EXAMINATION, 1963

THE Civil Service Examination will be held on 26th April, 1963. This examination will be open only to serving Government officers who are seeking promotion to Clerk Grade II and non-clerical posts in the E4—3 scale, for which a pass in the Lower Clerical Examination does not qualify them.

2. Successful candidates in the examination will be eligible for consideration for promotion to the minimum of the E4—3 scale, except that promotion of successful candidates in non-clerical grades may also require a pass in a departmental occupational test and will be subject to vacancies and the requirements laid down for promotion within the grade. Final selection will be made by the Civil Service Commission.

3. Candidates are required to produce, with their entry forms, their Leaving Certificate from the principal of an approved secondary school. This Leaving Certificate should state that the candidate has completed Form II (formerly known as Form IV). For those who did not reach this standard at school but have studied since, the application must be supported by a letter in original from an education officer or the principal of a recognized correspondence college, certifying that he or she has studied for a period of at least two years after completing Standard VIII (formerly known as Form II), and has reached a standard equivalent to that of Form II. Alternative to the two methods of qualification for entry given above, if candidates are in receipt of a salary of £148 4s. per annum they must ensure that their forms are certified by the head of their department to this effect.

4. Candidates may not enter for this examination if they have already failed on two previous occasions, and heads of department must certify on the application form that the candidates have not previously failed twice.

5. The examination will consist of two subjects, English and Arithmetic. Candidates must enter for and pass in both subjects at one and the same examination. To qualify for a pass in the examination, candidates must obtain a minimum mark of 50 per cent in both subjects.

6. Entry forms may be obtained from the Examinations Officer, Ministry of Education, P.O. Box 12259, Nairobi. Completed forms must be submitted in duplicate, through heads of department, to reach the Examinations Officer not later than 9th February, 1963.
