and

(b) by adding thereto the following new sub-section—

(3) The Member may by order empower a labour officer to authorize any employer who satisfies him that he supplies rations to any employee to deduct from the wages of such employee a sum to be specified in the order

#### MEMORANDUM OF OBJECTS AND REASONS

Considerable difficulty has been experienced in operating the Regulation of Wages and Conditions of Employment Ordinance, 1951 (herein referred to as the principal Ordinance), owing to the requirements of section 10 (2) of the Ordinance that a period of thirty days must elapse between the first publication of a wages regulation proposal by the Wages Advisory Board and its implementation by a wages regulation order. Maize meal forms a large item in the diet of workers at the minimum wage level, and an increase in the price of maize often necessitates a revision of the minimum wages. It is not possible to announce an increase in the price of maize meal in advance of the date on which it takes effect, for if this were done unscrupulous persons might withhold stocks from sale until the increase took place. It is therefore impossible for the Board adequately to explain the reasons for a proposed increase in the minimum wage. Moreover, the thirty days' notice now required makes it impossible rapidly to adjust the minimum wage to an increase in prices. In the original draft Bill, the provisions of section 10 began to operate only after the Board had submitted wage proposal to the Member, and the thirty days' notice referred to in section 10 (2) was not required. The Select Committee on the Bill considered that any recommendation by the Board, including a recommendation as to minimum wages, should be subject to the whole of the procedure laid down in section 10, and the Bill was passed with the amendments recommended by the Select Committee to give effect to this. *Clauses 2 and 5 (a) and (b)* of this Bill will amend sections 4 and 10 of the principal Ordinance so as to remove the need for the thirty days notification in respect of the fixing of a minimum wage by the Wages Advisory Board.

2. The opportunity has also been taken to make the following other amendments to the Ordinance which are considered to be necessary. These are as follows—

- (a) *Clause 3* will make it plain that a wages council order made by the Member and laid on the table of the Legislative Council under section 7 (5) will only come into force as made if no resolution by the Legislative Council relating to it is passed.
- (b) *Clause 4* will make certain drafting amendments to sub-section (2) of section 9 of the principal Ordinance which do not affect the substance or meaning of the sub-section.
- (c) Paragraph (c) of *clause 5* will amend sub-section (3) of section 10 of the principal Ordinance to make the Member responsible for publishing a wages regulation order made by him under section 10 (3) of the Ordinance instead of the Chairman of the Wages Advisory Board or of the wages council after being notified of its making by the Member.
- (d) *Clause 6* will amend section 11 of the principal Ordinance to make it possible for the Member to empower a labour officer to authorize an employer to make specified deductions from the minimum wage of an employee in respect of rations supplied by the employer. This will give statutory recognition to what has under the Minimum Wage Ordinance (now repealed), been an established practice and was provided for in a proviso to the Order made under the Ordinance by the Governor in Council.

It is not expected that any additional expenditure of public moneys will be incurred if the provisions of this Bill become law.

Nairobi,  
2nd October, 1951

JOHN WHYATT,  
Attorney General

Ordinance

10. Sub-section (1) of section 25 of the principal Ordinance is amended by inserting after the words "the Bombay Agents" the words "or the Karachi Agents, as the case may be" 5

#### MEMORANDUM OF OBJECTS AND REASONS

This Bill will make certain amendments to the Asian Officers' Family Pensions Ordinance (Cap 75) (hereinafter referred to as the principal Ordinance) which were rendered necessary as a result of the revised terms of service introduced with effect from the 1st January 1946. The following are the more important amendments which the Bill will make

The definition of "Asian officer" in section 2 of the principal Ordinance now refers to the Kenya Asian Local Civil Service. As this service no longer exists the definition requires amendment in this respect. The definition also enables the Governor to approve for membership of the Fund any other officer. It is considered necessary that the Governor should also be able to specify conditions subject to which he approves any such other officer becoming a member of the Fund. *Clause 2 (a)* will redefine the definition of Asian officer to provide for these matters

Under the existing provisions of sub-section (4) of section 2 of the principal Ordinance if an officer, when he becomes a member of the Fund, is married to more than one wife, on the dissolution, whether by death, divorce or annulment, of his marriage to his wife by the earliest marriage (which is deemed to be the valid marriage for the purposes of the Ordinance) the first marriage after such dissolution is to be deemed the valid marriage. This has the effect of depriving the wife by the next marriage in point of time which subsisted coterminously with the one dissolved, of validity under the Ordinance. As this result was not intended *clause 2 (c)* of the Bill will amend the sub-section to provide that the next earliest subsisting marriage shall be the valid one

