GENERAL NOTICE No 637

ELECTRIC POWER ORDINANCE

PUBLIC NOTICE of an application to be made for a licence to authorize the construction of a hydro-electric generating station on the Sosiani River (near the Selby Falls) for the purposes of Local Generating Licence No 7 dated the 11th day of March, 1932

Notice is hereby given to all whom it may concern that on the 8th day of June, 1950, the East African Power and Lighting Company, Limited (a limited liability company incorporated in the Colony and Protectorate of Kenya and having its registered office at Nairobi in the said Colony), will make application to His Excellency the Governor in Council for a licence authorizing the construction of a hydro-electric generating station for the purposes of Local Generating Licence No 7 dated the 11th day of March, 1932, on a piece of land comprising 256 acres or thereabouts (as to 228 acres or thereabouts forming portion of the premises known as Land Office Reference No 771 and as to 28 acres or thereabouts forming portion of the premises known as Land Office Reference No 784) which is situated on the left bank of the Sosiani River in the vicinity of the Selby Falls as the same is more particularly delineated and described on the plan marked 655 deposited at the office of Messrs Hamilton, Harrison and Mathews, advocates, Nairobi, and at the office of the East African Power and Lighting Company, Limited, at Eldoret and thereon bordered red. The said piece of land is owned as to said portion of Land Office Reference No 771 comprising 228 acres by the Crown and as to the said portion of Land Office Reference No 784 comprising 28 acres by Miss Barbara Wakinshaw Shaw, c/o W A Shaw, Esq, advocate, Eldoret, but the applicant has reached a basis of agreement with the Commissioner of Lands for the purchase of the said portion of Land Office Reference No 771 and with the said Miss Barbara Wakinshaw Shaw for the grant of all necessary easements over the said portion of Land Office Reference No 784.

The object and reason of the application is to supplement the supply of electrical energy available for the purposes of Local Generating Licence No 7 dated the 11th day of March, 1932, which serves Distributing Licence No 9 dated the 11th day of March, 1932.

The machinery to be installed in the proposed generating station will be a water-turbine or water turbines of a capacity or aggregate capacity not less than 200 kilowatts. All such machinery will be installed in strict compliance with section 50 (1) of the Electric Power Ordinance. It will be operated continuously or as may be required.

The works proposed for operation of the said generating station, when constructed, include—

a well on the Sosiani River, at some point within 100 yards up-stream of the Selby Falls, with a canal thence to a head-pond above the generating station, thence to the penstock of the generating station on the site described above, all as more particularly delineated on the said plan marked 655.

All works will be of the descriptions and types required by, and will be carried out in accordance with, the Electric Power Ordinance.

No generating stations equipped with similar machinery for the purposes of general supply other than those already belonging to the applicant, exist at any place nearer than at Karatina.

Copies of the draft of licence now being applied for, and of the licence when granted, will be deposited at the office of Messrs Hamilton, Harrison and Mathews aforesaid and at the office of the East African Power and Lighting Company, Limited, at Eldoret aforesaid.

The public or local authorities, companies, persons or bodies of persons affected by this application are the following—

- (a) The Provincial Commissioner, Nakuru, by reason of the proposed generating station and works being within his jurisdiction

- (b) The District Commissioner, Eldoret, by reason of the proposed generating station and works being within his jurisdiction
- (c) The Water Board by reason of the proposed diversion from the waters of the Sosiani River
- (d) The Uasin Gishu District Council by reason of the proposed generating station and works being within its jurisdiction
- (e) The Commissioner of Lands in so far as the proposed works or any of them will be situated on or cross the lands known as Land Office Reference No 771
- (f) Miss Barbara Wakinshaw Shaw in so far as the proposed works or any of them will be situated on or cross her lands known as Land Office Reference No 784

Any public or local authority, company, person or body of persons desirous of making any representation on or objection to this application, or with respect to the proposed works, must do so by letter addressed to the Governor in Council and marked on the outside of the cover enclosing it "Electric Power Ordinance" on or before the expiration of 60 days from the date of the application as stated in the notice, and must forward to the applicant a copy of such representation or objection.

Dated the 10th day of March, 1950

GENERAL NOTICE No 483

CROWN LANDS ORDINANCE
(Chapter 140 of the Revised Edition)

TENDERS are invited in terms of prices to be charged at quarry site for cut stone to be quarried from an area of land of six acres thereabouts having a frontage of approximately 300 feet situated adjacent to Naivasha township. A plan showing the site may be seen at the Public Map Office of the Survey Department, P.O. Box 1766, Nairobi, or may be had on application and payment of Sh 5, post free.

(a) *Conditions of Tender*

1 Sealed tenders marked "Tender for Quarry—Naivasha Township" must be deposited with the undersigned before noon on Wednesday, 5th April, 1950.

