#### MEMORANDUM OF OBJECTS AND REASONS

The Ordinance relating to Interpretation and General Clauses has been amended on so many occasions since its enactment in 1912 and is so out of date, that it is considered desirable to repeal the existing Ordinance and introduce new legislation more consistent with present day requirements. In view of the fact that a general revision of the Colony's Ordinances and subsidiary legislation is now being made, the present time is considered opportune for the taking of such action, and this Bill is therefore being introduced for that purpose.

No expenditure of public moneys will be involved if the provisions of this Bill become law.

*Attorney General.*

## GOVERNMENT NOTICE No. 231

His Excellency the Governor in Council has approved of the following Bill being introduced into the Legislative Council.

ALEX. M. WILKIE,  
*Acting Clerk to the Legislative Council.*

**A BILL TO AMEND THE TRADE UNIONS AND  
TRADE DISPUTES ORDINANCE, 1943**

BE IT ENACTED by the Governor of the Colony of Kenya, with the advice and consent of the Legislative Council thereof, as follows:—

1. This Ordinance may be cited as the Trade Unions and Trade Disputes (Amendment) Ordinance, 1948, and shall be read as one with the Trade Unions and Trade Disputes Ordinance, 1943, hereinafter referred to as the principal Ordinance.

Short title.

No. 1 of 1943.

2. Section 8 of the principal Ordinance is hereby repealed and the following section substituted therefor:—

Repeal and replacement of section 8 of the principal Ordinance.

Compulsory registration and dissolution.

“8. (1) Every trade union shall apply for registration in accordance with the provisions of this Ordinance within three months after the date of its formation and shall be dissolved within three months after the date of—

(a) a notification by the Registrar that he has refused, under the provisions of sub-section (1) of section 10 of this Ordinance, to register the trade union, provided no appeal has been taken against such refusal under the provisions of sub-section (3) of section 10 of this Ordinance; or

(b) the dismissal of an appeal taken under the provisions of sub-section (3) of section 10 of this Ordinance.

(2) Every trade union required to be dissolved under the provisions of sub-section (1) of this section which is not so dissolved and every officer thereof, and every trade union which fails to apply for registration within three months of its formation and every officer and member thereof, shall be liable on summary conviction to a fine of five pounds for every day it remains undissolved or for every day, in excess of three months, after the date of its formation, in respect of which it fails to apply for registration.”

3. Section 10 of the principal Ordinance is hereby amended—

Amendment of section 10 of the principal Ordinance.

(a) by deleting the comma, which appears at the end of paragraph (c) of sub-section (1), and substituting therefor a semi-colon and the word “or”; and

(b) by adding, immediately after paragraph (c) of sub-section (1), the following new paragraphs—

“(d) any other trade union already registered is sufficiently representative of the whole or of a substantial proportion of the interests in respect of which the applicants seek registration; or

(e) the principal purposes of the combination seeking registration are not in accord with those set out in the definition of “trade union” contained in section 2 of this Ordinance; or

(f) the combination seeking registration is an organization consisting of persons engaged in, or working at, more than one trade or calling, and that its constitution does not contain suitable provision for the protection and promotion of their respective sectional industrial interests.”

Amendment of  
section 11 of  
the principal  
Ordinance.

4. Section 11 of the principal Ordinance is hereby amended—

- (a) by substituting a semi-colon for the full stop, which appears at the end of sub-section (1) thereof; and
- (b) by adding immediately after such semi-colon the following paragraph—
- “(c) if the Registrar is satisfied that the trade union is used for an unlawful purpose or a purpose not authorized by this Ordinance and the rules of the trade union or that the funds of the trade union are expended in an unlawful manner or on an unlawful object or on an object not authorized by this Ordinance and the rules of the trade union.”.

Addition of  
new sections  
to the principal  
Ordinance.

5. The principal Ordinance is hereby amended by inserting therein the following new sections:—

“Registrar may  
call for accounts.

