GOVERNMENT NOTICE No 1040

The Governor in Council has approved of the following Bill being introduced into the Legislative Council

H A C HOWARD,
Acting Clerk to the Legislative Council

**A BILL ENTITLED
AN ORDINANCE TO AMEND THE MUSEUMS
TRUSTEES ORDINANCE**

ENACTED by the Governor of the Colony of Kenya, with the advice and consent of the Legislative Council thereof as follows —

Short title

1. This Ordinance may be cited as the Museums Trustees (Amendment) Ordinance, 1951, and shall be read and construed as one with the Museums Trustees Ordinance, hereinafter referred to as the principal Ordinance

Cap 315

Amendment of
section 5 of
the principal
Ordinance

2. There shall be substituted for paragraph (a) of sub-section (1) of section 5 of the principal Ordinance the following—

(a) with the consent of the Governor in Council—

(i) purchase or exchange immovable property for any purpose of, or connected with, any museum, 10

(ii) sell lease, mortgage or exchange any immovable property from time to time vested in the Board which is not required for any purpose of, or connected with, any museum 15

Provided that the proceeds of any such sale and the rent derived from any such lease shall be devoted to the aforesaid purposes and shall not be otherwise disposed of except with the consent of the Governor in Council, 20

(iii) erect, and maintain and improve, buildings to be used for any purpose of, or connected with any museum (including the provision of staff quarters), and for any such purpose borrow money, whether by way of mortgage or otherwise 52

MEMORANDUM OF OBJECTS AND REASONS

This Bill will amend the Museums Trustees Ordinance so as to enlarge the scope of the powers of the Board of Trustees. The Board have recently represented that they consider it desirable to provide quarters for their European staff in close proximity to the Coryndon Museum. As the law now stands the Board is not empowered to do this. It is considered that the Board should be so empowered. The opportunity has also been taken to empower the Board, in addition, to lease and mortgage immovable property vested in it and to borrow money for the purpose of erecting, maintaining and improving buildings. The consent of the Governor in Council for the exercise of any of these new powers will be required in the same way as such consent has hitherto been required to purchase, sell or exchange immovable property.

No additional expenditure of public moneys will be incurred if the provisions of this Bill become law.

Nairobi,
21st September 1951

JOHN WHYATT,
Attorney General
