5 It appears that no revenue has been derived from fines and fees of the Thika Native Tribunal although expenditure on salaries and stationery amounting to £20 7 55 was incurred in the last quarter of the year

6 A payment of £7 10 00 on African clerks quarters at Malindi is the subject of an audit query

NOTICE

APPLICATIONS are invited for 17 farms at Ngwina, Songea District, Southern Province, Tanganyika Territory, indicated on a plan which may be inspected at the offices of—

The Provincial Commissioner, Lindi,
The District Commissioner, Songea,
The Land Settlement Officer, Dar es Salaam

Forty farms have been surveyed, each approximately 500 acres. It is intended to dispose of 17 in the first instance, leaving alternate farms vacant for extension to the areas granted, if considered advisable so to do at a later date, or for disposal to other applicants

The farms will be let as tobacco farms for the purpose of growing flue-cured tobacco. No guarantee can be given that they are suitable for the purpose, but there is reason to believe that is so, and field trials are, at present, being conducted within the surveyed area by the Agricultural Department and a representative of an overseas company with long experience in tobacco production. These trials have not been concluded and applicants should, therefore, personally examine the land or take such other steps as they see fit

The area is approximately 80 miles from Songea by road, and, at present, is inaccessible owing to weather conditions and it may not be possible to visit it for inspection before the end of May or early June. Interested persons will be kept informed

Applications must be accompanied by a completed form of questionnaire which may be obtained from the officers referred to above

No date is fixed for the closing of such applications which will be dealt with as soon as possible after receipt thereof, but not before 30th June, 1951, by a selection committee of the Land Utilization Board

Factual evidence of the following must be supplied —

- (a) Financial resources
- (b) Experience in tobacco farming
- (c) Ability to obtain experienced personnel to provide adequate supervision

Successful applicants will be granted a right of occupancy for a term of 99 years at an annual rental of Sh 1 per acre per annum, subject to rent revision at the end of every 20-year period. Successful applicants will be required to grow sufficient food crops to feed their labour

In addition to the surveyed area, there is a large area adjacent thereto available for investigation by larger enterprise than individual settlers

The prices quoted must be for delivery at the school named

Where more than one article of any type is required the contractor must first produce a sample for inspection and approval.
