LANGUAGE EXAMINATIONS

(1) *The Higher Swahili Examination*

This examination is held in Nairobi only. The standard required is a thorough knowledge of the grammar and idiom of the language, and intending candidates are strongly advised to obtain previous papers for study and practice and not to apply unless they are fully prepared. The written part of the examination will be on 14th August and the oral part on 15th. Applications must reach me by 31st July, and in the case of serving officers must be submitted through their Ministries or Departments.

(2) *The Standard Swahili (Honours) Examination*

The arrangements for this examination will be similar to those for the Higher Swahili Examination, with the proviso that if no applications are received by 31st July the examination will not be held.

(3) *The Written Part of the Standard Swahili Examination*

On this occasion the arrangements for the examination are affected by the arrangements for holding a population census. The written part will be held in Nairobi and at various other centres on 14th August, but no candidate will be accepted unless he is required under current regulations to pass in the written part and would suffer loss if he were to wait until April, 1963. Applications to sit in Nairobi must reach me, through Ministries or Departments, by 31st July. Applications to sit elsewhere should be made as soon as possible to District Commissioners, who will receive further information about the arrangements.

(4) *The Oral Part of the Standard Swahili Examination*

There will be no fixed dates for this part of the examination, which can be held under local arrangements whenever qualified examiners are available. Outside Nairobi the arrangements will generally be made by District Commissioners who will receive further information about what is required. Applications to take the examination in Nairobi should be submitted to me through Ministries or Departments as soon as possible. (Special arrangements for certain police officers have already been made and these officers should not apply again.)

(5) *The Preliminary Swahili (Oral) Examination*

This examination should be organized within Ministries or Departments, or by co-operation between them, or by arrangement between them and District Commissioners. Applications to take the examination should not be sent to me, but if Ministries, Departments or District Commissioners require help or advice I will try to assist.

(6) *Vernacular Examinations*

There are no fixed dates for these. They are arranged as required and candidates should apply to me through their Ministries or Departments, giving as much warning as possible. If any candidate wishes to take the written part of the Standard Boran Examination I would like to have his name by 18th July.
