GENERAL NOTICE No. 135

THE CROWN LANDS ORDINANCE
RESIDENTIAL PLOTS—KITALE

NOTICE is hereby given that options to purchase the plots at Kitale as described in the Schedule hereto will be sold by public auction at the offices of the District Commissioner, Kitale, on Thursday the 21st February, 1946, at 10.30 a.m.

A plan of the plots contained in the Schedule may be seen at the office of the Commissioner of Lands, Nairobi, or at the office of the District Commissioner, Kitale, as the case may be, or may be obtained on application to the Commissioner of Lands, P.O. Box 89, Nairobi, on payment of Sh. 3 each post free.

The right to withdraw any plot from the sale is reserved to the Commissioner of Lands.

In the following conditions of sale the term Authority means the District Commissioner, Kitale, or such Municipal Authority as may be hereafter established by law.

Conditions of Sale of Option

1. The option in respect of each plot will be auctioned separately.

2. The amount of the advance of each bid will be regulated by the auctioneer and no bidding shall be retracted.

3. The highest bidder will be declared the purchaser of the option, but if any dispute arises as to any bid, the plot will be reoffered at the last undisputed bid.

4. Each purchaser shall pay to the auctioneer immediately on the fall of the hammer 25 per cent of the amount of his bid. In default of such payment the option may be immediately reoffered for sale and any subsequent bid by the person who has made default may be ignored or refused.

5. Each purchaser shall, on paying the deposit, inform the auctioneer of the name or names of the person or persons on whose behalf the option is purchased, and any subsequent grant that may be made will be issued in accordance with this information.

6. The amount bid in respect of the option shall, in the event of the issue of a grant, be considered as the stand premium payable thereon.

7. The balance of the amount bid, together with the roads and drains contribution in respect of the plot, the survey fees and the rent due to the 31st December, 1946, shall be paid to the Commissioner of Lands within seven days of the date of auction. In default of such payments within the specified time, the Commissioner of Lands may order the deposit paid by the purchaser to be forfeited and the purchaser shall have no further claim to an option to purchase the plot or to a grant of the plot.

8. The option shall be for a period of two years from the 1st day of March, 1946.

9. The option shall not be transferable.

Conditions of Grant

1. The purchaser during the period of the option shall erect on the plot a building of approved design, constructed of stone, burnt brick or concrete on proper foundations.

Fittings and floor and roof may be of an approved temporary material and construction provided that these be replaced by approved permanent materials within six months of notice being given by the Commissioner of Lands.

2. On completion of the approved building within the period of the option the option shall be exercisable by notice in writing to the Commissioner of Lands.

3. Upon taking up the option on completion of the building the purchaser shall pay to the Commissioner of Lands within seven days of a demand being made therefor the fees payable in respect of the preparation and registration of the grant (Sh. 120) and the stamp duty payable in respect of the grant (approximately 2 per cent on the amount bid and on the rent). In default of such payment within the specified time, the option shall be deemed to have expired and the purchaser of the option shall have no further claim to the grant of the plot and all sums already paid by him shall be forfeited.

4. If the purchaser of the option shall not have erected an approved building on the plot by the 1st day of March, 1948, the option shall be deemed to have expired and the purchaser shall have no further claim to the grant of the plot and all sums already paid by him shall be forfeited.

5. No building shall be erected on any plot unless plans (including block plans showing the position of the buildings), drawings, elevations and specifications thereof shall have been previously approved by the authority, and by the Commissioner of Lands, or such other person as he may appoint. Such plans, etc., shall be submitted in triplicate to the District Commissioner, Kitale, within three months of the date of sale.

6. Grants will be made under the Crown Lands Ordinance (Chapter 140 of the Revised Edition of the Laws of Kenya) and titles will be issued under the Registration of Titles Ordinance. The term of the grants will be 99 years from the 1st day of March, 1946, at the annual rents specified in the Schedule.

7. The grantee shall not, at any time, subdivide the plot, or assign, sublet or otherwise dispose of any portions of the plot without the previous written consent of the Governor.

8. Any building erected shall conform to a building line decided upon by the authority.

9. The grantee shall not transfer the plot nor enter into any mortgage, charge or agreement of sale in respect thereof within three years of the date of commencement of the grant.

10. The plot shall be used for residential purposes only.

11. At no time during the term of the grant shall more than one dwelling-house with necessary offices and outbuildings be erected on the plot without the consent of the Governor.

12. The grantee shall not at any time during the term of the grant erect any building or buildings to cover more than one-half of the area of the plot.

13. All outbuildings, offices, etc., shall be properly sited and screened from view to the satisfaction of the authority or such other person as may be appointed and shall be kept so screened during the term of the grant.

14. The Government or such person or authority as may be appointed for the purpose shall have the right to enter upon any plot and lay and have access to water mains, service pipes, telegraph or telephone wires, and electric mains of all descriptions, whether overhead or underground, and the grantee shall not erect any building in such a way as to cover or interfere with any existing routes, main or service pipes or the telegraph or telephone wires and electric mains aforementioned.

15. Grantees will be required to pay municipal rates upon the whole of the rateable interest and Government's contribution in lieu of rates assessed on the plots. A condition will, therefore, be embodied in each grant providing for the necessary adjustment between the grantee and Government.

16. Under Government Notice No. 20 of 1945 the permission of the Supply Board is required for the erection of a building exceeding £50 in value.

Nairobi,
17th January, 1946.

G. J. ROBBINS,
Commissioner of Lands,
Mines and Surveys.
