THE CROWN LANDS ORDINANCE

HOTEL SITES—ESCARPMENT

IT IS notified for general information that the Kenya Government is prepared to enter into negotiations for the direct grant of a site of three to five acres on the Escarpment overlooking the Rift Valley in the Kedong area adjacent to the main Nairobi-Naivasha road for the erection of an hotel. Three possible sites are listed in the Schedule below. Interested parties are invited to notify the Special Commissioner for Lands, P.O. Box 89, Nairobi, Kenya, not later than the 15th day of March, 1950, of their desire to enter into negotiations, stating at the same time—

- their proposals in general terms for the construction of the hotel accompanied if possible by a sketch plan,
- minimum amount of capital which it is proposed to expend on the actual construction of the hotel exclusive of administration architects fees, etc.,
- the amount of guaranteed capital available for construction purposes,
- proposed arrangements for water supply. There is no water at any of these sites and the method of providing water is the crux of the matter in each case.

E. R. COUSINS,

Nairobi,
20th January, 1950*Special Commissioner and Acting
Commissioner of Lands*

SCHEDULE

Site 1—This is situated at approximately mile 26½ from Nairobi on the east side of the Rift Valley Road and comprises a ledge actually overhanging the road which is about 150 feet below it. It can be approached on a gentle gradient by an existing forest road which leaves the main road at approximately mile 25½ from Nairobi. There is an uninterrupted view over the entire Rift Valley. The nearest known supply of water is in the loop of the railway to the north-east at 1½ miles away.

Site 2—This site is on the west of the road approximately at mile 29½ from Nairobi. The site can be identified by an abandoned masonry plinth some 3½ ft by 2½ ft by 2½ ft high standing beside the road. It comprises five or six acres and would offer an uninterrupted view of the Rift Valley if some clearing was undertaken. There is no known water supply at the site, but water is believed to exist in the valley below at a distance of approximately half a mile.

Site 3—This site is on the east of the road a little short of the 31st milestone from Nairobi and adjacent to a small streamlet which emerges from the Escarpment. The site comprises five or six acres. There is water on the site, but the view offered is not nearly so good as that from the other two sites.

Interested parties may examine a map on which the sites are marked on application to the Lands Office, Nairobi.

GENERAL NOTICE No 199

(T & C 20/17/3/7)

THE following is published for general information in continuation of General Notice No 2141 of 25th October, 1949 —
SETTLEMENT OF SECURITIES FOR THE WESTERN ZONES OF GERMANY AND WESTERN SECTORS OF BERLIN

The first notice regarding this matter appeared in the Board of Trade Journal of 15th October, 1949. It is now notified for general information that the provisions of the Ordinance for the Settlement of Securities in the British and American Zones have been extended to the French Zone and the Western Sectors of Berlin through corresponding Ordinances.

2 The Ordinances apply only to securities expressed in German currency which were issued up to 8th May, 1945, by an enterprise which had its seat within the British, American or French Zones and the Western Sectors of Berlin and by a local government or municipality which had its seat within the British, American or French Zones. Securities issued by the Reich and its agencies do not come within the scope of the Ordinance.

3 Paragraph 5 (a) of the first notice explains the procedure for securities deposited in the Western Zones. This procedure now applies equally to securities held deposited in the Western Sectors of Berlin whose rightful owners should apply under article 2 (2) of the Ordinance for certificates of negotiability through the bank in which the securities are deposited. Application should be made before the 1st February, 1950.

4 In respect of securities not covered by paragraph 3 above, the position is as follows —

(a) If the securities have been held outside Germany since 1st January, 1945, and are deposited with a bank outside Germany, application may be made for certificates of negotiability to be issued by the investigating authorities in Germany confirming the validity of such securities.

(b) In all other cases, e.g. if the securities have been lost, destroyed or are otherwise not available as evidence of the rightful owners' rights and title, application may be made for such share in a collective document as may be determined by the investigating authorities in Germany after all applications have been received and dealt with. The share will eventually be notified to the applicant and a new security issued in due course in respect thereof.

5 As regards the method of completing an application under paragraph 4 above, claimants are advised to consult their bankers or brokers in the United Kingdom. The necessary forms for the completion of applications under paragraph 4 above can be obtained through banks and brokers in the United Kingdom, who will be in a position to obtain expert advice on technical questions arising from the operation of the Ordinance.

6 It will not normally be necessary to forward the actual securities or supporting documents to Germany.

7 All securities to which the Ordinance applies and for which no certificate of negotiability is or may be issued will be null and void.

FOR the information of British owners of property in Italy, Hungary, Rumania and Bulgaria who have in the past stated that they wished to make a claim under the peace treaties in respect of war loss of or damage to their property in those territories but who have not as yet completed the relevant claim forms, it is announced that His Majesty's Government are unable to maintain indefinitely the facilities at present provided for the channelling of such claims to the foreign government concerned. Accordingly, an owner wishing to make a claim who has not yet sent a completed claim form to Administration of Enemy Property Department, 32 Warwick Street, London, W1, should do so before 31st March, 1950, if he wishes His Majesty's Government to present the claim officially on his behalf.

British property owners who have suffered war loss or damage to their property in any of those territories and have as yet taken no steps to claim compensation under the peace treaties should, if they wish to make use of the facilities described above, write immediately to Administration of Enemy Property Department for the appropriate claims forms and explanatory notes.

The right of claimants themselves to make a compensation claim direct to the foreign government concerned remains unaffected by the withdrawal of the facilities hitherto provided.
