GAZETTE NOTICE No. 569

VACANCIES FOR UNDER-SECRETARIES IN THE SERVICE OF THE KENYA GOVERNMENT

CIVIL SERVICE COMMISSION

Salary: £2,175 per annum

IN THE interests of its Kenyanization policy the Government of Kenya has decided to fill a number of pensionable posts at Under-Secretary level by the recruitment of local candidates.

Applications for these posts are invited both from locally domiciled serving Government officers and from other locally domiciled candidates not in the Government service. Applications from serving officers will be considered only if they are not eligible for overseas leave and passage privileges, or are prepared to relinquish these privileges in the terms of Service Circular No. 29 of 1962 if selected for promotion. Serving officers who are selected will be appointed initially to act in the posts on trial and selected candidates from outside the Government service will be appointed on probation for a minimum period of two years.

The present basic salary of the posts is £2,175 per annum. These are, therefore, very senior appointments and applicants should preferably be graduates of a recognized university with experience in a senior post in the Government service or in other fields. They must possess proved administrative and organizing ability, the capacity to supervise a large staff and be able to control the expenditure of public funds.

Serving officers should submit their applications in triplicate, through the head of their department, to the Secretary, Civil Service Commission, P.O. Box 30095, Nairobi, on form CSC.2A; other applicants should apply on form CSC.2, in triplicate, copies of which may be obtained from the office of the Civil Service Commission. The closing date for submission of applications is 5th March, 1963.

GAZETTE NOTICE No. 570

VACANCY FOR AUDITOR IN THE SERVICE OF THE KENYA GOVERNMENT

CIVIL SERVICE COMMISSION

APPLICATIONS are invited for the post of Auditor in the Exchequer and Audit Department and should be submitted to the Controller and Auditor-General, P.O. Box 30084, Nairobi, to reach him not later than 11th March, 1963. Serving Government officers should submit their applications on form CSC.2A, in triplicate, through their heads of department. Other candidates

should apply in triplicate on form CSC.2, copies of which are obtainable from the Civil Service Commission. Any inquiries about the post should be made to the Controller and Auditor-General.

The post is permanent and pensionable and the salary scale attached to it has not yet been finally settled but the entry point will be not less than £747 per annum.

Qualifications.—Candidates should preferably be between the ages of 22 and 30 and should possess a university degree or a recognized qualification in accountancy. Candidates possessing a good Cambridge School Certificate, and with considerable accounting or audit experience in Government, local government or a professional accountant's office, will also be considered.

Duties.—The duties of the post include the examination of all types of accounts of the Kenya Government and the various East African Common Services Organization Administrations and certain other quasi-Government accounts, and the supervision of officers engaged on such examinations.

There is a high proportion of senior posts in the Exchequer and Audit Department to which auditors may expect to be promoted within a comparatively short time. In the past five years such promotions have usually been made after some five years' service. The post of Controller and Auditor-General is equivalent to that of a Permanent Secretary, and this post as well as seven other superscale posts in the Department is normally filled by promotion from officers serving in the lower grades of the Department. The work is interesting and varied and requires high qualities of independence and integrity.

THE Commissioner of Lands gives notice that a plot in the Municipality of Kisumu as described in the Schedule hereto is available for alienation for the purpose of a high standard hotel and invites applications for the direct alienation thereof. Attention is particularly drawn to the concessional nature of the rent to be charged.

2. A plan of the site may be inspected at the office of the Town Clerk, Kisumu, and at the Lands Department, Nairobi, or may be obtained from the Public Map Office on payment of Sh. 3 post free.

3. Applications must be accompanied by a statement indicating—

- (a) the detailed proposals of the applicant for the development of the site. No sketch plan is required, but the successful tenderer will be asked to submit for approval a sketch plan of the building he proposes to erect before proceeding with the detailed drawings. The outlined proposals should include—
- (b) a site layout plan in sufficient detail to show the siting of the buildings in relation to the boundary of the plot, the proposed access and egress from the plot, the car-parking areas and the ancillary buildings, e.g. servants' quarters, etc.;
- (c) an indication of the number of bedrooms and other rooms to be constructed: this accommodation to be completed and ready for occupation within 30 months of the commencement of the term of the grant. Applicants may, if they wish, submit their plans for subsequent additional development;
- (d) the number and nature of public rooms to be provided;
- (e) the amount of capital available for immediate development purposes, which must not be less than Sh. 800,000 (£40,000), together with a statement from the applicant's bankers or from the representative of some other financial institution acceptable to the Commissioner of Lands certifying that this amount is either immediately available or will become available during the course of the construction of the hotel;
- (f) the name of the consultant whom the applicant proposes to employ in the designing and construction of the hotel;
- (g) the applicant's proposals for staff housing.