2 Tenders should be accompanied by a statement indicating —

(a) The minimum quantity of cut stone in running feet that could be excavated monthly.

(b) The experience of the tenderer in quarrying of this nature.

(c) The amount of guaranteed capital available for development purposes.

3 The successful tenderer will be required to pay the rent due to 31st December, 1950, within seven days of notification that his tender has been accepted.

4 The lowest or any tender will not necessarily be accepted. Tenderers must furnish evidence of financial competency and full information in regard to their proposals for the development of the plot.

(b) *General*

1 Temporary agreement commencing from 1st May, 1950, subject to termination by three months' notice on either side.

2 Rent Sh 240 per annum.

3 Royalties, stone and chippings Sh 13 per 1,000 cubic feet.

4 Not less than 50 per cent of the output to be made available to the public at quarry site and to be increased if this is considered by the Commissioner of Lands to be warranted by the demand.

5 No quarrying within 100 feet of any road.

6 Quarrying to be commenced at lowest part of the plot provided that it is not within 100 feet of a road.

7 No excavation to be effected below the level of commencing point.

8 Floor of quarry to have a slight upward grade and so drained as to be kept clean and free from mosquito-breeding areas to the satisfaction of the Medical Officer of Health, Naivasha, and the Commissioner of Lands.

9 Spoil to be used—

(a) for smoothing over the rough quarry floor left after quarrying,

(b) for filling excavations on plot outside of actual quarry,

(c) for filling excavation as directed by the Commissioner of Lands or officer appointed to act on his behalf.

10 At all times to comply with the reasonable requests of the Commissioner of Lands or officer appointed by him with a view to the proper conduct of quarrying operations.

11 Landies to be erected on the plot for native labour in accordance with the minimum standard of housing as laid down by the Labour Controller, Naivasha. Landies to be of cut stone, rammed murrum and pointed, each room not less than 10 ft by 12 ft, ten rooms to a landie.

12 Proper lavatory accommodation to be provided to the satisfaction of the Medical Officer of Health.

13 Sides of quarry to be left vertical or sloped off towards the quarry bottom to prevent any subsequent fall of earth.

14 To submit a monthly return to the Commissioner of Lands, or the person appointed by him, and to the Commissioner of Inland Revenue not later than the 15th day of the following month, showing the quantities of stone and chippings excavated during the month, and upon request the licensees shall submit their sales register or books for examination purposes.

15 To stack all stone and chippings excavated and not remove any portion thereof until the same shall have been measured by a representative of the Commissioner of Lands, and after such measurements have been effected such stone and chippings to be removed by the licensees.

16 No tender for cut stone in excess of the following will be considered —

Size	Per 100 linear feet
9 in by 12 in	Sh 47
9 in by 9 in	Sh 37
9 in by 6 in	Sh 31
9 in by 4 in	Sh 25

17 The provisions of paragraphs 8 of Government Notices Nos 83 and 328 of 1949, as set out in paragraph 16 above, would be operative during the agreement, providing the lessee notifies the Commissioner of Lands, Nairobi, beforehand of his intention to obtain permission from the Price Controller to quarry stone not in accordance with orders,

18 For this purpose cut stone" means stone, sound and hard throughout, chisel dressed into true rectangular blocks with each surface even and at right angles to all adjoining surfaces, to the size specified. The maximum permissible variation of any of the foregoing dimensions shall be one quarter of an inch provided that cut stone sold as "rock faced" stone may be hammer dressed on one face only or on the face and one end if in other respects it conforms with this specification.

19 The maximum road transport rates which may be charged from the quarry to the building site or the nearest railway station shall be Sh 5 per ton for distances not exceeding five miles, and for distances exceeding five miles 75 cents per ton mile by the shortest practicable route. These charges shall include loading and unloading at building site, or "free on rail" nearest railway station. They are for loaded vehicles only and no charge shall be made for journeys of empty vehicles.

20 For the purposes of the Defence (Control of Prices) Regulations, 1945, the sale of any quantity of cut stone shall be deemed to be a wholesale sale.

21 Any person carrying on the business of quarrying cut stone shall maintain a register of orders fulfilled or accepted by him, showing in respect of each transaction the name and address of the purchaser and the amount of cut stone ordered.

22 No dressed stone other than cut stone as defined in paragraph 17 hereof shall be sold from the quarry.

G H W ANNELLS,
for Commissioner of Lands

Nairobi, 1950

THE FOREST DEPARTMENT

TENDERS FOR WATTLE FUEL AND BARK, MUGUGA AND KIKUYU ESCARPMENT (UPLANDS) FR

TENDERS are invited for the right to cut and remove all fuel and bark from wattle trees standing in the following areas —

Muguga Cpt 9 (d) and (e), approximately 135 acres

Uplands Cpt 83 (a) and (d), approximately 31 acres

2 The basis of tender will be a price per acre. Any tenderer wishing to cut more than one area should submit a separate tender for each area.

