissioner, Eldoret, for necessary action.

9. The Government or such person or authority as may be appointed for the purpose shall have the right to enter upon any plot and lay and have access to water mains, service pipes, telegraph or telephone wires, and electric mains of all descriptions whether overhead or underground, and the grantees shall not erect any building in such a way as to cover or interfere with any existing routes, main or service pipes or the telegraph or telephone wires and electric mains aforementioned.

10. The grantee may at any time during the currency of the grant redeem up to three-quarters of the rent of the plot as shown in the Schedule on the basis of twenty years' purchase.

11. The grantee shall not at any time subdivide the plot, or assign, sublet or otherwise dispose of any portions of the plot without the previous written consent of the Governor.

12. Any building erected shall conform to a building line decided upon by the authority.

13. Grantees will be required to pay municipal rates upon the whole of the rateable interest and Government's contribution in lieu of rates assessed on the plot. A clause will, therefore, be embodied in the grant providing for the necessary adjustment between the grantee and Government.

14. Under Government Notice No. 37 of 1941 as amended by Government Notice No. 779 of 1941 the permission of the Supply Board is required for the erection of a building exceeding £100 in value.
