## TENDERS FOR SCRAP STEEL

TENDERS are invited for the purchase of approximately 5,000 tons of miscellaneous steel scrap lying in the Railway Stores Yard, Nairobi, with the exception of the following —

Axles

Boilers (with the exception of those marked 'Scrap' in white paint and which must be cut up on site before removal)

Boiler Tubes

Any non-ferrous metal which may be discovered among the scrap steel

Cast Iron

The scrap can be viewed on application to the Stores Superintendent, East African Railways and Harbours, P O Box 40, Nairobi, to whom all inquiries should be addressed. Tenderers should quote price per ton of 2,240 lb as is on site. No guarantee can be given in respect of the estimated weight of the scrap, and the figure of 5,000 tons is approximate only. There is a large quantity of high quality heavy steel scrap offered in this lot in the way of steel tyres, rails and sleepers and a good price is therefore expected.

THE E A R & H cannot undertake to sort the scrap or provide labour for loading. This will be the responsibility of the successful tenderer. Weights will be by acceptance of Railway weighbridge figures. The purchaser will be required to remove the scrap within a period of three months of receipt of notice of acceptance of tender, and the area where the scrap is lying must be cleared to the satisfaction of the Stores Superintendent.

The successful tenderer will be required to enter into an Agreement for the removal of this scrap, and will be required to pay, in advance, a sum equal to the tender price for the estimated quantity of scrap. Any balance of the sums deposited will be refunded on satisfactory completion of the contract when the actual quantity removed has been ascertained. Any quantity in excess of 5,000 tons must be paid for on removal.

Sealed tenders marked "Tender for Scrap Steel" must be addressed to the Chairman, Railway Tender Board P O Box 30066, Nairobi, to be received not later than 12 noon on Saturday, 13th May, 1961.

The highest or any tender will not necessarily be accepted.