3 Twenty per cent of the total value of each tender must be paid on the issue of the licence, 60 per cent one month later and the remainder not later than three months after the issue of the licence.

4 The successful tenderer will be required to commence cutting within one month of issue of the licence and to conclude operations within four months of issue. The successful tenderer will also be responsible for obtaining from the Agricultural Officer, Kiambu, the necessary permit to dispose of the bark.

5 The area may be inspected by arrangement with the Forester, Muguga, P.C. Kikuyu, or the Forester, Uplands, P.O. Uplands. In this connexion tenderers are advised personally to inspect the area for which they desire to tender. Tenderers are also required to note that the periods laid down in paragraph 4 will be strictly adhered to.

6 Tenders marked "Wattle" must reach the Divisional Forest Officer, Nairobi Division, P.O. Box 337, Nairobi, by 12 noon on 1st April 1950.

7 The highest or any tender will not necessarily be accepted.

W E M LOGAN,
for Conservator of Forests

GENERAL NOTICE No 586

ELECTRIC POWER ORDINANCE

PUBLIC NOTICE of an application to be made for a licence to authorize the construction of a thermal generating station on a site in the industrial development area of Nairobi for the purposes of Local Generating Licence No 2 dated the 24th day of March 1922

Notice is hereby given to all whom it may concern that on the 1st day of June, 1950, the East African Power and Lighting Company, Limited (a limited liability company incorporated in the Colony and Protectorate of Kenya and having its registered office at Nairobi in the said colony), will make application to His Excellency the Governor in Council for a licence authorizing the construction of a thermal generating station for the purposes of Local Generating Licence No 2 dated the 24th day of March, 1922, on a piece of land comprising $3\frac{1}{2}$ acres or thereabouts which is situated in the south of the industrial development area of Nairobi as the same is more particularly delineated and described on the plan marked NS 1 deposited at the office of Messrs Hamilton, Harrison and Mathews, advocates, Nairobi, and at the office of the East African Power and Lighting Company, Limited, Nairobi, and thereon marked "Site within a red circle of 300 yards radius"

The said piece of land is Crown land and a basis of agreement has been reached between the applicant and the East African Railways and Harbours Administration as to the granting to the applicant of a lease thereof coterminous with Distributing Licence No 2 dated the 24th day of March, 1922

The object and reason of the application is to supplement the supply of electrical energy available for the purposes of Local Generating Licence No 2 dated the 24th day of March 1922, which serves Distributing Licences Nos 2 and 16 dated the 24th day of March, 1922 and the 31st day of December, 1948 respectively

The machinery to be installed in the proposed generating station will be four 1,100 kw English Electric oil-engine generating sets and two 2,500 kw B T H gas turbine sets of a capacity or aggregate capacity not less than 9,400 kilowatts All such machinery will be installed in strict compliance with section 50 (1) of the Electric Power Ordinance It will be operated continuously or as may be required

The works proposed for operation of the said generating station, when constructed include —

A steel-framed building covered asbestos cement sheets or walled in cut stone or concrete blocks, foundations for the generating plant described above, fuel tanks, cooling towers, circulating water pumps, switchgear and step-up transformers, all with the necessary foundations and ancillary buildings, all as more particularly delineated and described on the plans marked 'Drg No 715' and "Drg No 706"

All works will be of the descriptions and types required by and will be carried out in accordance with the Electric Power Ordinance

No generating stations equipped with similar machinery for the purposes of general supply, other than those already belonging to the applicant, exist at any place nearer than at Karatina

Copies of the draft of licence now being applied for, and of the licence when granted, will be deposited at the office of Messrs Hamilton, Harrison and Mathews aforesaid and at the office of the East African Power and Lighting Company, Limited, Nairobi

The public or local authorities, companies, persons or bodies of persons affected by this application are the following —

- (a) The Provincial Commissioner, Nyeri, by reason of the proposed generating station and works being within his jurisdiction

- (b) The District Commissioner, Nairobi, by reason of the proposed generating station and works being within his jurisdiction

- (c) The Municipal Council of Nairobi by reason of the proposed generating station and works being within its jurisdiction

- (d) The East African Railways and Harbours Administration by reason of the fact that such Administration is the proposed lessor of the said piece of land

Any public or local authority, company, person or body of persons desirous of making any representation on or objection to this application, or with respect to the proposed works, must do so by letter addressed to the Governor in Council and marked on the outside of the cover enclosing it "Electric Power Ordinance" on or before the expiration of 60 days from the date of the application as stated in the notice, and must forward to the applicant a copy of such representation or objection

Dated the 9th day of March, 1950

HAMILTON, HARRISON & MATHEWS,
Advocates for the applicant,
Nairobi House Nairobi
