GENERAL NOTICE NO. 2579

THE CROWN LANDS ORDINANCE

WATAMU—SEAFRONT RESIDENTIAL PLOTS

APPLICATIONS have already been called for in respect of some of the above plots in terms of General Notice No. 1786 of the 18th August, 1953. At that time 24 plots were advertised but as the number of applications in response to that Notice greatly exceeded the number of plots, it has been decided to make available for alienation to the Public a further 25 sea-front plots adjoining those already advertised and extending to the Mida Creek.

Those persons who submitted applications under the previous General Notice should not re-apply. Their applications will be considered together with new applications under this Notice, as it is intended that the total number of plots in the scheme and all applications therefor should be considered as a whole. Former applicants, however, who wish to transfer their applications specifically to one of the plots now advertised, may indicate their preference.

A plan of the area may be seen at the offices of—

- (i) the Department of Lands, Mombasa;
- (ii) the Agrarian Liaison Officer, Mombasa;
- (iii) the office of the District Officer, Malindi;
- (iv) the Department of Lands, Nairobi;

or may be taken on loan from the Agrarian Liaison Officer, Mombasa.

Persons intending to inspect the plots are advised to communicate with the Agrarian Liaison Officer, Provincial Headquarters, Mombasa, before doing so.

Conditions of Sale

Until such time as the plots are properly surveyed, successful applicants will be given a letter of allotment and, upon completion of survey, grants will be issued for terms of 15 or 99 years from the date of the issue of the letter of allotment and the special conditions applicable to each type of grant are set out at paragraphs (a) and (b) below.

Applicants are requested to state clearly in their applications for which type of grant they wish to apply (i.e. the 15 or 99 years' lease).

The sea frontages of the plots have been demarcated with posts and numbered iron plates, but no official survey has yet been made and the acreages shown in the Schedule are only approximate.

The stand premium (if payable) and the annual rent payable in respect of each plot will be subject to adjustment when the precise areas have been ascertained. The amounts set out in the Schedule must be paid within 14 days of the date of the letter of allotment, failing which the Commissioner may offer the land to another applicant. Upon any adjustment of the sums due consequent upon survey, any additional amount payable will be due within 14 days of the date of the letter of notification, failing payment of which the letter of allotment may be cancelled and any sums paid declared forfeited by the Commissioner.

Applications, stating if possible the plot desired in order of preference should be submitted to the Department of Lands, P.O. Box 53, Mombasa, before noon on 19th December, 1953, with details of the applicant's nationality, age, marital state, number of children and ages, present occupation, period of residence in Kenya, whether occupancy will be periodic or permanent, funds available for development and any other relevant information. An applicant or his or her spouse who is already the owner of land with sea frontage at the Coast is not eligible for a plot under this scheme.

The grant will be issued in the name of the allottee as stated in the letter of application.

Grants will be subject to the provisions of the Crown Lands Ordinance (Cap. 155) and titles will be issued under the Registration of Titles Ordinance (Cap. 160).

Each allottee of a plot shall pay to the Commissioner of Lands, within 14 days of notification by him that an application has been approved, the survey fees, the assessed stand premium, where applicable, the proportion of annual rent and the roads and drains charges as specified in the Schedule below, as well as the fees in respect of the preparation of the grant (Sh. 120).

On completion of the survey and the consequent ascertainment of the precise area of each plot the allottee will be required to pay (within 14 days of a demand therefor) the difference by which the actual amount of stand premium and annual rent exceeds the amount paid as aforesaid. If the survey reveals that an over-payment has been made the amount of over-payment will be refunded. The allottee will also, at the time of survey, be required to pay the stamp duty in respect of the grant (approximately 2 per cent of the stand premium and annual rent).

Conditions of Grants

1. No building shall be erected on any plot unless plans (including block plans showing the position of such buildings clearly defined and showing a system of drainage for disposing of sewage, surface and sullage water on the said land), drawings, elevations and specifications thereof shall have been approved by the Local Authority and the Commissioner of Lands or such person as he may appoint. Such plans shall be submitted in triplicate to the District Commissioner, Kilifi, in the first

instance within six months of the date of the commencement of the term.

2. The land and the buildings shall only be used for private residential purposes.

3. Not more than one private dwelling-house (with the usual offices and out-buildings) shall be erected on the land.

4. The grantee shall not subdivide the land.

5. The grantee, having paid the estimated proportionate cost of constructing roads and drains to serve the land, shall, on completion of such construction and the ascertainment of the actual proportionate cost, either pay (within seven days of demand) or be refunded the amount by which the actual proportionate cost exceeds or falls short of the amount aforesaid.

6. The grantee shall from time to time pay to the Commissioner of Lands on demand such proportion of the cost of maintaining all roads and drains serving or adjoining the land as the Commissioner may assess.

7. Should the Commissioner of Lands at any time require the said roads to be constructed to a higher standard the grantee shall pay to the Commissioner on demand such proportion of the cost of such construction as the Commissioner may assess.

8. The grantee shall not sell, transfer, sub-let or charge the land or any part thereof except with the prior consent in writing of the Governor; no application for such consent (except in respect of a loan required for building purposes) will be considered until Special Condition (i) (a) in the case of grants for 15 years and Special Condition No. (i) (b) in the case of grants for 99 years have been performed.

9. The grantee shall pay such rates, taxes, charges, duties, assessments or outgoings of whatever description as may be imposed, charged or assessed by any Government or Local Authority upon the land or buildings erected thereon, including any contribution or other sum paid by the Government in lieu thereof.

(a) Special Conditions—15-Year Leases

(i) The grantee shall erect complete for occupation within 18 months of the date of the commencement of the term of the grant a building of approved design on proper foundations with a minimum construction of coral rag with makuti roof.

(ii) The grant will be for a term of 15 years from the first day of the month following notification that the application has been approved.

(iii) If a permanent building is erected in accordance with plans approved in writing by the Local Authority and the Commissioner of Lands, the Governor will, on receipt of an application in writing in that behalf submitted on or before 31st December, 1968, and in payment by the grantee of the stand premium and annual rent as assessed by the Commissioner of Lands on the full capital value of the land at the date of such application, grant (at the grantee's expense) an extension of the term to 99 years from the date of the original term.

(b) Special Conditions—99-Year Leases

(i) The grantee shall erect complete for occupation within two years of the date of the commencement of the term of his grant a building of approved design on proper foundations, constructed of stone, sawn timber, burnt bricks, concrete or coral blocks with roofing of tiles or shingles or makuti to the satisfaction of the Commissioner of Lands.

(ii) The grant will be for a term of 99 years from the first day of the month following notification that the application has been approved.

Nairobi, 21st November, 1953.

for Special Commissioner and
Acting Commissioner of Lands.
