GOVERNMENT NOTICE No 1228

The Governor in Council has approved of the following Bill being introduced into the Legislative Council

ALEX M WILKIE,
Acting Clerk to the Legislative Council

**A BILL ENTITLED
AN ORDINANCE TO SUSPEND THE OPERATION OF
THE FLAX ORDINANCE, 1939**

ENACTED by the Governor of the Colony of Kenya, with the advice and consent of the Legislative Council thereof as follows —

- | | |
|---|---|
| Short title | 1 This Ordinance may be cited as the Flax (Temporary Suspension) Ordinance 1950 |
| Temporary suspension of the Flax Ordinance 1939 No 40 of 1939 | 2. During the continuance in force of this Ordinance the operation of the Flax Ordinance 1939 shall, in relation to any flax crop subsequent to the flax crop of the year 1948 be suspended |
| Expiry | 3. This Ordinance shall continue in force until such date as it is terminated by the Governor by Proclamation published in the Gazette and shall then expire |

MEMORANDUM OF OBJECTS AND REASONS

The production of flax has steadily decreased from 1,000 tons per annum in 1944 to only 56 tons in 1948. While it appears likely that a small flax-growing industry will continue to exist it is unlikely that it will regain its wartime volume of production and in these circumstances it is economically unsound that such a small industry should continue to support a Board. It is proposed, therefore, that the affairs of the Board should be wound up but this cannot be accomplished immediately as, although the Board have informed growers that it will not accept responsibility for the 1949 crop, it will not be possible to dispose completely of the 1948 crop until the middle of 1950.

This Bill will, therefore, suspend in relation to every flax crop subsequent to the 1948 crop, the operation of the Flax Ordinance 1939 (*Clause 2*).

Clause 3 of the Bill provides for the Ordinance to remain in force until terminated by the Governor by proclamation.

No additional expenditure of public moneys will be incurred if the provisions of this Bill become law.

GENERAL NOTICE NO 3001

THE CROWN LANDS ORDINANCE

ALIENATION OF LAND

IT IS notified for general information that after 10th January, 1950, it is intended to proceed with the consideration of the alienation of certain areas set out in the Schedule to this notice

Applications have from time to time been submitted to (a) the Conservator of Forests, (b) the European Settlement Board, and (c) this Department

All such applications should be renewed to the undersigned not later than the 10th day of January, 1950, either by means of (1) a fresh application, or (2) a copy of the previous application, in respect of the areas marked on the Schedule as available for general application. Counter-claims or objections in respect of areas shown as intended to be added to existing farms should be renewed in like manner.

Applications may be submitted for the areas shown as intended to be used as European Settlement Board tenant farms, but it is pointed out that in all probability the areas will be taken over by that Board.

The expression "residential purposes" indicates that the area will be subdivided into plots of suitable sizes, and applications should be made for a plot within it or for the whole area. Applicants are not at this stage expected to specify a particular plot within the area concerned, but merely to indicate their desire for a plot and approximate acreage.

In all cases applications should be clearly headed —

Name of Forest Reserve	Map No	Recommendation No	Excision No	Area in Acres
------------------------	--------	-------------------	-------------	---------------

Lessees of farms affected by proposed exchanges with areas to be excised from forest, the proposals for which have already been approved, should make reference to the approval when submitting their applications.

The Special Commissioner of Lands reserves the right, in respect of all the areas concerned, to grant permission to the Conservator of Forests to construct and maintain such roads of access as may be necessary for any purpose connected with forestry.

Nairobi,
16th December, 1949
