GOVERNMENT NOTICE No. 56

His Excellency the Governor in Council has approved of the following Bill being introduced into the Legislative Council.

K. W. SIMMONDS,
Acting Clerk to the Legislative Council.

**A Bill to Amend the Increased Production of Crops
Ordinance, 1942**

BE IT ENACTED by the Governor of the Colony of Kenya, with the advice and consent of the Legislative Council thereof, as follows:—

Short title.

1. This Ordinance may be cited as the Increased Production of Crops (Amendment) Ordinance, 1945, and shall be read as one with the Consolidated Edition of the Increased Production of Crops Ordinance, 1942, prepared under the provisions of section 23 of the Increased Production of Crops (Amendment) Ordinance, 1943, hereinafter referred to as the principal Ordinance.

No. 13 of 1943.

Amendment of
section 2 of
the principal
Ordinance.

2. Section 2 of the principal Ordinance is hereby amended by deleting therefrom the definition of "crops" and substituting therefor the following:—

"'crops' means such produce of the soil as the Governor may, with the advice of the Agricultural Production and Settlement Board, by Order published in the Gazette, declare to be a crop for the purposes of this Ordinance;"

Amendment of
section 11 of
the principal
Ordinance.

3. Section 11 of the principal Ordinance is hereby amended—

(a) by deleting sub-section (1) thereof and substituting therefor the following sub-sections:—

"(1) The Board may by order in writing addressed to any farmer, whether or not such farmer has submitted a programme of production, order such farmer to carry out such farming operations in connexion with the production of crops as the Board may, in its absolute discretion, determine.

(2) In any order given by the Board under sub-section (1) of this section the Board may specify the period within which it shall be carried out.

(3) When an order of the Board, given under sub-section (1) of this section, does not specify the period within which it shall be carried out, such order shall be carried out within such period as may be specified by the sub-committee appointed under the provisions of sub-section (2) of section 6 of this Ordinance for the area in which the land, to which the order relates, is situate, or in the absence of the appointment of any such sub-committee, within such period as may be specified by the District Production and Man Power Committee for the district in which the land, to which the order relates, is situate.

(4) When an order of the Board, given under sub-section (1) of this section, does not specify the period within which it shall be carried out, it shall be the duty of the farmer who receives such order to ascertain from the sub-committee or District Production and Man Power Committee, as the case may be, the period within which the order is to be carried out."

(b) by re-numbering sub-sections (2), (3) and (4) thereof as sub-sections (5), (6) and (7) respectively.

MEMORANDUM OF OBJECTS AND REASONS

This Bill seeks to amend the principal Ordinance (the Consolidated Edition of the Increased Production of Crops Ordinance, 1942) in the following respects:—

(a) by deleting the definition of "crops" and substituting therefor the new definition contained in clause 2. The object of the amendment is to introduce a degree of flexibility which does not at present exist;

(b) by deleting sub-section (1) of section 11 of the principal Ordinance and substituting therefor four new sub-sections. Under the existing sub-section the Agricultural Production and Settlement Board is empowered, whether or not a farmer has submitted a programme of production, to order a farmer to carry out, within such time as may be specified in the order, such farming operations in connexion with the production of crops as the Board may, in its absolute dis-

cretion, determine. Planting dates differ widely in different parts of Kenya and depend on a number of factors, including climatic conditions prevailing at the time. In the light of experience it has been found, in the majority of cases, impracticable for the Board, in issuing a planting order, to specify a definite time by which the order is to be carried out. This being so it is sought, by the amendment, to make it permissive for the Board to specify the period in which the planting order is to be carried out, and in cases where it is impracticable for it to do so to empower the sub-committee appointed under the provisions of sub-section (2) of section 6 of the principal Ordinance or, in the absence of such committee, the District Production and Man Power Committee, to specify the period within which the order is to be carried out. The new sub-clause (4) also seeks to throw the onus on the farmer who receives an order, in which the period in which it is to be carried out is not specified by the Board, to ascertain from the sub-committee or District Production and Man Power Committee, as the case may be, the period within which the order is to be carried out.