13A. (1) In addition to the provisions of this Ordinance relating to the rendering of accounts, the Registrar may at any time call upon the treasurer, committee of management or other proper officer of a registered trade union to render detailed accounts of the funds of the trade union or any branch thereof in respect of any particular period; such accounts shall show in detail such information as the Registrar may require.

(2) Any officer of a registered trade union who fails to comply with a request made by the Registrar, under the provisions of sub-section (1) of this section, shall be guilty of an offence and shall, on conviction therefor, be liable to a fine not exceeding twenty-five pounds.

Inspection of  
accounts and  
other documents  
by Registrar.

13B. (1) The account books, list of members and other documents of a registered trade union may be inspected by the Registrar or any person duly authorized by him, in writing, in that behalf, at all reasonable times.

(2) Any person who opposes, obstructs or impedes the Registrar, or any person duly authorized by him, in the carrying out of an inspection under the provisions of sub-section (1) of this section, shall be guilty of an offence and shall, on conviction therefor, be liable to a fine not exceeding twenty-five pounds.”.

#### MEMORANDUM OF OBJECTS AND REASONS

This Bill seeks to amend the principal Ordinance, the Trade Unions and Trade Disputes Ordinance, 1943.

*Clause 2* seeks to repeal section 8 of the principal Ordinance and substitute a new section therefor. Sub-clause (1) of the new Clause is designed to clarify the position regarding applications for registration and sub-clause (2) seeks to enlarge the scope of the penalties for failure to apply for registration within the period laid down in sub-clause (1).

*Clause 3* seeks to enlarge the powers of the Registrar to refuse registration by enabling him to decline to register a trade union if he is satisfied that—

- (a) any other trade union already registered is sufficiently representative of the whole or of a substantial proportion of the interests in respect of which the applicants seek registration; or
- (b) the principal purposes of the combination seeking registration are not in accord with those set out in the definition of “trade union” contained in section 2 of the principal Ordinance; or
- (c) the combination seeking registration is an organization consisting of persons engaged in or working at more than one

trade or calling, and that its constitution does not contain suitable provisions for the protection and promotion of their respective sectional industrial interests.

(a) is designed to prevent duplication of Trade Unions;

(b) is designed to make it clear that a combination applying for registration must have as its principal object the regulation of the relations between workmen and masters, or between workmen and workmen, or between masters and masters;

(c) is designed to protect the sectional industrial interests of workers when a combination seeking registration as a Trade Union embraces persons engaged in a number of different trades or callings.

*Clause 4* seeks to enlarge the Registrar's powers to cancel the registration of a trade union by providing that such registration can be cancelled if he is satisfied that the trade union is being used for an unlawful purpose or a purpose not authorized by the principal Ordinance, and that the rules of the trade union or that the funds of the trade union are being expended in an unlawful manner or on an unlawful object or on an object not authorized by the principal Ordinance and the rules of the trade union.

*Clause 5* seeks to add two new sections to the principal Ordinance, to be numbered 13A and 13B. The proposed new section 13A seeks to enable the Registrar to call for accounts. This provision is designed to protect the interests of members of a trade union in so far as the finances of a trade union are concerned. The new section 13B seeks to enable the Registrar, or any person duly authorized by him, in writing, in that behalf, at all reasonable times to inspect the account books, the list of members and other documents of a registered trade union. It is considered that this provision is a necessary one, particularly in the early days of the formation of trade unions.

No additional expenditure of public moneys will be involved if the provisions of this Bill become law.

Nairobi,  
8th March, 1948.

S. W. P. FOSTER SUTTON,  
*Attorney General.*

## GOVERNMENT NOTICE No. 232

His Excellency the Governor in Council has approved of the following Bill being introduced into the Legislative Council.

ALEX. M. WILKIE,  
*Acting Clerk to the Legislative Council.*

**A BILL TO AMEND THE LOCAL GOVERNMENT  
(MUNICIPALITIES) ORDINANCE, 1928**

BE IT ENACTED by the Governor of the Colony of Kenya, with the advice and consent of the Legislative Council thereof, as follows:—

Short title.

