THE CROWN LANDS ORDINANCE

(Cap. 280)

KISUMU—HOTEL SITE

THE Commissioner of Lands gives notice that a plot in the Municipality of Kisumu as described in the Schedule hereto is available for alienation for the purpose of a high standard hotel and invites applications for the direct alienation thereof. Attention is particularly drawn to the concessional nature of the rent to be charged.

2. A plan of the site may be inspected at the office of the Town Clerk, Kisumu, and at the Lands Department, Nairobi, or may be obtained from the Public Map Office on payment of Sh. 3 post free.

3. Applications must be accompanied by a statement indicating—

- (a) the detailed proposals of the applicant for the development of the site. No sketch plan is required, but the successful tenderer will be asked to submit for approval a sketch plan of the building he proposes to erect before proceeding with the detailed drawings. The outlined proposals should include—
- (b) a site layout plan in sufficient detail to show the siting of the buildings in relation to the boundary of the plot, the proposed access and egress from the plot, the car-parking areas and the ancillary buildings, e.g. servants' quarters, etc.;
- (c) an indication of the number of bedrooms and other rooms to be constructed: this accommodation to be completed and ready for occupation within 30 months of the commencement of the term of the grant. Applicants may, if they wish, submit their plans for subsequent additional development;
- (d) the number and nature of public rooms to be provided;
- (e) the amount of capital available for immediate development purposes, which must not be less than Sh. 800,000 (£40,000), together with a statement from the applicant's bankers or from the representative of some other financial institution acceptable to the Commissioner of Lands certifying that this amount is either immediately available or will become available during the course of the construction of the hotel;
- (f) the name of the consultant whom the applicant proposes to employ in the designing and construction of the hotel;
- (g) the applicant's proposals for staff housing.

4. Intending applicants are informed that the Commissioner of Lands will consider requests for extension of the aforesaid plot boundaries, if necessary, by including additional land to the north of the plot and adjoining Impala Walk on terms and conditions to be decided. Such requests must form part of the initial application referred to in paragraph 3 above.

5. Applications must be sent so as to reach the Commissioner of Lands, P.O. Box 30089, Nairobi, not later than noon on the 28th day of February, 1963.

6. Applicants must enclose with their applications their cheque for Sh. 2,000 as a deposit made payable to the Commissioner of Lands, which will be dealt with as follows:—

- (a) If the applicant is offered and takes up and pays for the plot within 14 days as required in paragraph 7 below, the deposit will be credited to him.
- (b) If the application is unsuccessful the applicant's deposit will be returned to him.
- (c) If the applicant is successful and fails to take up and pay for the plot such sums as may be specified in the letter of allotment within a period of 14 days as required in paragraph 7 below, the Commissioner of Lands may declare the deposit forfeited and the applicant shall have no further claim thereto.

7. The allottee shall pay to the Commissioner of Lands within 14 days of notification that his application has been successful the assessed stand premium and proportion of annual rent, together with survey, conveyancing and registration fees. In default of payment within the specified time, the Commissioner of Lands may cancel the allocation and the claimant shall have no claim to the grant of the plot.

General Conditions

4. The term of the grant will be for 99 years from the first day of the month following the notification of the approval of the grant.

Special Conditions

1. No buildings shall be erected on the land nor shall additions or external alterations be made to any buildings otherwise than in conformity with plans and specifications previously approved in writing by the Commissioner of Lands and the Local Authority. The Commissioner shall not give his approval unless he is satisfied that the proposals are such as to develop the land adequately and satisfactorily.

2. Any advertisement in connexion with the said petrol pumps will not be permitted either within the plot or on the roadside.

5. The grantee shall not subdivide the land.

6. The grantee shall not sell, transfer, sublet or charge the land or any part thereof except with the prior consent in writing of the Governor: no application for such consent (except in respect of a loan required for building purposes) will be considered until Special Condition No. 2 has been performed.

7. The grantee shall pay to the Commissioner of Lands on demand such sum as the Commissioner may estimate to be the proportionate cost of constructing all roads and drains and sewers serving or adjoining the land and shall on completion of such construction and the ascertainment of the actual proportionate cost either pay (within seven days of demand) or be refunded the amount by which the actual proportionate cost exceeds or falls short of the amount paid as aforesaid.