No expenditure of public moneys will be involved if the provisions of this Bill become law.

Nairobi, 9th January, 1945.

S. W. P. FOSTER SUTTON,
Attorney General.

GOVERNMENT NOTICE No. 57

His Excellency the Governor in Council has approved of the following Bill being introduced into the Legislative Council.

K. W. SIMMONDS,
Acting Clerk to the Legislative Council.

A Bill to Amend the Penal Code

BE IT ENACTED by the Governor of the Colony of Kenya, with the advice and consent of the Legislative Council thereof, as follows:—

1. This Ordinance may be cited as the Penal Code (Amendment) Ordinance, 1945, and shall be read as one with the Consolidated Edition of the Penal Code prepared under the provisions of section 25 of the Penal Code (Amendment) Ordinance, 1939, hereinafter referred to as the principal Ordinance. Short title.
No. 34 of 1939.
2. Section 298 of the principal Ordinance is hereby amended by substituting a comma for the full stop after the words "imprisonment for ten years" at the end thereof and adding thereto the words "with or without corporal punishment." Amendment of section 298 of the principal Ordinance.
3. The Principal Ordinance is hereby amended by inserting immediately after section 317 thereof the following section:— Insertion of new section 317A in the principal Ordinance.

"317A. (1) Any person conveying or having in his possession, or keeping in any building or place, whether open or enclosed, any stores being the property of His Majesty's Army, Navy or Air Force, which may reasonably be suspected of having been stolen or unlawfully obtained, and who shall not give an account to the satisfaction of the court of how he came by the same, shall be guilty of a misdemeanour.

(2) For the purposes of this section the term "stores" includes all goods and chattels and any single article or part thereof."

Unlawful possession of service stores

MEMORANDUM OF OBJECTS AND REASONS

The object of clause 2 of this Bill is to give the court power to impose a sentence of corporal punishment for burglary.

2. Clause 3 seeks to make similar provision regarding the unlawful possession of Service stores as that in force regarding the unlawful possession of Government and Kenya and Uganda Railways and Harbours stores.

3. No expenditure of public moneys will be involved if the provisions of this Bill become law.

Nairobi, 15th January, 1945.

THE CROWN LANDS ORDINANCE

(Chapter 140 of the Revised Edition)

TOWNSHIP PLOTS, NAKURU

NOTICE is hereby given that options to purchase the plots at Nakuru as described in the Schedule hereto will be sold by public auction at the office of the Nakuru Municipal Board, Nakuru, on the 24th January, 1945, commencing at 10 a.m.

A plan of the plots contained in the Schedule may be seen at the office of the Commissioner of Lands and Settlement, Nairobi, or at the office of the District Commissioner, Nakuru, or may be obtained on application to the Commissioner of Lands, P.O. Box 89, Nairobi, on payment of Sh. 3 each, post free.

The right to withdraw any plot from the sale is reserved to the Commissioner of Lands.

In the following conditions of sale the term "Authority" means the Municipal Board of Nakuru, or such other Municipal Authority as may be hereafter established by law.

Conditions of Sale of Option

(1) The option in respect of each plot will be auctioned separately.

(2) The amount of the advance on each bid will be regulated by the auctioneer and no bidding shall be retracted.

(3) The highest bidder will be declared the purchaser of the option, but if any dispute arises as to any bid, the plot will be re-offered at the last undisputed bid.

(4) Each purchaser shall pay to the auctioneer immediately on the fall of the hammer, 25 per cent of the amount of his bid. In default of such payment the option may be immediately re-offered for sale and any subsequent bid by the person who has made default may be ignored or refused.

(5) Each purchaser shall, on paying the deposit, inform the auctioneer of the name or names of the person or persons on whose behalf the option is purchased, and any subsequent grant that may be made will be issued in accordance with this information.