4. Intending applicants are informed that the Commissioner of Lands will consider requests for extension of the aforesaid plot boundaries, if necessary, by including additional land to the north of the plot and adjoining Impala Walk on terms and conditions to be decided. Such requests must form part of the initial application referred to in paragraph 3 above.

5. Applications must be sent so as to reach the Commissioner of Lands, P.O. Box 30089, Nairobi, not later than noon on the 28th day of February, 1963.

6. Applicants must enclose with their applications their cheque for Sh. 2,000 as a deposit made payable to the Commissioner of Lands, which will be dealt with as follows:—

- (a) If the applicant is offered and takes up and pays for the plot within 14 days as required in paragraph 7 below, the deposit will be credited to him.
- (b) If the application is unsuccessful the applicant's deposit will be returned to him.
- (c) If the applicant is successful and fails to take up and pay for the plot such sums as may be specified in the letter of allotment within a period of 14 days as required in paragraph 7 below, the Commissioner of Lands may declare the deposit forfeited and the applicant shall have no further claim thereto.

7. The allottee shall pay to the Commissioner of Lands within 14 days of notification that his application has been successful the assessed stand premium and proportion of annual rent, together with survey, conveyancing and registration fees. 4. The term of the grant will be for 99 years from the first day of the month following the notification of the approval of the grant.

Special Conditions

1. No buildings shall be erected on the land nor shall additions or external alterations be made to any buildings otherwise than in conformity with plans and specifications previously approved in writing by the Commissioner of Lands and the Local Authority. The Commissioner shall not give his approval unless he is satisfied that the proposals are such as to develop the land adequately and satisfactorily.

2. The grantee shall within nine months of the commencement of the term submit in triplicate to the Local Authority and the Commissioner of Lands plans (including block plans showing the positions of the buildings and a system of drainage for the disposal of sewage, surface and sullage water), drawings, elevations and specifications of the buildings the grantee proposes to erect on the land, and shall within 30 months of the commencement of the term complete the erection of such buildings and the construction of the drainage system in conformity with such plans, drawings, elevations and specifications as amended (if such be the case) by the Commissioner, provided that if default shall be made in the performance or observance of any of the requirements of this condition it shall be lawful for the Commissioner of Lands or any person authorized by him on behalf of Her Majesty to re-enter into and upon the land or any part thereof in the name of the whole and thereupon the term hereby created shall cease but without prejudice to any right of action or remedy of Her Majesty, the Governor or the Commissioner in respect of any antecedent breach of any condition herein contained.

Any advertisement in connexion with the said petrol pumps will not be permitted either within the plot or on the roadside.

5. The grantee shall not subdivide the land.

6. The grantee shall not sell, transfer, sublet or charge the land or any part thereof except with the prior consent in writing of the Governor: no application for such consent (except in respect of a loan required for building purposes) will be considered until Special Condition No. 2 has been performed.

7. The grantee shall pay to the Commissioner of Lands on demand such sum as the Commissioner may estimate to be the proportionate cost of constructing all roads and drains and sewers serving or adjoining the land and shall on completion of such construction and the ascertainment of the actual proportionate cost either pay (within seven days of demand) or be refunded the amount by which the actual proportionate cost exceeds or falls short of the amount paid as aforesaid.

8. The grantee shall from time to time pay to the Commissioner of Lands on demand such proportion of the cost of maintaining all roads and drains serving or adjoining the land as the Commissioner may assess.

9. Should the Commissioner of Lands at any time require the said roads to be constructed to a higher standard the grantee shall pay to the Commissioner on demand such proportion of the cost of such construction as the Commissioner may assess.

10. The grantee shall pay such rates, taxes, charges, duties, assessments or outgoings of whatever descriptions as may be imposed, charged or assessed by the Government or any Local Authority upon the land or the buildings erected thereon including any contribution or other sum payable by the Governor in lieu thereof.
