Public notice of an application to be made for extension of the area of supply the subject of Distributing Licence No 9 dated 11th March 1932 (Eldoret Municipality) to include a further area surrounding the same

NOTICE is hereby given to all whom it may concern that on the 10th day of July, 1952, the East African Power and Lighting Company Limited (a limited liability company incorporated in the Colony and Protectorate of Kenya and having its registered office at Nairobi in the said Colony) will make application to His Excellency the Governor in Council under section 35 of the Electric Power Ordinance for extension of the area of supply the subject of Distributing Licence No 9 dated 11th March, 1932 (which at present comprises the Municipality of Eldoret and in respect of which the applicant is licensee) to include a further area surrounding the Municipality of Eldoret for the reasons that such further area is now sufficiently developed to justify inclusion thereof in the said area of supply, and that the applicant is now in a position to supply electrical energy within such further area, and that such extension will be equitable to the licensee and consumers in every area concerned or affected and that no licensee or consumer will be unduly prejudiced thereby

The area which it is proposed that the said area of supply should be extended to include is shown on a plan marked ELD 1 (copies of which are now deposited at the offices of Messrs Hamilton, Harrison & Mathews, advocates, Nairobi House Nairobi, and at the offices of the applicant at Coryndon Street, Eldoret) and thereon bordered red and is bounded as follows —

By a circle measured on the said plan as having a radius of  $7\frac{1}{2}$  miles from Eldoret Railway Station

The public or local authorities, companies, persons or bodies of persons affected by the grant of this application will be as follows —

(a) The Municipal Board of Eldoret—to the extent envisaged by section 19 of the Electric Power Ordinance

(b) Companies, persons and bodies of persons resident or carrying on business in the proposed area of extension—in that they will be entitled to requisition a supply of electrical energy as provided by the Electric Power Ordinance

(c) Other companies, persons and bodies of persons desiring to supply electrical energy in the same area on sale—in that such supply will by the grant of this application be precluded except as far as authorized under section 4 of the Electrical Power Ordinance

(d) The Provincial Commissioner Rift Valley Province, and the District Commissioner, Eldoret—to the extent of the general interest of Government in the development and welfare of the areas concerned

Any public or local authority, company, person or body of persons desirous of making any representation on or objection to this application must do so by letter addressed to the Governor in Council and marked on the outside of the cover enclosing it Electric Power Ordinance on or before the expiration of thirty days from the date of this application as stated above and must forward a copy of such representation or objection to the applicant
