APPLICATIONS for Kenya Government (European, Asian and Goan) Bursaries for 1960/61 should reach the Director of Education, P.O. Box 30040, Nairobi, not later than 31st March, 1960, or in the case of candidates not resident in Kenya by 15th March, 1960. Applications received after these closing dates cannot be considered. Forms of application can be obtained from the Education Department.

Assistance will be limited to the children of parents domiciled in Kenya who have resided continuously in the Colony for a minimum period of five years. Absence from the Colony for the purpose of health or holidays will not be deemed to break the continuous residence, provided that the total period of absence during the five years does not exceed two years. Candidates for bursaries must have completed five years' continuous attendance at a school or schools in Kenya, and preference will be given to those who have received the greater part of their education in the Colony. The candidate's parents or guardian is required to make a written declaration as to his financial inability to provide for the continued education of the candidate.

Candidates must hold the minimum Matriculation requirements of the institution they wish to enter; these requirements can normally be obtained from their Kenya School Principal. It should be noted that, for entry to a British University, the General Certificate of Education with certain subjects at advanced level, or an equivalent standard in the Oversea Higher Certificate, is now essential.

Parents of present bursars are reminded that applications for renewals or extensions of existing bursaries should be made not later than 31st March, 1960, and should include a statement that the parent is unable to provide in full for the continued education of the bursar.
