## THE INDUSTRIAL COURT

CAUSE NO. 81 OF 1966

*Parties:—*

Kenya Local Government Workers' Union  
and  
South Nyanza County Council

*Issue in dispute:—*

The Timing of the Payment of Pratt Arrears.

The Kenya Local Government Workers' Union shall hereinafter be referred to as the Claimants and the South Nyanza County Council shall hereinafter be referred to as the Respondents.

The Parties were heard in Nairobi on the 6th day of February 1967, and relied on their written and verbal submissions.

## AWARD

The Court has very carefully considered the submissions made by the Parties before making its findings.

In the agreement on which the Claimants have based their case it is clearly stated that, it is subject to the Minister's approval. The Minister has, in fact, approved Part I of this agreement which has already been implemented by the Respondents. But as far as Part II of the agreement is concerned, the Court is satisfied that the Minister has not approved it as the financial position of the Respondents is very poor. Even if the Minister's approval was not necessary, Part II of the agreement was to be implemented as soon as possible if financial position justified it, and the Court finds that the financial position of the Respondents does not at present justify it.

In these circumstances the Court must reject the Claimants' application for fixing a time limit within which the Respondents should honour the agreement. At the same time the Court cannot accept the Respondents' application that, the Court should wipe out the payment of arrears as mentioned in the aforesaid Part II of the agreement. The Respondents are committed to this agreement and should honour it as soon as their financial position justifies it. The Permanent Secretary, Ministry of Local Government, has accepted this *vide* his letter dated 3rd October 1966.

The Claimants should, however, realize that there appears to be very little chance of the financial position of the Respondents improving in the next two years, but they are entitled to keep the situation under review and press for the payment when they have satisfactory evidence that, the financial position has improved.

The Court must criticize the Respondents for having entered into an agreement which they were aware they could not implement. This sort of attitude is deplorable.

Given in Nairobi this 20th day of March 1967.

## THE INDUSTRIAL COURT

CAUSE NO. 82 OF 1966

*Parties:—*

Kenya Local Government Workers' Union  
and  
Nyeri County Council

*Issue in dispute:—*

Timing of Payment of Pratt Scales and Arrears.

The Kenya Local Government Workers' Union shall hereinafter be referred to as the Claimants and the Nyeri County Council shall hereinafter be referred to as the Respondents.

The Parties were heard in Nairobi on the 7th day of February 1967, and relied on their written and verbal submissions.

## AWARD

The Respondents appear to have run their affairs very much on the lines they wanted without bothering to co-operate and co-ordinate their activities with the Ministry of Local Government. In fact, it was conceded by the Respondents' representative that, the exact amount of their deficit is not known and that facts and figures were not easily available. This sorry state of affairs is no doubt responsible for the extremely poor industrial relations that have existed in the Respondents' undertaking.

The Respondents have acted most irresponsibly in this dispute and the Court must hold them responsible for the present unfortunate situation.

The agreement in this dispute again is subject to the Minister for Local Government's approval, but the Court is satisfied that, the Minister for Local Government through his representative on 5th August 1966, agreed to the payment in accordance with the agreement between the Parties as from 1st January 1966. Unfortunately the payment has not been made although employees of the North Tetu Area Council, which comes under the Respondents, have enjoyed Pratt scales for some time now.

In view of these circumstances, the Court awards that the Respondents should pay the agreed salaries to their employees as from 1st January 1967, and that as far as arrears between 1st January 1965 and 31st December 1966, are concerned, the Respondents should pay these within a period of three years from 1st January 1967.

Given in Nairobi this 20th day of March 1967.

The Kenya Local Government Workers' Union shall hereinafter be referred to as the Claimants and the Kisumu County Council shall hereinafter be referred to as the Respondents.

The Parties were heard in Nairobi on the 8th day of February 1967, and relied on their written and verbal submissions.

## AWARD

After a careful consideration of all the facts put forward and submissions made by the Parties, the Court awards that the Respondents should pay their employees who are concerned in this dispute the arrears of wages/salaries due to them for the period January to September 1965, within a period of two years as from 1st January 1967.

GAZETTE NOTICE No. 1208

## THE TRADE MARKS ACT

(Cap. 506)

NOTICE is hereby given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may, within 60 days from the date of this Gazette, lodge notice of opposition on Form T.M. No. 6 (in duplicate) together with a fee of Sh. 50.

Notice is also hereby given that official objection will be taken under rule 21 (3) to all applications in which the specification claims all the goods included in any class unless the Registrar is satisfied that the claim is justified by the use of the mark which the applicant has made, or intends to make, if and when it is registered. Where an applicant considers that a claim in respect of all the goods included in a class can be justified, it will save unnecessary delay in examining applications if a claim is filed simultaneously with the application, accompanied in appropriate cases by supporting documents.

The period for lodging notice of opposition may be extended by the Registrar as he thinks fit and upon such terms as he may direct. Any request for such extension should be made to the Registrar so as to reach him before the expiry of the period allowed.

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him any opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant.

Where it is stated in the advertisement of the applicant that the mark, upon its registration, is to be limited to certain colours, the colours are, as far as possible, indicated in the accompanying representations of the mark in the usual heraldic manner.

Representations of the marks advertised herein can be seen at the Trade Marks Registry, State Law Offices, Nairobi.

Applications for registration in Part A of the Register are shown with the official number unaccompanied by any letter. Applications for Part B are distinguished by the letter B prefixed to the official number.
