Mr Samuel Okola,

Mr Woresha Mengo

The terms of reference of the Board are to advise the Commissioner for African Land Utilization and Settlement as regards carrying out, in collaboration with the Administration, the following duties which have been conferred upon him —

(1) To ascertain in what areas over-population and overstocking most urgently necessitate measures for the resettlement of Africans, and to that end to collect the necessary data and information on which remedial measures can be based

(2) To investigate and ascertain which areas of land outside the Highlands are suitable for African settlement

(3) To investigate likely areas in Native Land Units with a view to determining whether they are suitable for resettlement or closer settlement of Africans

(4) To prepare, for submission to the Member for Agriculture and Natural Resources, detailed schemes for settlement of natives in suitable areas of land outside the Highlands, and for betterment areas and/or settlement schemes in Native Land Units

(5) To prepare schemes for proper land utilization not only in the areas mentioned in (4) above but also in the areas from which natives are moved in order to prevent the further deterioration of such areas and with the aim of the proper and efficient development of such areas

(6) To examine and advise upon schemes submitted to the Commissioner for African Land Utilization and Settlement by a Provincial Commissioner after consultation with his provincial team

(7) When so directed to execute schemes

(8) To obtain, examine and advise upon progress reports on schemes in process of execution

(9) In preparing the schemes referred to above to recommend the conditions to be observed in relation to the particular use of land such as soil conservation measures, grazing control, etc

## RESIDENTIAL SETTLEMENT

IT IS notified for general information that as a result of the demand for residential settlement a Committee was appointed in 1946 by the Commissioner for European Settlement to examine and report on the organization to be established for developing residential settlement generally. The report of that Committee has now been accepted in principle by the Government and funds have been provided in the 1947 Estimates to set up in the office of the Commissioner for European Settlement a section to deal with residential settlement. It has now been agreed that the Commissioner will be advised by a Sub-committee of the European Settlement Board consisting of the following —

The Commissioner for European Settlement (*Chairman*),  
The Commissioner for Lands, Mines and Surveys, or his representative,  
A representative of the Member for Health and Local Government,  
Colonel M. Blundell,  
Captain H. G. Prettejohn,  
Captain Vaughan Philpotts

The Sub-committee will normally be advised by the Settlement Officer, and Hydraulic Engineer, the representative of the Director of Medical Services and the Town Planning Adviser. It will also keep in close touch with the Settlement Sub-committees of district councils.

## IMPORTS

(a) *Foodstuffs*—The following items have been deleted from the reserved commodity list and import licences will be issued subject to currency considerations. Import licences will *not* however, be issued for supply from the United Kingdom—

- (i) Argols and tartaric acid,
- (ii) Tea

(b) *Raw Wool and Castor Oil*—The Indian Government has notified that these items have been decontrolled for export from India

(c) *Toilet Soap*—An additional 100 tons has been made available from the United Kingdom and quotas have been issued to registered importers. Reasonable offers for supply from India and South Africa will be licensed to registered importers

(d) *Underwear etc from Hong Kong*—Information has been received that supplies of singlets are now available of Hong Kong manufacture and import licences will be issued on application

(e) *Japanese Textiles*—3,200,000 yards grey cotton piece goods are to be made available for supply from Japan for the period January/June, 1947. As this quantity is intended to compensate for the shortfall from India it will be allocated only to those merchants included in the Indian quota list

The Controller, Overseas Purchasing Division, has dispatched a circular letter to all qualified importers advising them of their quota and of the manner in which these imports will be made

An additional 6,000,000 yards of grey cotton piece goods will be sent from Japan to the United Kingdom for processing and will be offered to these territories as finished piece goods. These supplies will be available through ordinary commercial channels