(6) The amount bid in respect of the option shall, in the event of the issue of a grant, be considered as the stand premium payable thereon.

(7) The balance of the amount bid, together with the roads and drains contribution in respect of the plot, the survey fees and the rent due to the 31st December, 1945, shall be paid to the Commissioner of Lands within seven days of the date of auction. In default of such payments within the specified time, the Commissioner of Lands may order the deposit paid by the purchaser to be forfeited and the purchaser shall have no further claim to an option to purchase the plot or to a grant of the plot.

(8) The option shall be for a period of one year from the 1st day of February, 1945.

(9) The option shall not be transferable.

Conditions of Grant

(1) The purchaser during the period of the option shall erect on the plot a building of approved design, constructed of stone, burnt brick or concrete, on proper foundations.

Fittings and floor and roof may be of an approved temporary material and construction provided that these be replaced by approved permanent materials within six months of notice being given by the Commissioner of Lands.

(2) On completion of the approved building within the period of the option, the option shall be exercisable by notice in writing to the Commissioner of Lands.

(3) Upon taking up the option on completion of the building the purchaser shall pay to the Commissioner of Lands within seven days of a demand being made therefor the fees payable in respect of the preparation and registration of the grant (Sh. 120) and the stamp duty payable in respect of the grant (approximately 2 per cent on the amount bid and on the rent). In default of such payment within the specified time, the option shall be deemed to have expired and the purchaser of the option shall have no further claim to the grant of the plot and all sums already paid by him shall be forfeited.

(4) If the purchaser of the option shall not have erected an approved building on the plot by the 1st day of February, 1946, the option shall be deemed to have expired and the purchaser shall have no further claim to the grant of the plot and all sums already paid by him shall be forfeited.

(5) No building shall be erected on any plot unless plans (including block plans showing the position of the buildings), drawings, elevations and specifications thereof shall have been previously approved by the Authority, and by the Commissioner of Lands, or such other person as he may appoint. Such plans, etc., shall be submitted in triplicate to the Town Clerk, Nakuru.

(6) Grants will be made under the Crown Lands Ordinance (Chapter 140 of the Revised Edition of the Laws of Kenya), and titles will be issued under the Registration of Titles Ordinance. The term of the grants will be 99 years from the 1st day of February, 1945, at the annual rents specified in the Schedule.

(7) The grantee shall not, at any time, subdivide the plot or assign, sublet or otherwise dispose of any portions of the plot without the previous written consent of the Governor.

(8) Any building erected shall conform to a building line decided upon by the Authority.

(9) The grantee shall not transfer the plot nor enter into any agreement of sale in respect thereof within three years of the date of commencement of the grant.

(10) The plot shall be used for residential purposes only.

(11) At no time during the term of the grant shall more than one dwelling-house with the necessary offices and outbuildings be erected on the plot without the consent of the Governor.

(12) The grantee shall not at any time during the term of the grant erect any building or buildings to cover more than one-half of the area of the plot.

(13) All outbuildings, offices, etc., shall be properly sited and screened from view to the satisfaction of the Authority or such other person as may be appointed and shall be kept so screened during the term of the grant.

(14) The Government or such person or authority as may be appointed for the purpose shall have the right to enter upon any plot and lay and have access to water mains, service pipes, telegraph or telephone wires, and electric mains of all descriptions whether overhead or underground, and the grantees shall not erect any building in such a way as to cover or interfere with any existing routes, main or service pipes or the telegraph or telephone wires and electric mains aforementioned.

(15) Grantees shall be required to pay municipal rates upon the whole of the rateable interest and Government's contribution in lieu of rates assessed on the plots. A condition will, therefore, be embodied in each grant providing for the necessary adjustment between the grantee and Government.

(16) Under Government Notice No. 774 of 1943, the permission of the Supply Board is required for the erection of a building exceeding £50 in value.

Nairobi, 14th December, 1944.
C. E. MORTIMER,
Commissioner for Local Government,
Lands and Settlement.
