GENERAL NOTICE No 2141

ORDINANCE FOR THE SETTLEMENT OF SECURITIES
FOR THE BRITISH AND AMERICAN ZONES
OF GERMANY

THE following is published for general information —

1 The Foreign Office (German Section) has announced that German Economic Council Ordinance No 155, an ordinance for the settlement of Securities, becomes effective on 1st October 1949

2 This ordinance has been issued to deal with the state of affairs which has arisen out of hostilities and post war conditions in Germany and which causes prejudice to the rights of holders of German securities of all kinds expressed in German currency

A very large proportion of these securities was destroyed looted or lost in other ways, particularly during the fighting in Berlin, others are still in blocked Depot in the Soviet Zone or Sector. As a result of this, rightful owners in Germany and abroad cannot exercise their rights. Moreover, the marketability of securities still in the possession of those rightful owners is prejudiced by the existence of a large number of securities which are offered for sale by wrongful possessors

4 The present Ordinance applies only to securities expressed in German currency which were issued up to 8th May, 1945 by an enterprise whose seat was within the British and American Zones on 1st October 1949

5 The objects of the Ordinance are—

- (a) to confirm the validity of securities now deposited in the three Western Zones whose rightful owners can readily be established. Holders of such securities who are resident outside Germany should in their own interests apply under Article 2 (2) of the Ordinance for Certificates of Negotiability through the German bank in which the securities are deposited. The time limit for applications under Article 2 (2) is 31st January, 1950
- (b) to investigate the validity of securities which are deposited outside Germany and, where this is established, to approve the issue of a certificate of negotiability
- (c) to investigate the validity of claims in all other cases e.g., where the security is lost or not available, with the ultimate object of issuing a new document of title in place of the old

The arrangements necessary to achieve (b) and (c) above are not yet complete and a further announcement will be issued in due course

GENERAL NOTICE No 2144

ADMISSION TO UNIVERSITIES COLLEGES OR OTHER
EDUCATIONAL INSTITUTIONS IN THE
UNITED KINGDOM, 1950-1951

ALTHOUGH it is anticipated that the pressure upon the universities and colleges in the United Kingdom will be somewhat less in 1950/51 than it has been in recent years, it is not expected that there will necessarily be any increase in the numbers of places available for colonial students. Most universities have a fixed limit for the number of overseas students (which includes colonial students) whom they are prepared to admit each year. Moreover and especially in the case of the older universities, there is a desire to cut down the over-all number of the student body in the university. Post war expansion which was necessary to make good the time lost during the war, brought many difficulties with it and the authorities are anxious to return to more normal conditions as soon as they can.

Every effort will be made to secure as many vacancies as possible for colonial students but, if the best use is to be made of the places offered, it is essential that the Director of Colonial Scholars should be furnished at the earliest possible moment with full particulars of all students, whether private or Government scholars who are to come forward for higher education in the United Kingdom for the session 1950/51. It is, therefore, necessary that all applications for admission in October, 1950, should be made on the appropriate forms to the Hon. Director of Education, P.O. Box 340, Nairobi, so as to reach him not later than 30th November 1949. The forms are obtainable from the Director of Education, and from the Senior Education Officers at Mombasa, Nyeri, Nkuru and Kisumu. Students should not write direct to the Director of Colonial Scholars. In no case can the latter consider late applications. Students who were unsuccessful in obtaining admission in 1949 or earlier years, should resubmit their applications to the Director of Education if they wish to be considered for any possible vacancies in 1950.

Applications for teacher training courses (including physical training, domestic science and Froebel training) for which the sponsorship of the Ministry of Education has to be obtained in the case of scholars and of private students alike, should be forwarded so as to arrive at the Education Department Head Office by 31st October, 1949.

The Director of Colonial Scholars has laid down as minimum qualifications for all candidates—

- (a) a Cambridge School Certificate with exemption from the London Matriculation
- (b) a London Matriculation Certificate

It may be found impossible to secure admission for candidates who are taking their examination for this exemption in December, 1949, or January, 1950.

All applications should be in the hands of the Director of Education P.O. Box 340, Nairobi, by 30th November 1949.

GENERAL NOTICE No 2043

GOVERNMENT AFRICAN OVERSEAS BURSARIES, 1950

AS it will be extremely difficult to obtain places in United Kingdom universities and colleges in 1950, it is essential that all applications for admission in October, 1950, should be received by the Director of Colonial Scholars in London in December, 1949. It will, therefore, be necessary for applications for Government African Overseas Bursaries to be received by the Director of Education by 30th November, 1949. It will not be possible for the Director of Colonial Scholars to secure places for any students who apply after that date. No applications for a bursary received after 30th November, 1949, can, therefore, be considered unless the applicant has already secured admission to a university or college

Persons wishing to apply for a Government African Overseas Bursary should obtain the necessary forms from either the Director of Education, Nairobi, or the Senior Education Officers at Kisumu, Nakuru, Nyeri or Mombasa. The completed forms must be returned through the appropriate Senior Education Officer, so as to reach the Director of Education not later than the 30th November, 1949

It should be noted that no application for a bursary will ordinarily be considered unless the candidate has satisfactorily completed a course of education at Makerere College