1. This Ordinance may be cited as the Local Government (Municipalities) (Amendment) Ordinance, 1948, and shall be read as one with the Local Government (Municipalities) Ordinance, 1928, hereinafter referred to as the principal Ordinance. 5

No. 19 of 1928.

Amendment of section 69 of the principal Ordinance.

2. Section 69 of the principal Ordinance is hereby amended—

(a) by deleting sub-section (60), and substituting the following therefor:—

“Use of streets by persons.

(60) For regulating the use of streets and other 10 public places by any persons;”;

(b) by deleting sub-section (62), and substituting the following therefor:—

“Housing of servants.

(62) For regulating the housing of servants by their employers;” 15

(c) by deleting sub-section (63), and substituting the following therefor:—

“Labour.

(63) For regulating and licensing washermen and labourers other than those employed in industrial concerns or domestic service;” 20  
and

(d) by deleting sub-section (65), and substituting the following therefor:—

“Regulating presence of persons within a municipality and permits.

(65) For specifying the conditions upon which any person may remain in the municipality and for 25 requiring persons in certain circumstances to be in possession of a permit to remain therein and for regulating the issue of such permits;”.

**MEMORANDUM OF OBJECTS AND REASONS**

This Bill seeks to amend sub-sections (60), (62), (63) and (65) of the Local Government (Municipalities) Ordinance, 1928, to enable Municipal Councils to make regulations—

(a) specifying the conditions upon which any person may remain in a municipality, requiring persons in certain circumstances to be in possession of a permit to remain in a municipality and for regulating the issue of such permits;

(b) regulating the use of streets and public places in a municipality by any person; and

(c) regulating the housing and licensing of labour within a municipality.

It is considered that the present sub-section (65) does not confer the powers which it was intended to confer when the principal Ordinance was first enacted, and the present sub-sections (60), (62), (63) and (65) only enable by-laws to be made for the purpose of regulating natives whereas, under present circumstances, and in the interests of order and good government, it is considered desirable to enable Municipal Councils to make such regulations for the purpose of regulating any person within a municipality.

No additional expenditure of public moneys will be involved if the provisions of this Bill become law.

Nairobi,  
8th March, 1948.

*Attorney General.*

## GOVERNMENT NOTICE No. 233

The Governor's Deputy in Council has approved of the following Bill being introduced into the Legislative Council.

ALEX. M. WILKIE,  
*Acting Clerk to the Legislative Council.*

**A BILL TO AMEND THE NATIONAL PARKS  
ORDINANCE, 1945**

BE IT ENACTED by the Governor of the Colony of Kenya, with the advice and consent of the Legislative Council thereof, as follows:—

1. This Ordinance may be cited as the National Parks (Amendment) Ordinance, 1948, and shall be read as one with the National Parks Ordinance, 1945, hereinafter referred to as the principal Ordinance.

Short title.

No. 9 of 1945.

5 2. The principal Ordinance is hereby amended by substituting the words "national reserve" for the words "park adjunct", and the words "national reserves" for the words "park adjuncts", wherever they appear therein.

Amendment of  
the principal  
Ordinance.

**MEMORANDUM OF OBJECTS AND REASONS**

This Bill seeks to amend the National Parks Ordinance, 1945, by substituting the designation "national reserve" for the designation "park adjunct" throughout the Ordinance. The name "park adjunct" was originally suggested by the Game Policy Committee which was, no doubt, influenced by the proposal to include the Ngong Hills as a park adjunct to the adjoining Nairobi National Park. As, however, it is contemplated that the National Park Trustees will assume certain control over other areas, which do not adjoin a National Park, the term "park adjunct" is considered to be a misnomer and the term "national reserve" more appropriate.

No additional expenditure of public moneys will be involved if the provisions of this Bill become law.
