## KENYA CULTURAL CENTRE

## REPORT FOR YEAR 1961

Your Council present herewith the Balance Sheet and Accounts of the Kenya Cultural Centre for the year ended 31st December, 1961, and report as follows:—

1. *Kenya National Theatre*

In regard to the letting of the Theatre for the year 1961, the year has been one of the worst in the annals of the Theatre.

The Accounts show an excess of expenditure over revenue of .. .. .	Sh. 44,593 00
which, after providing for depreciation of .. .. .	Sh. 37,724 00
Results in actual excess cash expenditure of .. .. .	Sh. 6,869 00

The income from the Theatre decreased in comparison with the previous year by Sh. 19,925.00 and this was not entirely compensated for by a reduction in expenditure of Sh. 12,182.00.

Apart from the reduced use of the Theatre, income was also lost through a regular tenant of the Rehearsal Room moving to another part of the Centre which although benefitting a Constituent Member did not help the Kenya Cultural Centre.

The expenses of the Theatre are being maintained at their absolute minimum.

The current year shows a slight but not material improvement on the previous year.

The following performances took place during the year 1961:—

	Constituent Members	Non-Constituent Members
Plays, Ballet and Variety .. .. .	66	34
Film Shows .. .. .	3	1
Lectures .. .. .	—	1
Recitals .. .. .	8	—
Festivals .. .. .	22	—

2. *Kenya Cultural Centre Buildings*

There is little to report on the operation of the Kenya Cultural Centre building which has proved its value in the regular use made by all the tenants and tenant purchasers.

There was a surplus of income from rents and interest receivable over expenditure of Sh. 3,313.00 which has all been utilized in repayments of principal to the Kenya Building Society. This is after providing for the Cultural Centre's share of the running expenses amounting to Sh. 6,120.00.

In regard to the cost of recurrent expenditure of the building, these costs are shared amongst the tenants and tenant purchasers and show a fund at the end of the year amounting to Sh. 10,848.00. Out of this fund future costs of maintenance will have to be provided and therefore it is not proposed, at the present time, to reduce the subscription costs which are made on a basis of area used.

3. *Executive Officer for the Kenya Cultural Centre*

During the course of the year, meetings were held and suggestions made concerning the necessity of a full time Executive or Director of the Kenya Cultural Centre being appointed a proposal which the Council has always agreed as being necessary. It will be readily realised however from a study of the Accounts of the Centre that such an appointment cannot be made until there is a guaranteed minimum income from one source or another to meet the consequential costs. The Council have made many approaches to various Trusts and Organisations who might be of assistance including Government, in an endeavour to obtain finance for such an appointment but so far without success. I have also made many written and verbal appeals to leading business houses but with little success to date.

The Council take this opportunity of recording their gratitude to the many persons who have given so much time and thought voluntarily to this organisation during the course of the year and who continue to do so.

They would also like to specifically mention Mr. Alan Bramley whose voluntary work over a period of many years was outstanding. His leaving Kenya has meant a great loss to the Cultural Centre.

RICHARD WOODLEY,  
President.
