FIELD HEADQUARTERS, MUTHAIGA STAFF PROVISION SHOP

THE Acting Commissioner of Lands gives notice that applications are invited to lease on temporary occupation licence the premises described hereunder for the purpose of carrying on the business of grocer and general provision merchant. Each application should be accompanied by a statement indicating that the applicant is prepared and able to make sufficient capital outlay properly to conduct the business.

The premises may be inspected by arrangement with the Director of Surveys, P.O. Box 30046, Nairobi, to whom all applications should be forwarded in sealed envelopes marked "Application for Provision Shop" before noon on 2nd October, 1961. Any other correspondence should not be marked in this way, as applications will not be opened until the closing date.

Description of Premises

Situation—The premises are situated on the Survey of Kenya Field Headquarters Housing Estate adjoining Karura Forest, approximately a quarter of a mile off the Fort Hall Road, from which access is by a murrum-surfaced, all-weather estate road. The shop is inside a fenced compound.

Construction—Stone-built, single-room shop with small store room at rear. Piped water supply. Galvanized iron roof.

Conditions of Lease

The successful applicant will be required to maintain adequate stocks to meet the general grocery and provision requirements of residents on the Survey of Kenya Field Headquarters Housing Estate. The estate comprises 73 junior staff quarters, landie accommodation for approximately 50 survey porters and 13 senior staff quarters. Development of the trading potentialities of the estate will be the concern of the lessee. Trading will be limited strictly to residents of the estate.

2 Rent will be at the nominal rate of Sh 200 per annum, but to justify this concession, the licensee will be required to maintain prices which compare favourably with those of other retailers in the district. A price list agreed with the Director of Surveys or his representative will be prominently displayed at the shop.

3 It is stipulated that all dealings shall be on a cash basis and that no credit shall be extended to customers.

4 A liquor licence may be obtained and liquor sold subject to any limitation which the Director of Surveys may impose.

5 The licensee will be required to maintain the premises in good repair and to ensure their cleanliness. The premises will be subject to inspection by the Director of Surveys or his representative. It will be the responsibility of the lessee to comply with all Nairobi County Council by-laws which may affect the premises.

6 The successful applicant will be required to enter into occupation of the premises on 1st November, 1961.

7 If the aforesaid rent or any part thereof is unpaid for one calendar month after the same shall have become due or if the licensee shall commit any breach of or fail to perform any of the conditions, the licence shall thereupon cease and determine and the Commissioner may re-enter upon the land or any part thereof in the name of the whole.
