THE CROWN LANDS ORDINANCE
(Cap 155)

THE RIFT VALLEY ESCARPMENT—HOTEL SITE

THE Commissioner of Lands gives notice that approximately 40 acres of land as described in the Schedule hereto is available for alienation for the purpose of an hotel or motel and invites applications for the direct grant thereof. A hotel or motel built in this area near a step of the escarpment could have extensive and magnificent views across the Rift Valley.

The land has not been surveyed and is situated on the left-hand side of the Nairobi/Nakuru road approximately 28 miles from Nairobi. A plan of the site showing the boundaries in broad principle may be inspected at the Public Map Office, Lands Department building, City Square, Nairobi, or may be obtained from the Public Map Office, P O Box 30089, Nairobi on payment of Sh 4, post free.

Applications should be sent to the Commissioner of Lands, P O Box 30089, Nairobi, in sealed envelopes marked "Escarpment Hotel Site" not later than noon on the 13th day of August, 1960.

Attention is drawn to the concessional nature of the annual rent to be charged.

Applications must be accompanied by a statement indicating—

(a) the detailed proposals of the applicant for the development of the site

Applicants are advised to consider the desirability of the "Motel" type of accommodation on this site. No sketch plan is required but the successful tenderer will be required to submit for approval sketch plans of the buildings he proposes to erect before proceeding with the detailed drawings. The outlined proposals should include—

(i) a site layout plan in sufficient detail to show the siting of the buildings in relation to the plot boundaries

(ii) an indication of the number of bedrooms and other rooms to be constructed, this accommodation to be completed and ready for occupation within 36 months of the commencement of the term of the grant. Applicants may if they wish submit their plans for subsequent additional development.

(iii) the number and nature of public rooms to be provided.

(iv) a description of the amenities and recreational facilities to be provided.

(b) the amount of capital available for immediate development which must not be less than Sh 600,000 (£30,000) together with a statement from the applicant's bankers or from the representatives of some other financial institution acceptable to the Commissioner of Lands certifying that this amount is either immediately available or will become available during the course of the construction of the hotel.

(c) the name of the consultant whom the applicant proposes to employ in the designing and construction of the hotel.

Applicants must enclose with their applications a cheque for Sh 2,000 as a deposit made payable to the Commissioner of Lands which will be dealt with as follows—

(a) If the applicant is offered and takes up and pays for the plot within 14 days as prescribed in paragraph 5 of the General Conditions below, the deposit will be credited to him.

(b) If the applicant is unsuccessful the deposit will be returned to the applicant.

(c) If the applicant is successful and fails to take up and pay for the plot such sums as may be specified in the letter of allotment within the prescribed period of 14 days the Commissioner of Lands may declare the deposit forfeited and the applicant shall have no further claim thereto.

A report on the various sources of water supply has been made and it is considered that one or more sources is adequate for an hotel. A copy of the report may be seen in the offices of the Commissioner of Lands, City Square, Nairobi.

General Conditions

1 The successful applicant will be required, as a condition precedent to the issue of a grant, to deposit with the Commissioner of Lands, acceptable securities or a bond from a bank or other financial institution acceptable to the Commissioner, to the value of 10 per cent of the proposed capital expenditure. In the event of acceptable securities being deposited, these shall only be released to the applicant in three instalments and against the production to the Commissioner of Architects' Certificates, in the manner following, namely—

(i) one-third when the construction of the buildings has reached first floor level

(ii) one-third when the buildings have been roofed in, and

(iii) the remainder on completion to the satisfaction of the Commissioner of Lands.

In the event of the applicant failing to produce any or all of such certificates as aforesaid, the said deposit or the balance thereof, as the case may be, shall be forfeited to the Commissioner of Lands.

2 The grant will be made under the provisions of the Crown Lands Ordinance (Cap 155 of the Revised Edition of the Laws of Kenya) and title will issue under the Registration of Titles Ordinance (Cap 160).

3 The grant will be issued in the name of the allottee as given in the letter of application.

4 The term of the grant will be for 99 years from the first day of the month following the notification of the approval of the grant.

5 The allottee of a plot shall pay to the Commissioner of Lands within 14 days of notification that his application has been successful the assessed stand premium and proportion of annual rent. Conveyancing, registration fees and stamp duty amounting to Sh 440 shall be payable on demand. Survey fees as yet unknown will also be payable on demand. In default of payment within the specified time, the Commissioner of Lands may cancel the allocation and the claimant shall have no claim to the grant of the plot.

Special Conditions

1 No buildings shall be erected on the land nor shall additions or external alterations be made to any buildings otherwise than in conformity with plans and specifications previously approved in writing by the Commissioner of Lands and the Local Authority. The Commissioner shall not give his approval unless he is satisfied that the proposals are such as to develop the land adequately and satisfactorily.

2 The grantee shall within six months of the commencement of the term submit in triplicate to the Local Authority and the Commissioner of Lands plans (including block plans showing the positions of the buildings and a system of drainage for the disposal of sewage, surface and sullage water), drawings, elevations and specifications of the buildings the grantee proposes to erect on the land and shall within 36 months of the commencement of the term complete the erection of such buildings and the construction of the drainage system in conformity with such plans, drawings, elevations and specifications as amended (if such be the case) by the Commissioner provided that if default shall be made in the performance or observance of any of the requirements of this condition it shall be lawful for the Commissioner of Lands or any person authorized by him on behalf of Her Majesty to re-enter into and upon the land or any part thereof in the name of the whole and thereupon the term hereby created shall cease but without prejudice to any right of action or remedy of Her Majesty the Governor or the Commissioner in respect of any antecedent breach of any condition herein contained.

3 The grantee shall maintain in good and substantial repair and condition all buildings at any time erected on the land.

4 The grantee shall within 36 months of the commencement of the term construct an access road to the hotel on an alignment approved and in accordance with a specification drawn up by the Road Authority and thereafter maintain the same. He will also maintain site clearance in accordance with the specification. No Cape Chestnut, Olive or Thorn trees over 25 feet in height will be cut, felled or destroyed.

5 The grantee shall install a water supply at his expense in accordance with proposals approved by the Commissioner of Lands.

6 The land shall only be used for the purpose of an hotel or motel and such ancillary purposes as may be specifically approved by the Commissioner of Lands. A petrol station will not be permitted but not more than two petrol pumps may be installed out of view from the main road for the convenience of hotels visitors.

7 The land shall not be used for agricultural purposes and the keeping of stock is prohibited.

8 The public shall be at liberty to enter freely on to that part of the land hatched red on the plan and the grantee may erect a fence along the western side of the area hatched red.

9 A tea kiosk may be erected in the vicinity of the spring in a position acceptable to and approved by the Commissioner of Lands.

10 The grantee shall not sell, transfer, sublet or charge the land or any part thereof except with the prior consent in writing of the Governor no application for such consent (except in respect of a loan required for building purposes) will be considered until Special Condition No 2 has been performed.

11 The grantee shall pay such rates, taxes, charges, duties, assessments or outgoings of whatever description as may be imposed, charged or assessed by the Government or any Local Authority upon the land or the buildings erected thereon including any contribution or other sum payable by the Governor in lieu thereof

12 The Governor or such person or authority as may be appointed for the purpose shall have the right to enter upon the land and lay and have access to water mains, service pipes and drains, telephone or telegraph wires and electric mains of all descriptions whether overhead or underground and the grantee shall not erect any buildings in such a way as to cover or interfere with an existing alignments of mains or service pipes or telephone or telegraph wires and electric mains
