CONTRACT FOR PROVISION AND OPERATION OF A FERRY SERVICE AT KILIFI

THE MINISTRY of Works is interested in entering into a contract for the provision and operation of a Ferry Service at Kilifi for a minimum period of five years with the prospect of renewal

Kilifi Ferry is a free public ferry 37 miles north of Mombasa on the main North Coast Road across a tidal creek approximately a quarter of a mile across. A 24-hour service will be required though at present the greater bulk of the traffic crosses during the hours of daylight. As an indication of the volume of traffic, Ministry of Works' records show that some 11,000 vehicles used the Ferry during the month of August, 1960

The Ferry ramps would be provided and maintained by the Ministry of Works but the operator would be required to provide, operate and maintain the ferry craft. New modern craft are required capable of carrying a total load of 60 tons and single vehicles of up to 40 tons

Companies or persons interested are invited to contact the Permanent Secretary for Works for further details with a view to making proposals. It is emphasized that the service is to remain a free public service on the basis of annual payments by the Government to the operator and is not a toll service

A pre-requisite for the successful tenderer would be experience in the management and operation of ferry services
