(ii) for every additional 250 lb or part thereof	20 00

-MEMORANDUM OF OBJECTS AND REASONS

Revenue derived from motor vehicle licence fees is hypothecated to the Road Authority. The Road Authority has represented that the grant based on present licence fees is inadequate to enable the Authority properly to maintain the Colony's roads. It has been decided, therefore, to increase the fees for vehicle licences and, as announced by the Member for Finance in his Budget Speech, it is proposed that for motor vehicles with pneumatic tyres, the rate shall be Sh 20 for every additional 250 lb or part thereof in excess of 1,500 lb tare weight, as opposed to the present rate of Sh 10. This Bill is designed to give effect to the proposal.

It is estimated that additional revenue amounting to £153,000 will accrue to the Road Authority if this Bill is passed into law.

REPORT BY THE ACTING DIRECTOR OF AUDIT ON THE STATEMENT OF THE ACCOUNT OF  
THE ASIAN OFFICERS' FAMILY PENSIONS FUND FOR 1950

As certified thereon, the Statement of Income and Expenditure, the Pensions Fund Account and the Balance Sheet have been examined under my direction

2 In my report on the Statement of Account of the Asian Officers Family Pensions Fund for 1949 it was stated that

" Under the terms of Secretariat Circular No 33 of the 16th of June, 1949 Asian officers who were serving under the provisions of Secretariat Circular No 26 of 1937 were allowed to contribute from the date of their appointment or from the 1st of May, 1942, with the Government subsidy payable from the latter date. It would appear that the Ordinance does not allow contributions to be made by an officer in respect of a period prior to the 1st of May, 1942 (the date on which the Ordinance came into force), with the exception of officers who were contributors under the Asiatic Widows and Orphans Pension Ordinance. The matter is under correspondence with the Government.

The position remains unchanged
