GAZETTE NOTICE No. 1381

THE INDUSTRIAL COURT

CAUSE No. 89 OF 1966

Parties:—

Kenya Union of Commercial Food and Allied Workers
and

Twentieth Century Fox Organization (East Africa)

Issues in dispute:—

- (a) Wages.
- (b) Gratuity for the previous services up to National Social Security Fund.
- (c) Effective Date and Duration.

The Kenya Union of Commercial Food and Allied Workers shall hereinafter be referred to as the Claimants and Twentieth Century Fox Organization (East Africa) shall hereinafter be referred to as the Respondents.

The Parties were heard in Nairobi on the 16th day of March 1967, and relied on their written and verbal submissions.

AWARD

The Court has to consider various factors before a wage increase is granted. An increase in the cost of living is only one of such factors. One of the other important factors which cannot be overlooked is that the worker should be able to get something more than the compensation for the loss of money value, in order to move towards the ultimate objective of enjoying a higher standard of living. But this can be granted only if under competitive conditions an industry can be shown to be capable of paying a full living wage. This has further got to be consistent with the growth of economy in the country and its Development Plan.

The Court has very carefully considered the various submissions made by both Parties and awards as follows:—

(a) *Wages.*—The Court awards a wage increase of Sh. 32/50 per month to all employees.

(b) *Gratuity for the previous services up to the National Social Security Fund.*—The Court finds that, the scheme proposed by the Respondents is reasonable and fair except that, the proposal that an employee should reach retirement age or complete ten years' further service with the Respondents from 1st September 1966, is unreasonable.

The Court has, therefore, decided that this proviso to the scheme should be deleted and an employee should be required to complete only three years of further service with the Respondents from the 1st of September 1966, in order to qualify for benefits under the proposed scheme.

(c) *Effective Date and Duration.*—The Court rules that, this award shall be with effect from 1st October 1966, and shall remain in force for a period of two years from that date.

Given in Nairobi this 6th day of April 1967.

THE INDUSTRIAL COURT

CAUSE No. 4 OF 1967

Parties:

Kenya Chemical Workers' Union
and
Elephant Soap Factory Limited

Issues in Dispute:

- (1) Wages and Job Grading.
- (2) Normal Working Hours.
- (3) Annual Paid Leave.
- (4) Sick Leave.
- (5) Safari Allowance.
- (6) Termination of Employment.
- (7) Gratuity Payment.
- (8) Leave Allowance.
- (9) Housing Allowance.
- (10) Shift Differential.
- (11) Effective Date and Duration of Contract.

1. The Kenya Chemical Workers' Union shall hereinafter be referred to as the Claimants and Elephant Soap Factory Limited shall hereinafter be referred to as the Respondents.

2. The parties were heard in Nairobi on the 6th day of March 1967 and relied on their written and verbal submissions.

AWARD

6. The Court has very carefully considered the submissions made by both parties in making its findings.

The Court awards a wage increase of Sh. 20 per month to all employees on their existing salaries and further that, the rates for the various grades shall also be increased by the same amount, provided that no employee shall get an increase of more than Sh. 20.

The Court finds that the fringe benefits covered in the other issues in dispute shall remain unaltered except on the issue of shift differential where the Court awards as follows:—

"In addition to basic wages/salaries employees working a 24-hour or less shift cycle as a team shall be paid a shift differential of 5 per cent of their basic wages/salaries per month to compensate them for the inconvenience involved in performing shift roster work. This shift differential shall not be included in the basic wage and accordingly shall not be taken into account when calculating Provident Fund contributions and overtime payment.

As it is intended to compensate the individual for the inconvenience abnormally incurred in shift roster work, the shift differential shall not be paid when the employee is absent from work through being sick, on leave or for any other reason for a particular day on which shift work was not actually performed. In order to ensure continuity of operation all shift employees shall remain on duty until relieved by the succeeding shift or until permitted to leave by the Manager or Supervisor in charge."

The Court rules that the effective date of this award shall be 1st June 1966 and that it shall remain in force for a period of two years from that date.

Given in Nairobi this 8th day of April 1967.

THE INDUSTRIAL COURT
CAUSE No. 6 OF 1967

Parties:—

Kenya Union of Commercial Food and Allied Workers
and
C. Dorman Limited

Issue in dispute:—

Gratuities for previous service prior to N.S.S.F.

The Kenya Union of Commercial Food and Allied Workers shall hereinafter be referred to as the Claimants and C. Dorman Limited shall hereinafter be referred to as the Respondents.

The Parties were heard in Nairobi on the 15th day of March 1967, and relied on their written and verbal submissions.

AWARD

The Court has carefully considered the submission made by the Respondents that this issue is not negotiable, but rules that it is a terminal benefit and the two headings of pension and principles of redundancy are wide enough to give the Claimants a right to negotiate with the Respondents on the issue of gratuities. Furthermore, as far back as 1963 the Respondents had undertaken to consider a long service gratuity scheme and to make proposals to the Claimants in due course. The Court, therefore, finds that the Claimants are entitled to negotiate with the Respondents on this issue.

The Court has gone through the scheme proposed by the Respondents and awards it with the following amendments:—

- (a) The qualifying period of five years after January 1967, should be deleted.
- (b) Those employees who have been in the Respondents' service before the commencement date of the National Social Security Fund, shall be paid on the basis of seven days' pay at the rate then current for each year of service prior to January 1967, up to a period of four years. Thereafter, they will be entitled to ten days' salary for each additional year of service.

Given in Nairobi this 5th day of April 1967.

GAZETTE NOTICE No. 1400

THE TRADE MARKS ACT
(Cap. 506)

NOTICE is hereby given that any person who has grounds of opposition to the registration of any of the trade marks advertised herein according to the classes may, within 60 days from the date of this Gazette, lodge notice of opposition on Form T.M. No. 6 (in duplicate) together with a fee of Sh. 50.

Notice is also hereby given that official objection will be taken under rule 21 (3) to all applications in which the specification claims all the goods included in any class unless the Registrar is satisfied that the claim is justified by the use of the mark which the applicant has made, or intends to make if and when it is registered. Where an applicant considers that a claim in respect of all the goods included in a class can be justified it will save unnecessary delay in examining applications if a claim is filed simultaneously with the application, accompanied in appropriate cases by supporting documents.

The period for lodging notice of opposition may be extended by the Registrar as he thinks fit and upon such terms as he may direct. Any request for such extension should be made to the Registrar so as to reach him before the expiry of the period allowed.

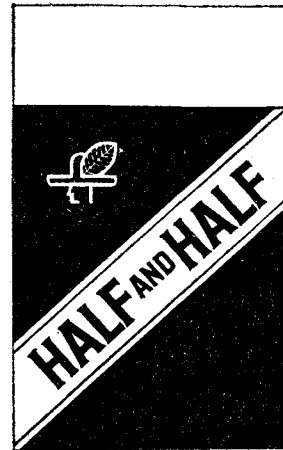

Formal opposition should not be lodged until after reasonable notice has been given by letter to the applicant for registration so as to afford him any opportunity of withdrawing his application before the expense of preparing the notice of opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant.

Where it is stated in the advertisement of the applicant that the mark, upon its registration, is to be limited to certain colours, the colours are, as far as possible, indicated in the accompanying representations of the mark in the usual heraldic manner.

Representations of the marks advertised herein can be seen at the Trade Marks Registry, State Law Offices, Nairobi.

Applications for registration in Part A of the Register are shown with the official number unaccompanied by any letter. Applications for Part B are distinguished by the letter B prefixed to the official number.
