GOVERNMENT NOTICE No 773

The Governor in Council has approved of the following Bill being introduced into the Legislative Council

T V N FORTESCUE,
Acting Clerk to the Legislative Council

**A BILL ENTITLED
AN ORDINANCE TO AMEND THE EXCESS PROFITS
TAX ORDINANCE, 1941**

ENACTED by the Governor of the Colony of Kenya, with the advice and consent of the Legislative Council thereof as follows —

Short title

No 14 of 1941

Amendment of
section 33 of
the principal
Ordinance

1. This Ordinance may be cited as the Excess Profits Tax (Amendment) Ordinance, 1950, and shall be read and construed as one with the Excess Profits Tax Ordinance, 1941, hereinafter referred to as the principal Ordinance

2. Section 33 of the principal Ordinance is amended ⁵ by substituting a colon for the full stop at the end of the section and by adding the following proviso—

Provided that any such expenditure which has not been incurred, and any such assets which have not been fully employed in the business, on or before the 31st ¹⁰ day of December 1950 shall not be deemed to have been so incurred or fully employed, as the case may be, on the 31st day of December, 1947

MEMORANDUM OF OBJECTS AND REASONS

In 1947 a section (section 33) was inserted in the Excess Profits Tax Ordinance, 1941 (herein referred to as the principal Ordinance), which provided that any person liable to pay excess profits tax who was able to prove to the Commissioner that by reason of conditions prevailing as a consequence of the war—

(a) he was compelled to defer until after the 31st December, 1947, expenditure or expenditure upon an asset which he had intended to incur before that date, or

(b) any asset upon which he has incurred expenditure on or before the 31st December, 1947, could not be fully employed in the business before the 31st December, 1947,

and if the expenditure had been incurred or the asset had been fully employed, it would have been taken into account in computing the amount of the profits for any chargeable accounting period, might deliver to the Commissioner, before the 1st January, 1948, a statement of the expenditure so deferred or the asset concerned, and if thereafter the expenditure was incurred or the asset fully employed within such period as to the Commissioner seemed reasonable, it was to be deemed to have been so incurred or fully employed on the 31st December, 1947

The Commissioner had adopted a liberal interpretation of this provision. By the 31st December 1950, however, five years will have elapsed since the cessation of the tax during which very substantial profits have been made free from excess profits tax, and it is considered that by the 31st December next, sufficient time will have been granted for all development expenditure which could fairly be taken into account for the purposes of this war-time tax to have been incurred

This Bill will accordingly, amend section 33 so as to provide that expenditure to which the section applies which is not incurred, or assets which are not fully employed in a business, on or before the 31st December, 1950, shall not be deemed to have been incurred or employed, as the case may be, on the 31st December 1947

No additional expenditure of public moneys will be incurred if the provisions of this Bill become law
