MEMORANDUM OF OBJECTS AND REASONS

The Central Hotel Control Authority and subsidiary authorities, appointed under the Control of Hotels Ordinance (Cap 275), are charged with the general supervision of hotels. A sub-committee of the Central Authority was appointed in 1951 to consider amendment of the Ordinance and made certain recommendations, principally that the Defence (Control of Hotels) Regulations, 1943, should be revoked and included as far as necessary in an Ordinance.

The present Bill and the Hotels (Control of Tariffs and Accommodation) (Temporary Provisions) Bill, 1952, are introduced partly in consequence of these recommendations and also in fulfilment of an undertaking given in Legislative Council that an amendment would in due course be moved to change the title of the present Ordinance.

The Hotels (Control of Tariffs and Accommodation) (Temporary Provisions) Bill, 1952, is intended to replace, on a temporary basis and with minor amendments, those of the Defence (Control of Hotels) Regulations, 1943, which it is desired to retain in force.

The present Bill is intended to change the title of the Ordinance (Cap 275) to "The Hotels Ordinance" (*clause 2*) to remove references therein to "Control", and to provide for the continuance of the Ordinance as a permanent measure (*clause 14*). At present the Ordinance is due to expire at the end of the year.

Clauses 3, 7, 9, 10 and 12 effect consequential and minor amendments.

Clause 4 alters the quorum of, and allows for more extensive delegation of the powers of an Authority, and provides for the appointment of a temporary Chairman.

Clauses 5 and 6 of the Bill re-enact in amended form sections 5 and 6 of the principal Ordinance as to the licensing of hotel-keepers and hotel-managers.

Clause 8 repeals sections 9, 10 and 11 of the principal Ordinance. Section 9 conferred powers on an Authority to arrange for the carrying on of an hotel where the licence relating to the hotel was cancelled or suspended, it is considered that this power should cease as being unworkable in practice. Section 10 compelled an hotel-keeper to keep in business unless the Authority authorized him to cease business, this provision is considered unduly restrictive. Section 11 made similar provision to section 10 in respect of hotels closed under section 9.

Clause 13 replaces section 17 of the principal Ordinance by a new provision that hotels exempted from the operation of the Ordinance shall be listed in a Schedule thereto, the Schedule is added by *clause 15*.

It is not expected that any additional expenditure of public moneys will be incurred if the provisions of this Bill become law.

Nairobi,
14th November, 1952

JOHN WHYATT,
Attorney General

GOVERNMENT NOTICE No 1204

The Governor in Council has approved of the following Bill being introduced into the Legislative Council

G J ELLERTON,
Acting Clerk to the Legislative Council

**A BILL ENTITLED
AN ORDINANCE TO AMEND THE DANGEROUS
PETROLEUM TAX ORDINANCE**

ENACTED by the Governor of the Colony of Kenya, with the advice and consent of the Legislative Council thereof, as follows —

Short title and
commencement

Cap 268

1. This Ordinance may be cited as the Dangerous Petroleum Tax (Amendment) Ordinance, 1952, and shall be read and construed as one with the Dangerous Petroleum Tax Ordinance, hereinafter referred to as the principal Ordinance, and shall be deemed to have come into force on the 29th day 5 of October, 1952

Amendment of
section 3 of
the principal
Ordinance

2. Section 3 of the principal Ordinance is amended by adding at the end thereof a new proviso as follows—

“And provided further that nothing in this Ordinance shall apply to aviation spirit or similar fuels ¹⁰ ordinarily used in aircraft engines and imported for such use”

MEMORANDUM OF OBJECTS AND REASONS

The amendment to section 3 of the Dangerous Petroleum Tax Ordinance (Cap 268) has the effect of removing consumption tax from aviation spirit and similar fuels ordinarily used in aircraft engines and imported for such use. In December, 1950, the Government accepted a Motion moved in the Legislative Council for the removal of consumption tax on aviation spirit. Since then in the majority of cases refunds of consumption tax on aviation spirit have been made on the recommendation of the Standing Finance Committee. It is considered that the continued existence of machinery for the collection of this tax on aviation spirit most of which is refunded, is not justified.

It is not possible to estimate accurately the small loss of revenue which will result if this Bill is passed into law.
