# MEMORANDUM OF OBJECTS AND REASONS

The East Africa High Commission propos s to raise a loan of £4,500,000 for the purposes of the East African Posts and Telegraphs Department

In order that the stock may have the status of trustee securities it is necessary that payment of the principal and interest on the loan should be guaranteed by legislation not only of the High Commission, out also of the three High Commission territories

This Eill will accordingly effect the guarartee so far as Kenya as concerned It is understood that similar legislat on will be introduced in Tanganyika and Uganda

It will be noted that the proviso to section 3 imits payments under the guarantee to a maximum sum of four million seven hundred and fifty thousand pounds sterling, that is to say, two hundred and fifty thousand pounds more than the loan to be rai ed. This is necessary in case it should be decided to raise the loan at a discount

It is not possible to state whether any and if so what additional expenditure of public moneys will be involved if the provisions of this Bill become law
