GENERAL NOTICE No 356

THE ELECTRIC POWER ORDINANCE

PUBLIC notice of an application to be made for extension of the area of supply, the subject of Distributing Licence No 4 dated 17th October, 1923 (Mombasa Municipality), to include a further area surrounding the same

Notice is hereby given to all whom it may concern that on the 5th day of April, 1947, the East African Power and Lighting Company, Ltd (a limited liability company incorporated in the Colony and Protectorate of Kenya and having its registered office at Nairobi in the said Colony), will make application to His Excellency the Governor in Council under section 35 of the Electric Power Ordinance for extension of the area of supply, the subject of Distributing Licence No 4 dated 17th October, 1923 (which at present comprises the Municipality of Mombasa and in respect of which the applicant is licensee) to include a further area surrounding the Municipality of Mombasa for the reasons that such further area is now sufficiently developed to justify inclusion thereof in the said area of supply, and that the applicant is now in a position to supply electrical energy to such further area, and that such extension will be equitable to the licensee and consumers in every area concerned or affected, and that no licensee or consumer will be unduly prejudiced thereby

The area which it is proposed that the said area of supply should be extended to include is shown on a plan marked "E.A 2" (copies of which are now deposited at the offices of Messrs Hamilton, Harrison & Mathews, advocates Nairobi House, Nairobi, and at the offices of the applicant at Khamis Building, Kilindini Road, Mombasa), and thereon bordered red and is bounded as follows —

Commencing from the point where the Kenya-Tanganyika border meets the coast of the Indian Ocean, thence along that border in a north-westerly direction to the point where it crosses longitude 39° 10' east, thence due north to latitude 4° 15' south, thence due east to longitude 39° 23' east, thence due north to latitude 3° 55' south, thence due east to the said coast, thence along the said coast in a southerly and south-westerly direction to the point of commencement

The public or local authorities, companies, persons or bodies of persons affected by the grant of this application will be as follows —

- (a) The Municipal Board of Mombasa—to the extent envisaged by section 19 of the Electric Power Ordinance
- (b) Companies, persons and bodies of persons carrying on business in the proposed area of extension—in that a supply of electrical energy will in due course become available to them
- (c) Other companies, persons and bodies of persons desiring to supply electrical energy in the same area on sale—in that such supply will by the grant of this application be precluded except as far as authorized under section 4 of the Electric Power Ordinance
- (d) The Provincial Commissioner, Coast Province and the District Commissioners, Mombasa Kilifi and Kwale—to the extent of the general interest of Government in the development and welfare of the areas concerned

Any public or local authority, company, person or body of persons, desirous of making any representation on or objection to this application must do so by letter addressed to the Governor in Council and marked on the outside of the cover enclosing it "Electric Power Ordinance" on or before the expiration of 30 days from the date of this application as stated above, and must forward a copy of such representation or objection to the applicant

GENERAL NOTICE No 392

THE ELECTRIC POWER ORDINANCE

PUBLIC notice of an application to be made for licences—

- (a) to authorize the construction of a thermal generating station near Nyeri Station to be replaced or supplemented later (at the option of the applicant) by a hydro electric generating station on the Sagana River and the generation of electrical energy therein,
- (b) to authorize the distribution and supply within the Township of Nyeri of electrical energy from such generating station

Notice is hereby given to all whom it may concern that on the 20th day of May, 1947, the East African Power and Lighting Company, Ltd (a limited liability company incorporated in the Colony and Protectorate of Kenya and having its registered office at Nairobi in the said Colony) will make application to His Excellency the Governor in Council for licences to construct a generating station and to generate, distribute and supply electrical energy for public and private purposes in the area hereinafter described and for any such other licences as may be granted

The area within which it is proposed that supplies of electrical energy shall be given is the Township of Nyeri

The streets and roads along which it is proposed that electric supply lines shall be installed are shown on the plan marked A deposited at the offices of Messrs Hamilton, Harrison and Mathews, advocates, Nairobi House, Nairobi and at the offices of the Standard Bank of South Africa, Ltd, at Nyeri aforesaid and the proposed supply lines are delineated on the said plan by red and green lines

The position of such supply lines however, may be varied to meet Government requirements in connexion with any proposed revision of town planning which may be contemplated by Nyeri Township

Further distributing mains of electrical supply lines be installed as may be required under the provisions of the Electric Power Ordinance or the Electric Supply Lines Ordinance

The public and private purposes of the licences will include all the supplies required for public industrial and domestic power and public industrial and domestic lighting and such other supplies as may be required

The generating station will be—

- (a) constructed on a site near Nyeri Station which is shown on the plan marked B' deposited at the respective offices of Messrs Hamilton, Harrison & Mathews and of the Standard Bank of South Africa, Ltd, aforesaid, and thereon marked Nyeri Power Station Site, and the electrical energy will be developed therein by means of internal combustion engines or steam engines connected to electrical generators, but may (at the option of the applicant) be replaced or supplemented at a later date by another station being
- (b) the station already constructed on the Sagana River which is shown on the said plan marked B' and thereon marked Sagana River Power Station' (the present plant wherein belongs to the Government of the said Colony but is the subject of an undertaking by that Government to give the applicant an equal opportunity with other prospective purchasers of tendering for purchase of the same if and when to be disposed of) with or without reconstruction by means of installing new or more efficient plant and the electrical energy will be developed therein by means of water turbines connected to electrical generators but at a later date the system of distribution and supply as aforesaid may (at the option of the applicant) be connected to the applicants main system of generation for Nairobi and district

All works will be of the descriptions and types required by, and will be carried out in accordance with the Electric Power Ordinance

The machinery will be operated continuously or as may be required

The generating machinery to be installed in generating station (a) described above will be an oil engine or oil engines of a capacity or aggregate capacity not less than 200 kilowatts with provision for a further 200 kilowatts if required The generating machinery now installed in generating station (b) consists of three 120 kilowatts turbo-alternator sets of an aggregate capacity of 360 kilowatts All such machinery will be or has already been installed in strict compliance with section 50 (1) of the Electric Power Ordinance

Copies of the drafts of the licence being applied for, and of the licences when granted will be deposited at the offices of Messrs Hamilton, Harrison & Mathews aforesaid, Nairobi, and at the offices of the Standard Bank of South Africa, Ltd, at Nyeri

Any public or local authority, company, person or body of person desirous of making any representation on or objection to the grant of the licences or with respect to the proposed works must do so by letter addressed to the Governor in Council and marked on the outside of the cover enclosing it Electric Power Ordinance on or before the expiration of 60 days from the date of the application as stated in this notice and must forward to the applicant a copy of such representation or objection