Contributors to the Asiatic Widows' and Orphans' Pensions Fund (which was superseded by the Asian Officers' Family Pensions Fund created by the principal Ordinance) were permitted to elect to transfer to the new Fund. Subsequently by Secretariat Circular No 9 of 1946 persons who had so elected were told that they might revoke their options as it was considered that by reason of the terms of a previous circular on the subject some officers might have been misled into making an election to their disadvantage. *Clause 6* of the Bill will amend section 11 of the principal Ordinance to render legal the revocations made pursuant to Circular No 9 of 1946

*Clause 7* will amend section 12 of the principal Ordinance so as to increase from £60 to £120 per annum the salary limit below which an officer is ineligible to become a member of the Fund and to exclude from membership learners and apprentices and officers serving on letters of temporary appointment on a month to month basis

*Clause 8 (a)* will amend section 14 of the principal Ordinance so as to provide that, in the case of an officer who retires on pension and continues to contribute at the rate at which he was contributing immediately prior to his retirement, Government's contribution will be based on the salary of the officer on which his contributions are based, rather than, as at present, on the officer's pension. *Clause 8 (b)* amends the same section so as to provide that where an officer is specially approved for membership with retroactive effect, Government's contribution to the Fund shall not be retroactive unless the Governor otherwise directs

If the provisions of this Bill become law some additional expenditure of public moneys will be incurred, but it is not possible to estimate with any exactitude what that expenditure is likely to be, except that the arrears of Government's contributions since the 1st January 1946, in respect of officers who will be permitted to transfer to the Fund from the Asiatic Widows' and Orphans' Pensions Fund will amount to approximately £44,000

5th October, 1951

JOHN WHYATT,  
Attorney General

## THE CROWN LANDS ORDINANCE

## ALIENATION OF SISAL LAND—KIBWEZI

TENDERS are invited for the grant for agricultural purposes of the area detailed in the Schedule hereto, part of which, believed to be approximately 1,600 acres is planted with sisal

A plan of the area may be seen at the office of the Commissioner of Lands Nairobi, and the Public Map Office of the Survey Department, Nairobi

Copies of the plan may be obtained on application to the Director of Surveys P O Box 1766 Nairobi, at a price of Sh 5 each, post free

The grant will be for a term of 99 years and will be subject otherwise to the ordinary conditions of the Crown Lands Ordinance (Cap 155)

The title will be issued under the Registration of Titles Ordinance (Cap 160)

The annual rent will be calculated at the rate of 20 cents per acre per annum until the 31st December, 1960, after which it will be revisable in accordance with the Crown Lands Ordinance

Tenders marked "Tenders for land, Kibwezi" in terms of purchase price detailed below should be submitted so as to reach the undersigned not later than the 14th day of November, 1951

The grant will be subject to an existing sisal cutting licence in respect of part of the area which is under the supervision of the Director of Agriculture and which expires on the 31st December, 1951

The grant of this area shall be subject to the following minimum development condition by the successful applicant —

To clear or reclaim and to plant up to 250 acres a year for a period of four years from the commencement of the term

The stand premium for the land (apart from plantings and all other development) has been assessed at the rate of £1 per acre and the sum of £6,000 (adjustable on survey) should be included in the amount tendered in respect of this premium

No tender of less than £26,000 (to include the £6,000 referred to above) should be submitted. This figure includes amounts for the land, buildings, existing sisal plantings and other development

Authority has been given by the Water Board to the present licensee of the land for the following diversion of water to be used on this area —

6,500 gallons per day for domestic use

397,400 gallons per day for the decortication of sisal subject to the water being piped to the points of use in order to eliminate loss

The Water Board has agreed that if necessary the right to divert the water will be transferred to the successful tenderer on condition that up to the same quantities are used for the same purposes

The successful tenderer will be required to pay within 14 days of notification that his tender has been accepted £600 on account of the stand premium together with the full amount tendered less the sum of £6,000. The balance of the stand premium for the land may either be paid prior to the issue of the title or may be paid in nine equal annual instalments, the first of such payments becoming due on the 1st January, 1953

The title will be issued as soon as conveniently may be, the successful tenderer being required to pay on demand the cost of the preparation and registration of the grant and the stamp duty

It is pointed out that this area has not yet been surveyed and the boundaries may be subject to adjustment and its acreage must therefore be taken as very approximate. The Government can accept no liability for any variation in acreage which may be found upon final survey, but adjustment of the stand premium at the rate of Sh 20 per acre and the annual rent will be made if necessary

The highest or any tender will not necessarily be accepted

## SCHEDULE
