Repeal
No 52 of 1948

MEMORANDUM OF OBJECTS AND REASONS

The existing Tea Ordinance which was first enacted in 1934 and which, having as a result of an oversight, been allowed to expire in March, 1948, had to be re-enacted in that year, was designed to enable the restriction of the production of tea in accordance with an International Tea Restriction Scheme. In 1946 Kenya withdrew from participation in the Restriction Scheme and in 1947 the Ordinance was amended to delete the limitation on the acreage which it was permissible to plant in tea.

The legislation relating to tea in Kenya, Uganda and Tanganyika has up to now been different in each territory. While it has, for some time been considered desirable that the three territories should have identical or nearly identical legislation on this subject it was not until last year that agreement as to the legislation to be introduced was arrived at.

This Bill will give effect to the joint recommendations of the three territories. It is understood that an Ordinance on similar lines has already been enacted in Uganda and that a Bill will shortly be introduced in the Legislature of Tanganyika.

Clauses 3 and 4 of the Bill provide for the establishment of a Tea Board and for its incorporation.

Clause 5 provides for the procedure and meetings of the Tea Board.

Clause 6 enables the Board to nominate persons to represent the Board on any inter-territorial body which may be established.

Clauses 7, 8, 9, 10 and 11 deal with planting licences. *Clause 7* prohibits the planting of tea except under licence. *Clause 8* provides for the form and contents of an application for a planting licence. *Clauses 9 and 10* provide for the circumstances in which a planting licence may be cancelled or refused. *Clause 11* provides that a planting licence shall not be transferable except with the permission of the Board.

Clause 12 provides for the powers of the Board to enter and inspect any land and buildings occupied by a licensee.

Clause 13 gives the Board power by notice in writing to require any person convicted of the offence of planting tea without a licence or planting tea on more land than his licence allows to uproot the tea so planted.

Clauses 14, 15 and 16 provide for controlling the export of manufactured tea. *Clause 14* prohibits the export of manufactured tea outside East Africa except under permit issued by the Board. The export of not more than two pounds by parcel post, of samples of not more than eight ounces, and the re-export of any quantity, is expressly excluded from the application of the section. *Clause 15* provides for an appeal to the Governor in Council against a refusal by the Board to issue an export permit. *Clause 16* provides a penalty for exporting or attempting to export manufactured tea without a permit or in breach of the terms of a permit.

Clauses 17, 18 and 19 provide for the imposition, amount and utilization of the proceeds of a cess. *Clause 17* enables the Governor in Council to impose one or both of two forms of cess, namely a cess on manufactured tea and a cess on the planted acreage. The cess may not exceed four shillings per hundred pounds of manufactured tea or four shillings per acre in the case of a cess on the planted acreage. *Clause 18* enables the Board to make recommendations to the Governor in Council in relation to the amount of the cess and generally as to the steps which it regards as necessary to protect and promote the interests of the industry. *Clause 19* prescribes the purposes for which the proceeds of any cess may be used.

Clause 20 provides for the audit of the accounts of the Board.

Clause 21 enables the Board to require returns from a licensee.

Clause 22 prohibits the export of tea seed to any destination outside East Africa.

Clause 23 provides for the penalties for an offence against the Ordinance and *Clause 24* provides that any director, manager, secretary or other officer of a body corporate by which an offence was committed shall be equally guilty of the offence if it was committed with his knowledge or approval.

Clause 25 provides for the making of rules for carrying out the provisions of the Ordinance

Clause 26 provides for the procedure in appeals to the Governor in Council

Clause 27 provides that the Ordinance shall not apply to the growing of tea by Africans in the native areas

Clause 28 repeals the Tea Ordinance, 1948

It is not anticipated that the provisions of this Bill will if enacted, result in any additional expenditure of public money
