MEMORANDUM OF OBJECTS AND REASONS

This Bill amends the Customs Tariff Ordinance, 1947, by varying the duties on many of the articles specified in the Schedule to the Ordinance. In effecting these amendments the Bill implements the recommendations of a Committee appointed to investigate anomalies in the Customs Tariff.

The most important respects in which the Tariff has been amended are effected by the following paragraphs of Clause 2 of the Bill—

- (a) paragraph (11) whereby mining corduroy and wool tops for fibre-squeezing presses have been included under Item 37 as duty free imports,

- (b) paragraph (12) whereby the duty under Item 38 on second-hand clothing and apparel, not elsewhere enumerated in the Tariff, imported for sale, is reduced from 60% to 22%,
- (c) paragraph (15) whereby cotton thread for sewing sacks and bags and cotton twine for making or repairing fishing lines and fishing nets and netting have been included under Item 44 as duty free imports,
- (d) paragraph (19) whereby baby carriages, bath chairs and similar carriages have been included under Item 50 and admitted duty free,
- (e) paragraph (25) whereby Item 62 is amended so as to include among the vehicles admitted duty free all lorries, irrespective of the carrying capacity thereof, and vehicles primarily designed for use in connexion with agriculture, forestry, mining or other local industries,
- (f) paragraph (26) whereby the articles enumerated in Item 66, namely pickaxes, crowbars, shovels, earth-pans, axes and hatchets are admitted duty free instead of upon payment of duty at 10 per cent *ad valorem*,
- (g) paragraph (61) whereby—
- (i) a new Item 173 is added providing for the duty free importation of articles imported by or on behalf of the British Council for its official and public use or for donation to any institution approved by the Governor,
- (ii) a new Item 174 is added which incorporates the duty free articles hitherto included in Item 60 (deleted by paragraph (24) of Clause 2) and in addition includes warning signs and street-lighting equipment Under Item 60 signs were only admitted duty free if made of metal Under the new item signs of the type specified will be admitted duty free of whatever they are made

The provisions of this Bill if enacted will not entail any additional expenditure of public funds but will result in some loss of revenue
