MEMORANDUM OF OBJECTS AND REASONS

The main object of this Bill is to substitute a larger and more representative Sisal Board for the existing Kenya Sisal Board, with more extensive functions.

Clause 3 seeks to establish a Board consisting of eleven persons, including six representatives of the Kenya Sisal Growers' Association and two members of the Tanganyika Sisal Board. Except in the case of the members who are appointed by the Kenya Sisal Growers' Association under paragraph (e) of sub-clause (1) of the clause, no provision is made for the retirement of members, and each member will continue to hold office until his appointment is cancelled by the person or body of persons who appointed him. Unlike the existing Kenya Sisal Board, of which the Director of Agriculture is Chairman, the new Board will elect their own chairman annually.

Clause 7 sets out the functions of the Board. Item (6) seeks to empower them to operate a scheme for regulating or controlling dealings in sisal. But the exercise of this power is subject to two conditions:—

- (a) the Kenya Sisal Growers' Association must pass a resolution requesting the Board to exercise this power;
- (b) the Governor in Council must give his consent.

Item (9) of clause 7 sets out the purposes to which the Board may apply their moneys.

The moneys which the Board will have at their disposal are—

- (a) the moneys standing to the credit of the fund established by the Sisal Ordinance, 1939, which this Bill seeks to repeal (proviso (a) of clause 19);
- (b) the moneys derived from the cess, which will take the place of the levy provided for by the existing Ordinance (clause 15);
- (c) the annual grant-in-aid, which is similar to the grant-in-aid provided for by the existing Ordinance (clause 7).

Clause 11 sets out the Rule-making powers. The power to make Rules, which is conferred upon the Governor in Council on the advice of the Board, is more detailed than under the existing Ordinance, and includes the power to provide for the conditions of employment, housing and feeding of labour employed on registered sisal plantations, and the power to provide for a superannuation, pension or provident fund for the Board's officers and servants.

By clause 12 the Board is to be the registration authority for the purposes of registering sisal plantations and plantation marks under the Rules and will thus take the place of the Registration Officer appointed under the existing Ordinance.

Clause 15 seeks to provide for the imposition of a cess on production in place of the existing levy on export.

Clause 19, which repeals the existing Ordinance, seeks to preserve all Rules, notices, orders, registrations, appointments or nominations made under the existing Ordinance, until new provisions are made under and by virtue of the provisions contained in this Bill.

No additional expenditure of public moneys will be involved if the provisions of this Bill become law.

Nairobi, 15th June, 1945.

T. A. BROWN,
Acting Attorney General.
