GOVERNMENT NOTICE No. 1545

The Governor in Council has approved of the introduction of the following Bill into Legislative Council.

A. W. PURVIS,
Clerk of the Legislative Council.

**A BILL ENTITLED
AN ORDINANCE TO AMEND THE CUSTOMS TARIFF
ORDINANCE**

ENACTED by the Governor of the Colony of Kenya, with the advice and consent of the Legislative Council thereof, as follows:—

1. This Ordinance may be cited as the Customs Tariff (Amendment) (No. 2) Ordinance, 1953, and shall be read and construed as one with the Customs Tariff Ordinance, hereinafter referred to as the principal Ordinance.

2. The Schedule to the principal Ordinance is hereby amended by inserting immediately after item 144 thereof the following new items—

Item	Article	Duty
144A	Wireless receiving sets, complete, not specially provided for and not including batteries therefor— (a) Of a value not exceeding shillings 140 (b) Other	Free. <i>Ad valorem</i> 22%.
144B	Wireless receiving set parts, batteries and accessories not specially provided for	<i>Ad valorem</i> 22%.

MEMORANDUM OF OBJECTS AND REASONS

It is desirable in the improvement of the African information and education services to encourage facilities for the reception of radio broadcasting by every means. The Bill therefore removes any hindrance arising from customs duties to the importation and sale at reduced prices of inexpensive wireless receivers. The concession cannot conveniently be extended to spare parts and batteries, but the existing concessions to privileged users of wireless transmission are retained.

If the provisions of this Bill become law some loss of revenue will result, the extent of which it is not possible to estimate.

Nairobi,
25th September, 1953.

JOHN WHYATT,
Attorney General.

10. The grantee shall from time to time pay to the Commissioner of Lands on demand such proportion of the cost of maintaining all roads and drains serving or adjoining the land as the Commissioner may assess.

11. Should the Commissioner of Lands at any time require the said roads to be constructed to a higher standard the grantee shall pay to the Commissioner on demand such proportion of the cost of such construction as the Commissioner may assess.