8. The grantee shall from time to time pay to the Commissioner of Lands on demand such proportion of the cost of maintaining all roads and drains serving or adjoining the land as the Commissioner may assess.

10. The grantee shall pay such rates, taxes, charges, duties, assessments or outgoings of whatever descriptions as may be imposed, charged or assessed by the Government or any Local Authority upon the land or the buildings erected thereon including any contribution or other sum payable by the Governor in lieu thereof.

11. The Governor or such person or authority as may be appointed for the purpose shall have the right to enter upon the land and lay and have access to water mains, service pipes and drains, telephone or telegraph wires and electric mains of all descriptions whether overhead or underground and the grantee shall not erect any building in such a way as to cover or interfere with any existing alignments of main or service pipes or telephone or telegraph wires and electric mains.

2. A plan of the plot may be seen at the Public Map Office situated in the Lands Department Building, City Square, Nairobi, or at the office of the District Commissioner, Kericho, or may be obtained from the Public Map Office, P.O. Box 30089, Nairobi, on payment of Sh. 4 each, post free.

4. Tenders must not be sent direct to the Commissioner of Lands.

5. Applicants must enclose with their tenders their cheque for Sh. 1,000 drawn on the applicant's own banking account (no other cheque will be accepted), made payable to the Commissioner of Lands as a deposit, which will be dealt with as follows:—

- (a) If the applicant is offered and takes up and pays for a plot within a period of 14 days, as required in paragraph 6 below, the deposit will be credited to him.
- (b) If the tender is unsuccessful the applicant's deposit will be returned to him.
- (c) If the tender is successful and the applicant fails to take up and pay for the plot offered to him within a period of 14 days, as required in paragraph 6 below, the Commissioner of Lands may declare the deposit forfeited and the applicant shall have no further claim thereto.

6. The allottee shall pay to the Commissioner of Lands within 14 days of notification that his application has been approved the assessed stand premium and proportion of annual rent, together with the survey fees, the fees payable in respect of the preparation and registration of the grant (Sh. 225) and the stamp duty in respect of the grant (approximately 2 per cent of the stand premium and annual rent). THE CROWN LANDS ORDINANCE

(Cap. 280)

KISUMU—HOTEL SITE

THE Commissioner of Lands gives notice that a plot in the Municipality of Kisumu as described in the Schedule hereto is available for alienation for the purpose of a high standard hotel and invites applications for the direct alienation thereof. Attention is particularly drawn to the concessional nature of the rent to be charged.

2. A plan of the site may be inspected at the office of the Town Clerk, Kisumu, and at the Lands Department, Nairobi, or may be obtained from the Public Map Office on payment of Sh. 3 post free.

3. Applications must be accompanied by a statement indicating—

- (a) the detailed proposals of the applicant for the development of the site. No sketch plan is required, but the successful tenderer will be asked to submit for approval a sketch plan of the building he proposes to erect before proceeding with the detailed drawings. The outlined proposals should include—
- (b) a site layout plan in sufficient detail to show the siting of the buildings in relation to the boundary of the plot, the proposed access and egress from the plot, the car-parking areas and the ancillary buildings, e.g. servants' quarters, etc.;
- (c) an indication of the number of bedrooms and other rooms to be constructed: this accommodation to be completed and ready for occupation within 30 months of the commencement of the term of the grant. Applicants may, if they wish, submit their plans for subsequent additional development;
- (d) the number and nature of public rooms to be provided;
- (e) the amount of capital available for immediate development purposes, which must not be less than Sh. 800,000 (£40,000), together with a statement from the applicant's bankers or from the representative of some other financial institution acceptable to the Commissioner of Lands certifying that this amount is either immediately available or will become available during the course of the construction of the hotel;
- (f) the name of the consultant whom the applicant proposes to employ in the designing and construction of the hotel;
- (g) the applicant's proposals for staff housing.

4. Intending applicants are informed that the Commissioner of Lands will consider requests for extension of the aforesaid plot boundaries, if necessary, by including additional land to the north of the plot and adjoining Impala Walk on terms and conditions to be decided. Such requests must form part of the initial application referred to in paragraph 3 above.

5. Applications must be sent so as to reach the Commissioner of Lands, P.O. Box 30089, Nairobi, not later than noon on the 28th day of February, 1963.

