Amendment of
the principal
Ordinance

SCHEDULE

Section 5	Insert the words "or sub-chief" after the word "chief"
Section 6	Insert the words "or sub-chief" after the word "chief"
Section 7	(i) Insert the words "or sub-chief" after the word "chief" wherever it occurs therein (ii) In sub-section (3) substitute for the words "some court other than a native tribunal" the words "any court of law including an African court" and delete the words "by a Magistrate"
Section 8	Insert the words "or sub-chief" after the word "chief" wherever it occurs therein
Section 18	Substitute for the words "thirty shillings" the words "one hundred and fifty shillings or to imprisonment not exceeding two months or to both such fine and imprisonment"

MEMORANDUM OF OBJECTS AND REASONS

It is proposed, by the present Bill, to make provisions for the official appointment of suitable sub-chiefs and to confer upon such duly appointed sub-chiefs the jurisdiction and powers of the principal Ordinance in respect of the maintenance of order, the employment of persons to assist in the carrying out of lawful duties, the prevention of crime and arrest of offenders, and the attendance of Africans before African Courts

Clause 2 of the Bill accordingly provides for the official appointment of sub-chiefs, and *Clause 4* of the Bill amends the principal Ordinance by conferring certain powers of chiefs upon sub-chiefs. *Clause 4* of the Bill further amends the principal Ordinance so as to bring the penalty into line with that provided by section 12 of the principal Ordinance

2 Examination of the Compulsory Labour Regulation Ordinance (Cap 112) has revealed that its provisions could be dispensed with if there were retained power to make use, where necessary, of compulsory labour for the conservation of the natural resources of the Colony. It is therefore proposed to repeal the Compulsory Labour Regulation Ordinance, and, by the present Bill, to amend the Native Authority Ordinance (Cap 97) (herein referred to as the principal Ordinance) so as to enable the Governor by proclamation to empower a chief to issue orders requiring able-bodied Africans to perform any work or service in connexion with the conservation of the natural resources of the Colony

Clause 3 of the Bill provides for this and contains express provision that a proclamation shall not be issued unless the Governor is satisfied as to the matters with respect to which section 4 of the Compulsory Labour Regulation Ordinance now requires the Governor to be satisfied before compulsory labour can be imposed

Sub-clause (2) of *clause 3* requires that remuneration for any such work or service shall be at not less than the rates prevailing for the kind of work or service in the district, and that no African shall be liable to be called upon to do compulsory work or service on more than sixty days in any period of twelve months. *Sub-clause (3)* of *clause 3* requires the African to be furnished with a certificate showing the period or periods during which he has performed compulsory work or service

3 It is not expected that any additional expenditure of public moneys will be incurred if the provisions of this Bill become law

Nairobi,
11th October, 1951

JOHN WHYATT,
Attorney General.

MEMORANDUM OF OBJECTS AND REASONS

Experience in the operation of the African District Councils Ordinance, 1950, has shown certain amendments to be desirable and this Bill will provide accordingly

Section 8 of the Ordinance enables Provincial Commissioners, Administrative Officers and persons invited by the President to attend at and speak before District Councils, it is considered that they should also be enabled to attend at and speak before Committees of the Councils, and *clause 2* of the Bill makes the necessary amendment for this purpose

Section 22 of the Ordinance provides for by-laws being made declaring what shall be communal services for the purposes of the Compulsory Labour (Regulation) Ordinance, 1932. An Ordinance to repeal that Ordinance is being introduced contemporaneously with this Bill and it is therefore necessary to amend the section. *Clause 3* of the Bill effects this purpose by substituting a reference to the terms of the International Compulsory Labour Convention, subject to which by-laws may be made declaring what shall be minor communal services

Clause 4 of the Bill amends section 23 (17) of the Ordinance so as to exclude the power to make by-laws imposing a tax in respect of the export from a district of any animal or the product of an animal or agricultural husbandry, it is considered that the power to impose any such tax should be vested in the Government

Clause 5 of the Bill amends section 29 (k) so as to provide for the credit to the revenues of a Council of hawkers' licensing fees as well as licensing fees for shops and premises

Clause 6 of the Bill makes minor amendments to the Ordinance respecting the laying of accounts of the Councils before Legislative Council

Clause 7 introduces a new section, on the lines of section 11 of the African Poll Tax Ordinance (Cap 252), enabling Councils to remit taxes on the grounds of poverty

It is not expected that any additional expenditure of public moneys will be incurred if the provisions of this Bill become law

Nairobi,
17th May, 1952

JOHN WHYATT,
Attorney General
