CONDITIONS OF SALE

(A) Tender

(1) Sealed tenders marked "Tender for Nanyuki Garage Plot" must be deposited with the undersigned before noon on Saturday, 10th September, 1949.

(2) Tenders should be accompanied by a statement indicating:—

(a) the detailed proposals of the tenderer for the development of the site, illustrated by site sketch plans drawn to scale;

(b) the amount of guaranteed capital for development purposes.

(3) The proposals for development must include the building of showrooms, workshops and (on first floor) offices or residential accommodation (if required) for not more than two families (the kitchens being restricted to two in number for the whole site) of a value of not less than £4,000. Adequate provision must be made on the site for vehicles to be refuelled off the road reserve.

Additional provision must also be made in the development proposals for the parking of not less than ten vehicles on each site. Repair sheds and yards must be completely screened from view from the adjoining roads and adjacent plots.

(5) The balance of the purchase price will be payable on demand prior to the issue of title.

(B) General

(1) The terms of the grants will be for 33 years from the 1st day of October, 1949, and the grants will be issued under the provisions of the Crown Lands Ordinance (Chapter 140 of the Revised Edition) and the Registration of Titles Ordinance (Chapter 142 of the Revised Edition)

(2) The Government or such person or authority as may be appointed for the purpose shall have the right to enter upon the plot and lay and have access to water mains, service pipes, telegraph or telephone wires and electric mains of all descriptions, whether overhead or underground, and the grantee shall not erect any building in such a way as to cover or interfere with any existing routes, main or service pipes or the telegraph or telephone wires and electric mains aforementioned.

(3) No building shall be erected on the plot unless and until plans (including block plans showing the position of the buildings), drawings, elevations and specifications thereof shall have been previously approved by the local authority and by the Commissioner of Lands or such other person as he may appoint. Such plans, etc., shall be submitted in triplicate to the District Commissioner, Nanyuki, for necessary action.

(4) No buildings erected on the said land may be occupied until the grantee shall have submitted a block plan with the position of such buildings clearly defined and showing a system of drainage for dealing with the surface water on the said land which shall satisfy the Commissioner of Lands and the local authority that such system of drainage has been properly constructed, such satisfaction in both cases to be expressed in writing.

(5) The grantee shall duly and suitably connect such drainage system with any town drainage system when in the opinion of the Commissioner of Lands and the local authority the latter system is so far completed as to enable the grantee reasonably so to do.

(6) The grantee shall not at any time subdivide the plot or assign, sublet or otherwise dispose of the plot or any part thereof, without the prior written consent of the Governor.

(7) Any building erected shall conform to a building line decided upon by the local authority.

(10) All outbuildings, offices, etc., shall be properly sited and screened from view to the satisfaction of the local authority or such person as may be appointed and shall be kept so screened during the term of the grant.

(C) Special

(1) The purchaser of each site will be required to erect thereon within 18 months from the commencement of the grant garage and other buildings of approved design, constructed of approved permanent and fireproof material, on proper foundations in accordance with the development conditions imposed on the acceptance of the tender and to maintain the same and will be required to comply with all other structural development conditions within the same period of 18 months.