6. Applicants must enclose with their applications their cheque for Sh. 2,000 as a deposit made payable to the Commissioner of Lands, which will be dealt with as follows:—

- (a) If the applicant is offered and takes up and pays for the plot within 14 days as required in paragraph 7 below, the deposit will be credited to him.
- (b) If the application is unsuccessful the applicant's deposit will be returned to him.
- (c) If the applicant is successful and fails to take up and pay for the plot such sums as may be specified in the letter of allotment within a period of 14 days as required in paragraph 7 below, the Commissioner of Lands may declare the deposit forfeited and the applicant shall have no further claim thereto.

7. The allottee shall pay to the Commissioner of Lands within 14 days of notification that his application has been successful the assessed stand premium and proportion of annual rent, together with survey, conveyancing and registration fees. In default of payment within the specified time, the Commissioner of Lands may cancel the allocation and the claimant shall have no claim to the grant of the plot.

General Conditions

1. The ordinary conditions applicable to township grants of this nature shall apply except as varied hereby.
2. The grant will be made under the provisions of the Crown Lands Ordinance (Cap. 280) of the Laws of Kenya and title will issue under the Registration of Titles Ordinance (Cap. 281).

4. The term of the grant will be for 99 years from the first day of the month following the notification of the approval of the grant.

Special Conditions

1. No buildings shall be erected on the land nor shall additions or external alterations be made to any buildings otherwise than in conformity with plans and specifications previously approved in writing by the Commissioner of Lands and the Local Authority. The Commissioner shall not give his approval unless he is satisfied that the proposals are such as to develop the land adequately and satisfactorily.

2. The grantee shall within nine months of the commencement of the term submit in triplicate to the Local Authority and the Commissioner of Lands plans (including block plans showing the positions of the buildings and a system of drainage for the disposal of sewage, surface and sullage water), drawings, elevations and specifications of the buildings the grantee proposes to erect on the land, and shall within 30 months of the commencement of the term complete the erection of such buildings and the construction of the drainage system in conformity with such plans, drawings, elevations and specifications as amended (if such be the case) by the Commissioner, provided that if default shall be made in the performance or observance of any of the requirements of this condition it shall be lawful for the Commissioner of Lands or any person authorized by him on behalf of Her Majesty to re-enter into and upon the land or any part thereof in the name of the whole and thereupon the term hereby created shall cease but without prejudice to any right of action or remedy of Her Majesty, the Governor or the Commissioner in respect of any antecedent breach of any condition herein contained.

3. The grantee shall maintain in good and substantial repair and condition all buildings at any time erected on the land.

Any advertisement in connexion with the said petrol pumps will not be permitted either within the plot or on the roadside.

5. The grantee shall not subdivide the land.

6. The grantee shall not sell, transfer, sublet or charge the land or any part thereof except with the prior consent in writing of the Governor: no application for such consent (except in respect of a loan required for building purposes) will be considered until Special Condition No. 2 has been performed.

7. The grantee shall pay to the Commissioner of Lands on demand such sum as the Commissioner may estimate to be the proportionate cost of constructing all roads and drains and sewers serving or adjoining the land and shall on completion of such construction and the ascertainment of the actual proportionate cost either pay (within seven days of demand) or be refunded the amount by which the actual proportionate cost exceeds or falls short of the amount paid as aforesaid.

8. The grantee shall from time to time pay to the Commissioner of Lands on demand such proportion of the cost of maintaining all roads and drains serving or adjoining the land as the Commissioner may assess.

9. Should the Commissioner of Lands at any time require the said roads to be constructed to a higher standard the grantee shall pay to the Commissioner on demand such proportion of the cost of such construction as the Commissioner may assess.

10. The grantee shall pay such rates, taxes, charges, duties, assessments or outgoings of whatever descriptions as may be imposed, charged or assessed by the Government or any Local Authority upon the land or the buildings erected thereon including any contribution or other sum payable by the Governor in lieu thereof.

11. The Governor or such person or authority as may be appointed for the purpose shall have the right to enter upon the land and lay and have access to water mains, service pipes and drains, telephone or telegraph wires and electric mains of all descriptions whether overhead or underground and the grantee shall not erect any building in such a way as to cover or interfere with any existing alignments of main or service pipes or telephone or telegraph wires and electric mains.
