No. 29 of 1937.

#### MEMORANDUM OF OBJECTS AND REASONS

The provisions of the Shop Hours Ordinance, 1925, have never been applied to the Municipality of Mombasa because the restricted shop hours prescribed under that Ordinance would prove inconvenient to shopkeepers, ships' passengers and residents working in and around the docks. It was, however, necessary to give protection to employees working in shops at Mombasa, by restricting their hours and specifying conditions of employment, so the Mombasa Shop Assistants Employment Ordinance, 1937, was enacted for that purpose.

From time to time considerable dissatisfaction has been expressed regarding the operation of the Mombasa Shop Assistants Employment Ordinance, 1937, which does not afford adequate protection to shop employees and places employees working in shops at Mombasa at a disadvantage compared with those employed in other centres of the Colony where the provisions of the Shop Hours Ordinance, 1925, have been applied.

A representative local committee was therefore appointed by the Government to examine the position. This committee considered that the Shop Hours Ordinance, 1925, is unsuitable for operation in Mombasa and that the Mombasa Shop Assistants Employment Ordinance, 1937, is incapable of being fully operated. For these reasons the committee recommended that the Mombasa Shop Assistants Ordinance, 1937, should be repealed and that new legislation should be enacted, regulating the hours during which shops should be open and safeguarding the interests of persons employed in shops at Mombasa. This Bill gives effect to these recommendations, which have been accepted by Government.

*Clause 2* limits the application of the Ordinance to the Municipality of Mombasa.

*Clause 4* prohibits any shop being kept open on Sundays, and on one half-day in every week, or later than 11 a.m. on a public holiday or 7 p.m. on any other day, subject to the power of the Member, on the advice of the Municipal Board, to prescribe by Order the weekly half-day closing day on which any shop, or class of shop, shall close at 12.30 p.m., the hours during which any shop or class of shop may be open for the serving of customers and for the exemption of any shop or class of shop from the provisions of this section.

*Clause 5* provides for the giving of notice by the Municipal Board of its intention to advise the Member to issue an Order under section 4.

*Clause 6* restricts the working hours of persons employed in shops to forty-nine hours per week; requires the shopkeeper to exhibit a notice in his shop indicating his weekly early closing day; and allows certain relaxations of the provisions regarding working hours to enable stocktaking to be carried out.

*Clauses 7, 8 and 9*, restrict the hours during which persons may work in shops and provides for time off for meals.

*Clause 11* enables any authorized officer to inspect shops at any hour of the day or night to see whether the provisions of the law are being complied with, and provides for a penalty if any person wilfully obstructs any officer in the exercise of this power.

*Clause 12* provides for shop employees to be given an annual holiday of not less than fourteen days with pay.

*Clause 13* provides for penalties to be imposed in respect of offences against the provisions of the Ordinance.

*Clause 14* exempts from the provisions of the Ordinance sales of goods for charity and hawkers.

No additional expenditure of public moneys will be incurred if the provisions of this Bill become law.

Nairobi,  
9th May, 1949.

*Attorney General.*
