## GENERAL NOTICE No. 356

## THE ELECTRIC POWER ORDINANCE

PUBLIC notice of an application to be made for extension of the area of supply, the subject of Distributing Licence No. 4 dated 17th October, 1923 (Mombasa Municipality), to include a further area surrounding the same.

Notice is hereby given to all whom it may concern that on the 5th day of April, 1947, the East African Power and Lighting Company, Ltd. (a limited liability company incorporated in the Colony and Protectorate of Kenya and having its registered office at Nairobi in the said Colony), will make application to His Excellency the Governor in Council under section 35 of the Electric Power Ordinance for extension of the area of supply, the subject of Distributing Licence No. 4 dated 17th October, 1923 (which at present comprises the Municipality of Mombasa and in respect of which the applicant is licensee) to include a further area surrounding the Municipality of Mombasa for the reasons that such further area is now sufficiently developed to justify inclusion thereof in the said area of supply, and that the applicant is now in a position to supply electrical energy to such further area, and that such extension will be equitable to the licensee and consumers in every area concerned or affected, and that no licensee or consumer will be unduly prejudiced thereby.

The area which it is proposed that the said area of supply should be extended to include is shown on a plan marked "E.A. 2" (copies of which are now deposited at the offices of Messrs. Hamilton, Harrison & Mathews, advocates, Nairobi House, Nairobi, and at the offices of the applicant at Khamis Building, Kilindini Road, Mombasa), and thereon bordered red and is bounded as follows:—

Commencing from the point where the Kenya-Tanganyika border meets the coast of the Indian Ocean; thence along that border in a north-westerly direction to the point where it crosses longitude 39° 10' east; thence due north to latitude 4° 15' south; thence due east to longitude 39° 23' east; thence due north to latitude 3° 55' south; thence due east to the said coast; thence along the said coast in a southerly and south-westerly direction to the point of commencement.

The public or local authorities, companies, persons or bodies of persons affected by the grant of this application will be as follows:—

- The Municipal Board of Mombasa—to the extent envisaged by section 19 of the Electric Power Ordinance.
- Companies, persons and bodies of persons carrying on business in the proposed area of extension—in that a supply of electrical energy will in due course become available to them.
- Other companies, persons and bodies of persons desiring to supply electrical energy in the same area on sale—in that such supply will by the grant of this application be precluded except as far as authorized under section 4 of the Electric Power Ordinance.
- The Provincial Commissioner, Coast Province, and the District Commissioners, Mombasa, Kilifi and Kwale—to the extent of the general interest of Government in the development and welfare of the areas concerned.

Any public or local authority, company, person or body of persons, desirous of making any representation on or objection to this application must do so by letter addressed to the Governor in Council and marked on the outside of the cover enclosing it "Electric Power Ordinance" on or before the expiration of 30 days from the date of this application as stated above, and must forward a copy of such representation or objection to the applicant.
